LUGDUNI BATAVORUM,  
APUD CORNELIUM HAAK,

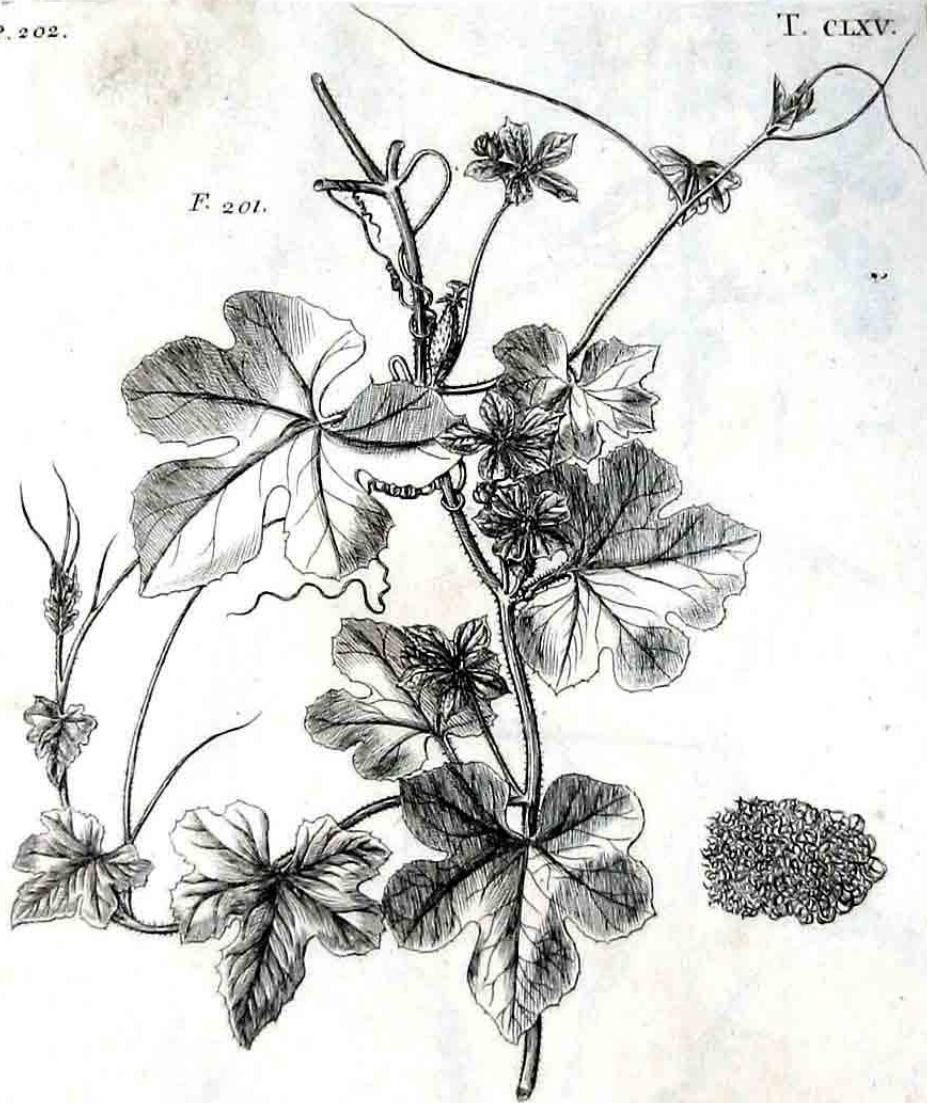

---

MDCCLXXIV.

P. 202.

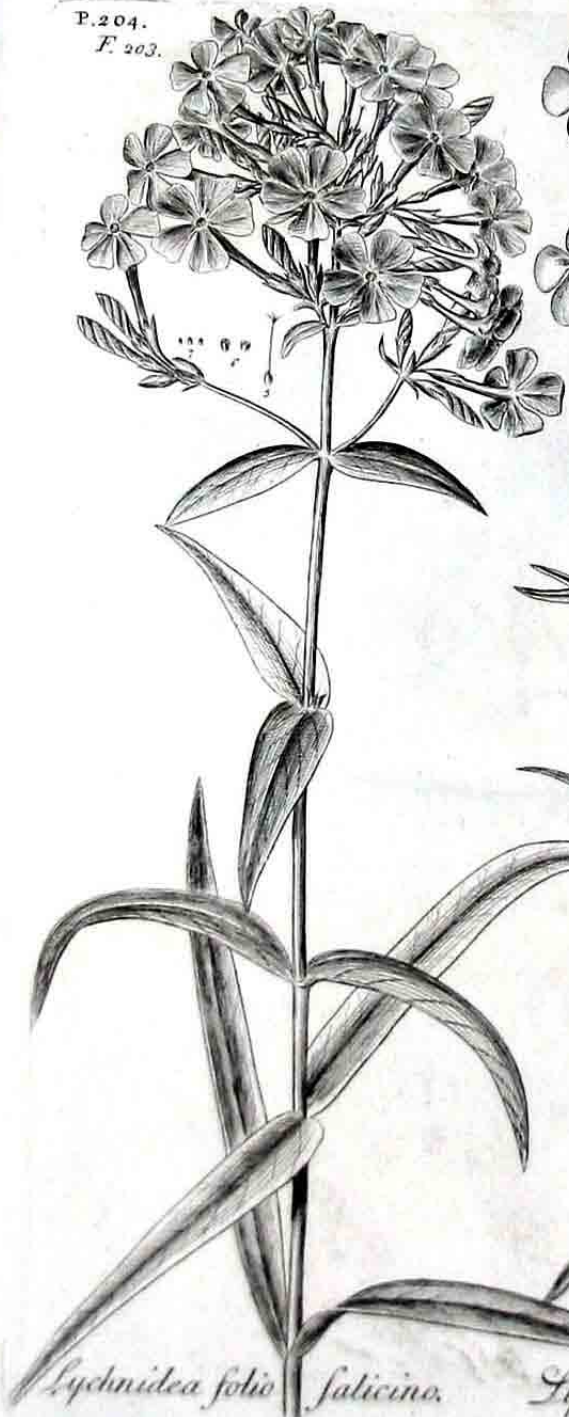

T. CLXV.

F. 201.

*Luffa Chiloensis, Bryonia folio.*

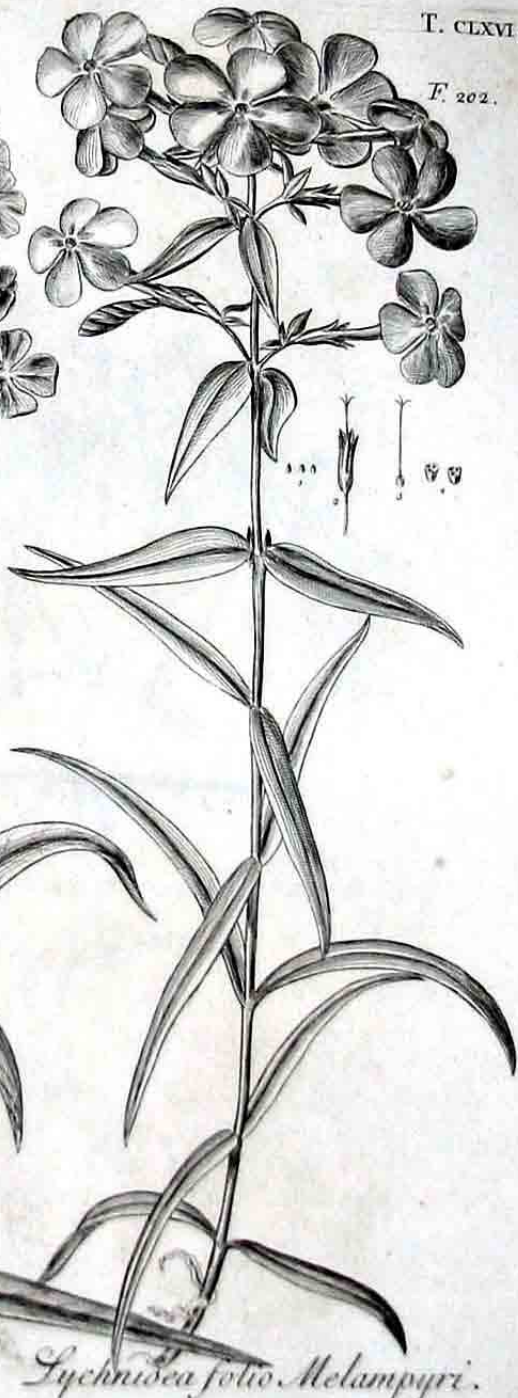

P. 204.  
F. 203.

*Lychnidea folio salicina.*

T. CLXVI.

F. 202.

*Lychnidea folio Melampyri.*

P. 205.

F. 204.

T. CLXVII.

*Lychnis Cr. annua supina, Antirrhini folio, flore minimo  
purpurascete* Tourn.

P. 207.

F. 205.

T. CLXVIII.

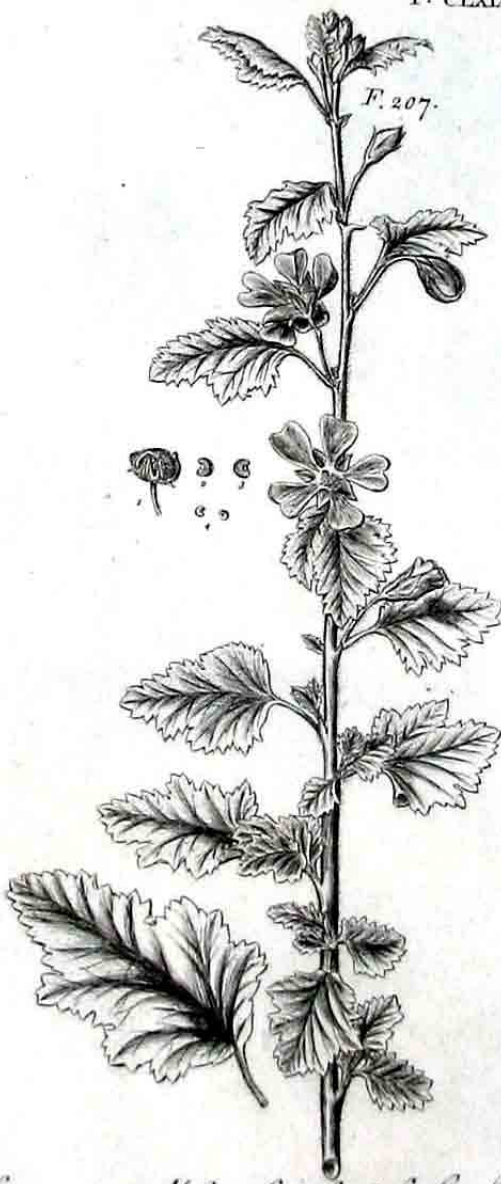

*Magnolia latrifolia* folio, subtus albicante H.N.C.

P. 209.

*Malva Cap. frutescens,  
Grosularia folio minori, glabro.*

T. CLXIX.

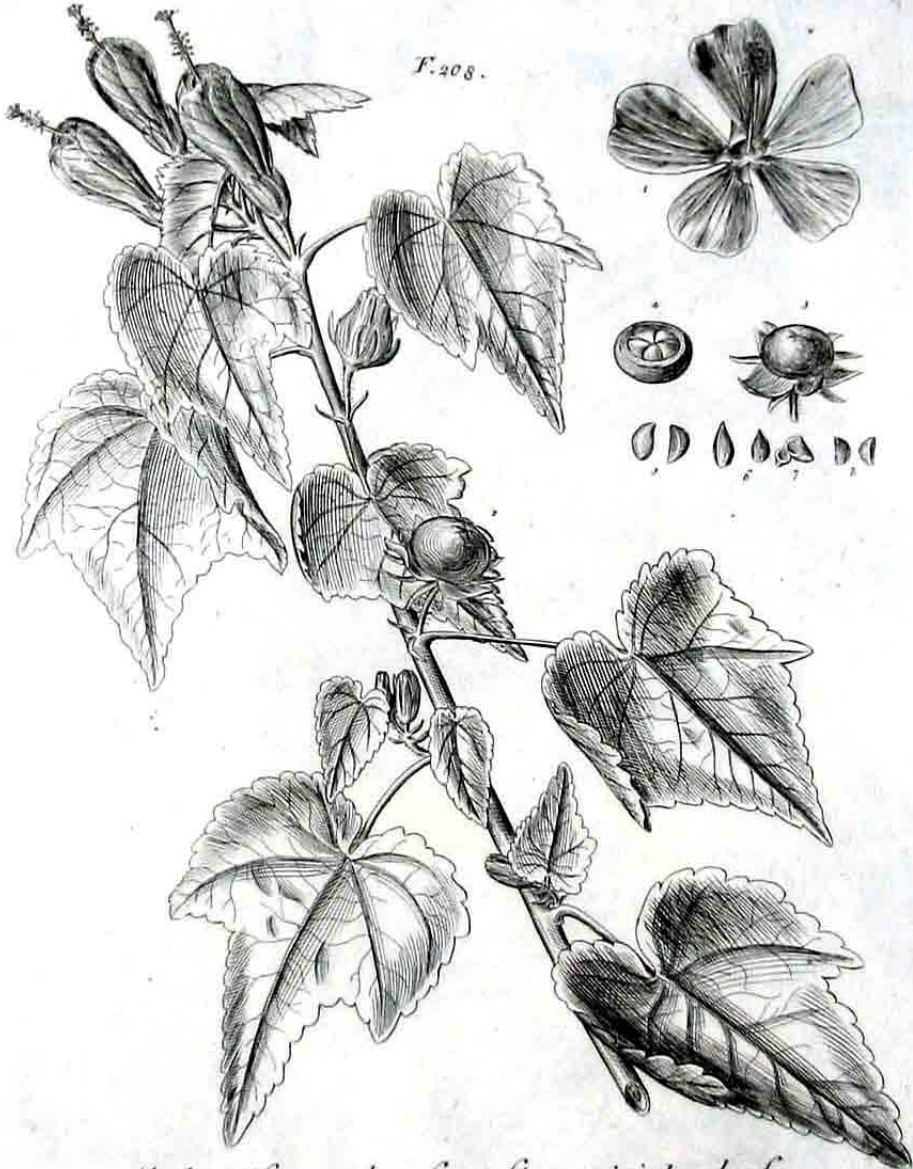

*Malva Cap. frutesc. Grosu-  
laria folio majori, hirsuta.*

P. 210.

T. CLXX.

F. 208.

*Malva arborecens, flore miniato clauso.*

F. 209.

F. 210.

*Malvinda bicornis, Ballotes  
folio molli.*

*Malvinda bicornis, Sanguisorba  
folio villoso.*

F. 212.

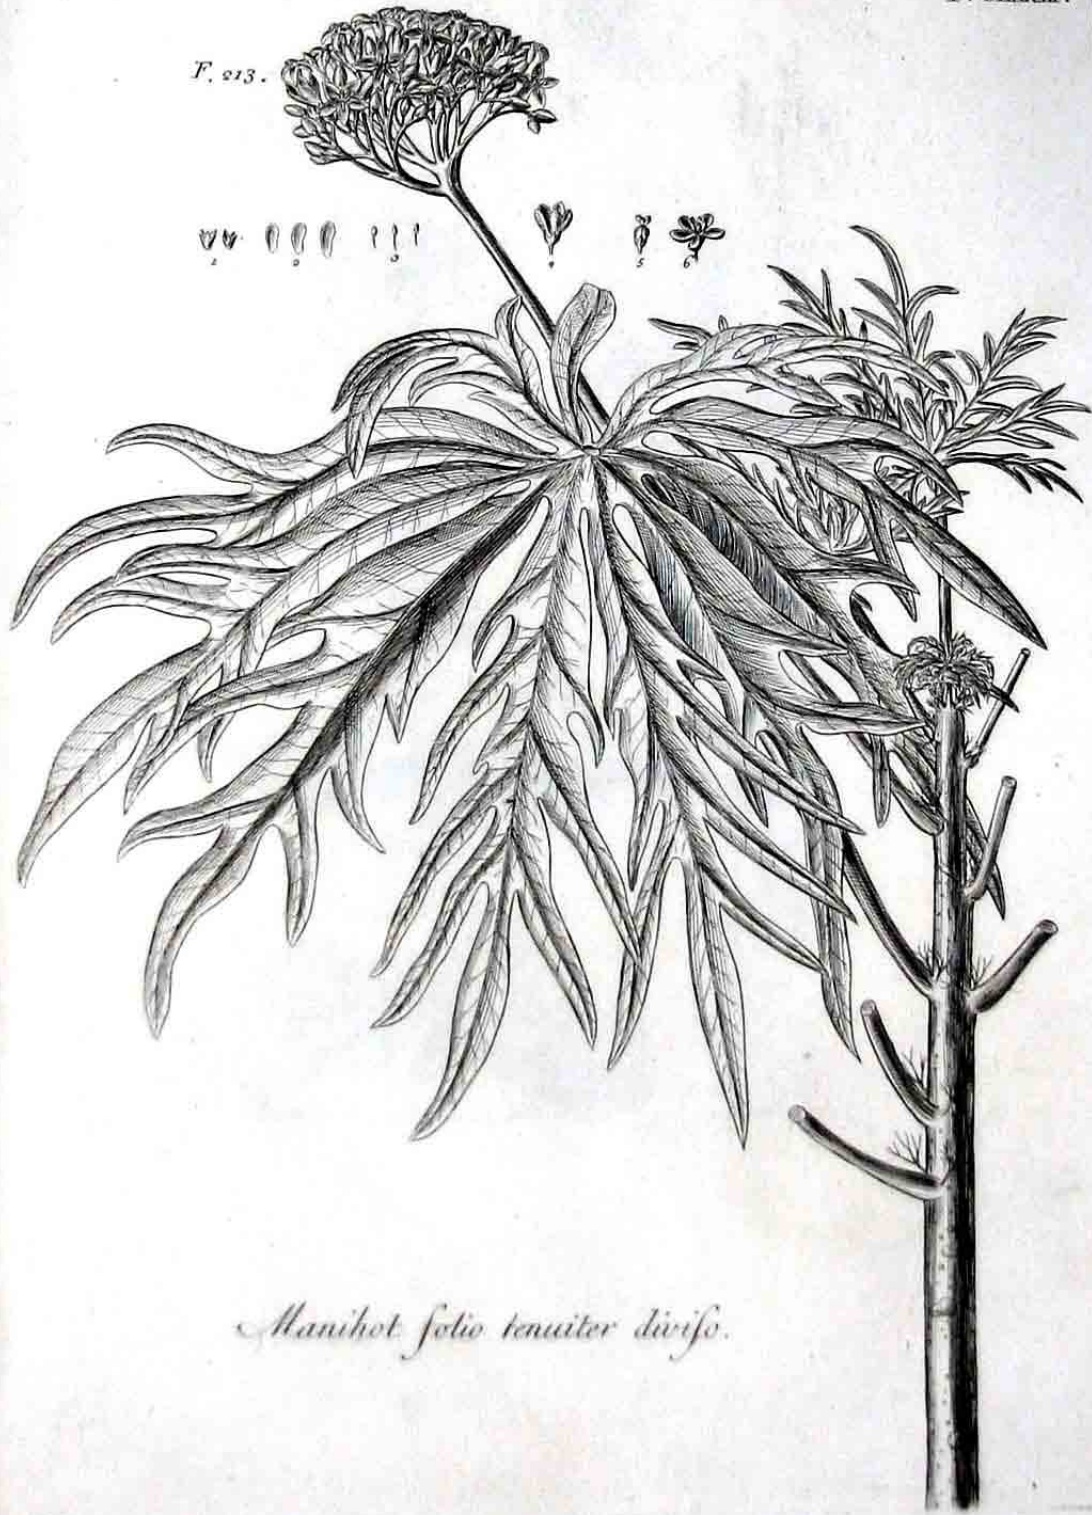

F. 211.

*Malvinda unicornis,*  
*folio rhomboide, perennis*

*Malvinda stellata*  
*atrifolia.*

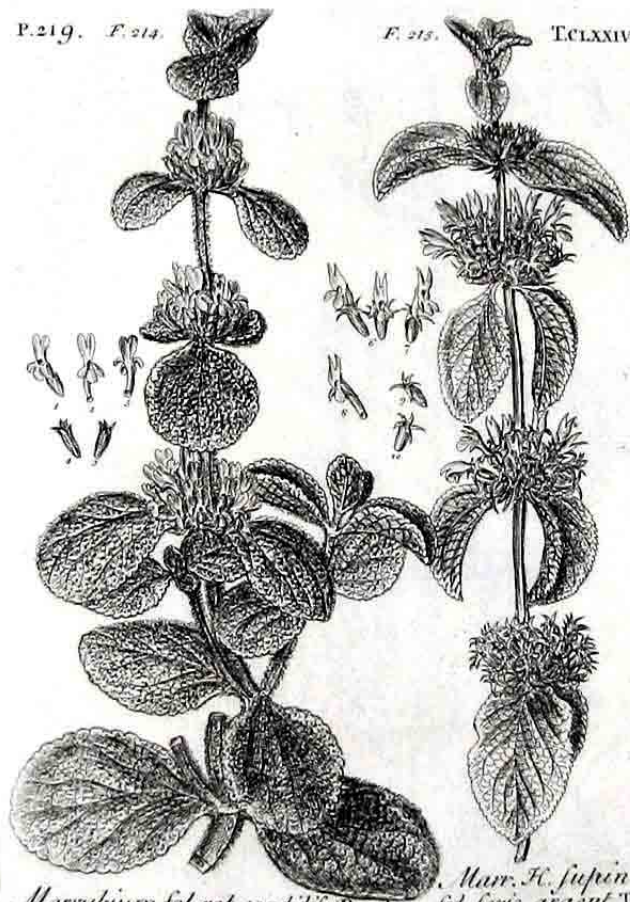

F. 213.

*Manihot folio tenuiter diviso.*

P. 219. F. 214.

F. 215. T. CLXXIV.

*Marubium fol. rot. candidiss.* Boerk.

*Mar. H. japon.*  
*fol. ferr. argent. T.*

F. 216.

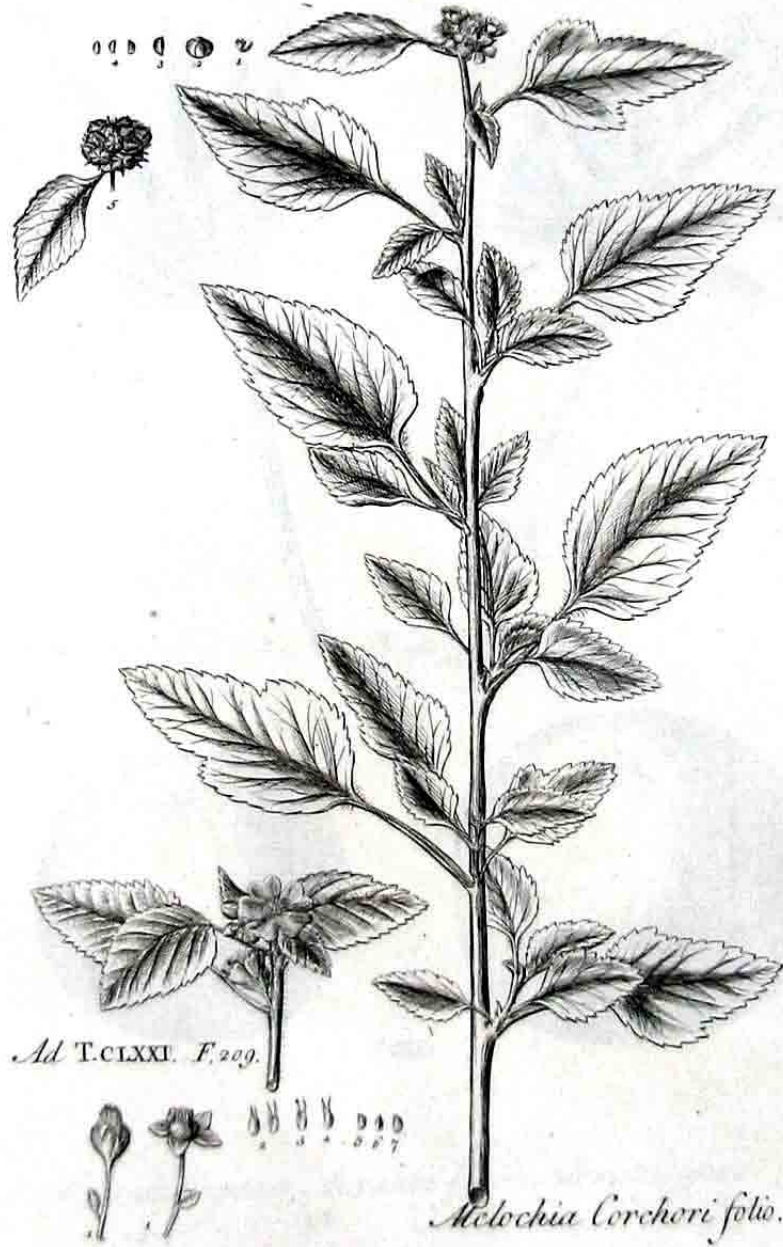

*Melissa atro-rubens, Bugilla folio.*

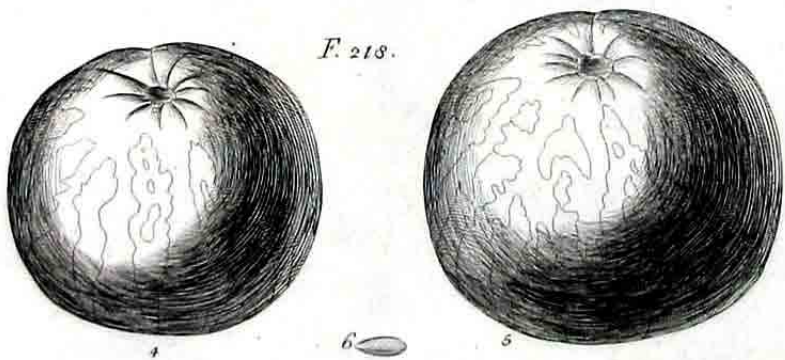

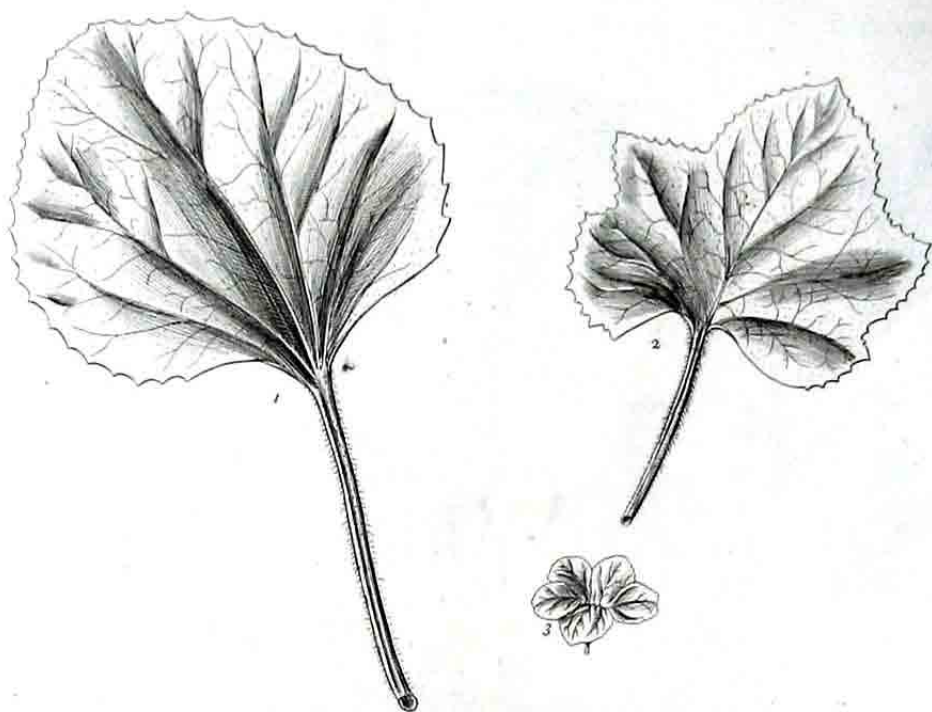

P. 221.

F. 217.

T. CLXXVI.

*Melochia Corchori folio.*

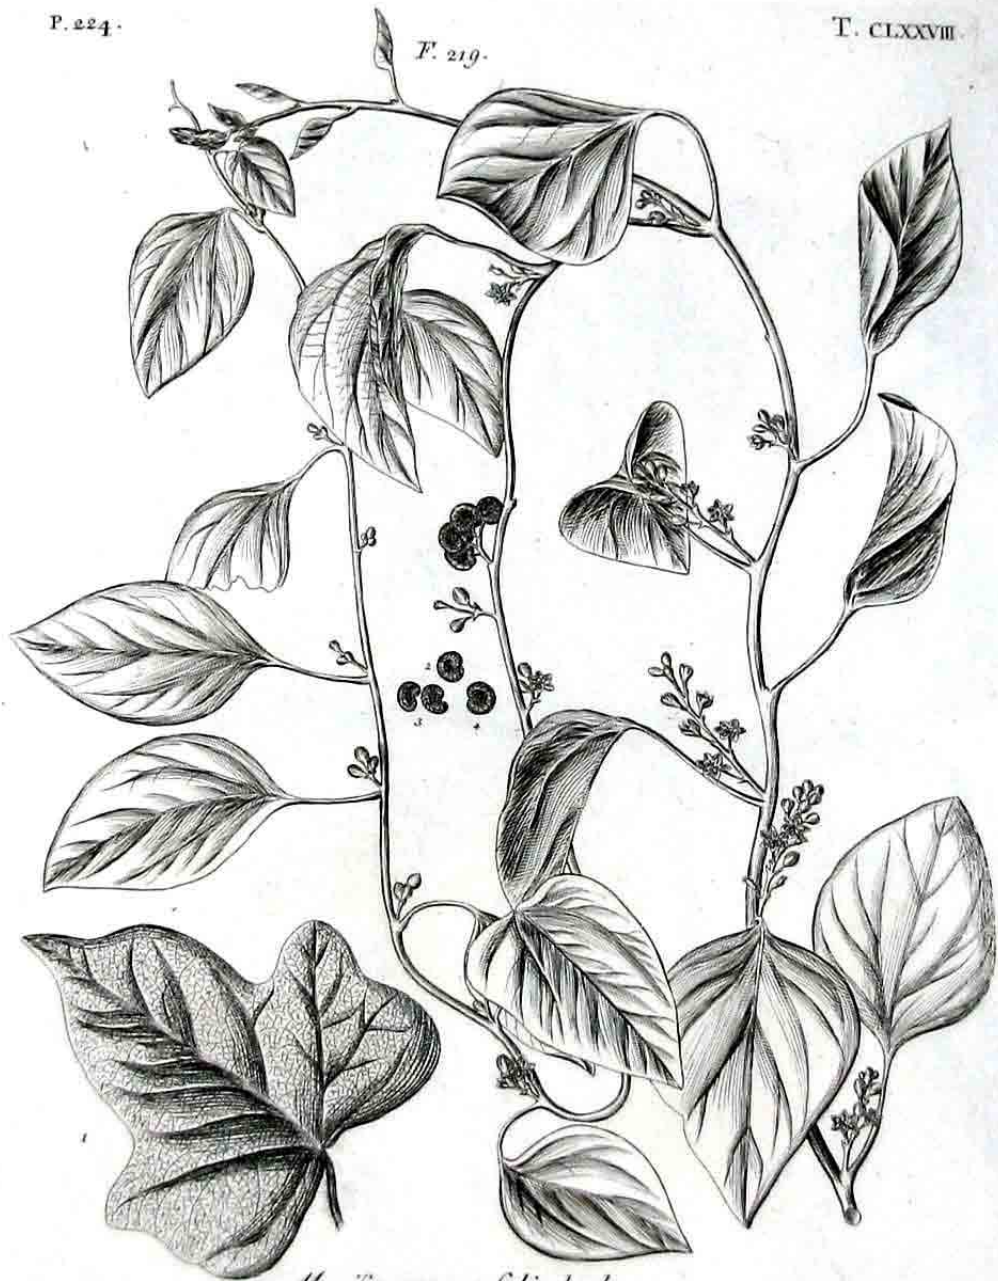

F. 218.

*Melo variegatus, Aurantii figura, odoratissimus.*

P. 224.

F. 219.

T. CLXXVIII.

*Menispermum folio hederaceo.*

F. 220.

*Mesembryanthemum Tripolifolium flore argenteo.*

P. 232.

T. CLXXX.

F. 221.

*Mesembryanthemum crystallinum, Plantaginis folio undulato.*

P. 233.

T. CLXXXI.

F. 222.

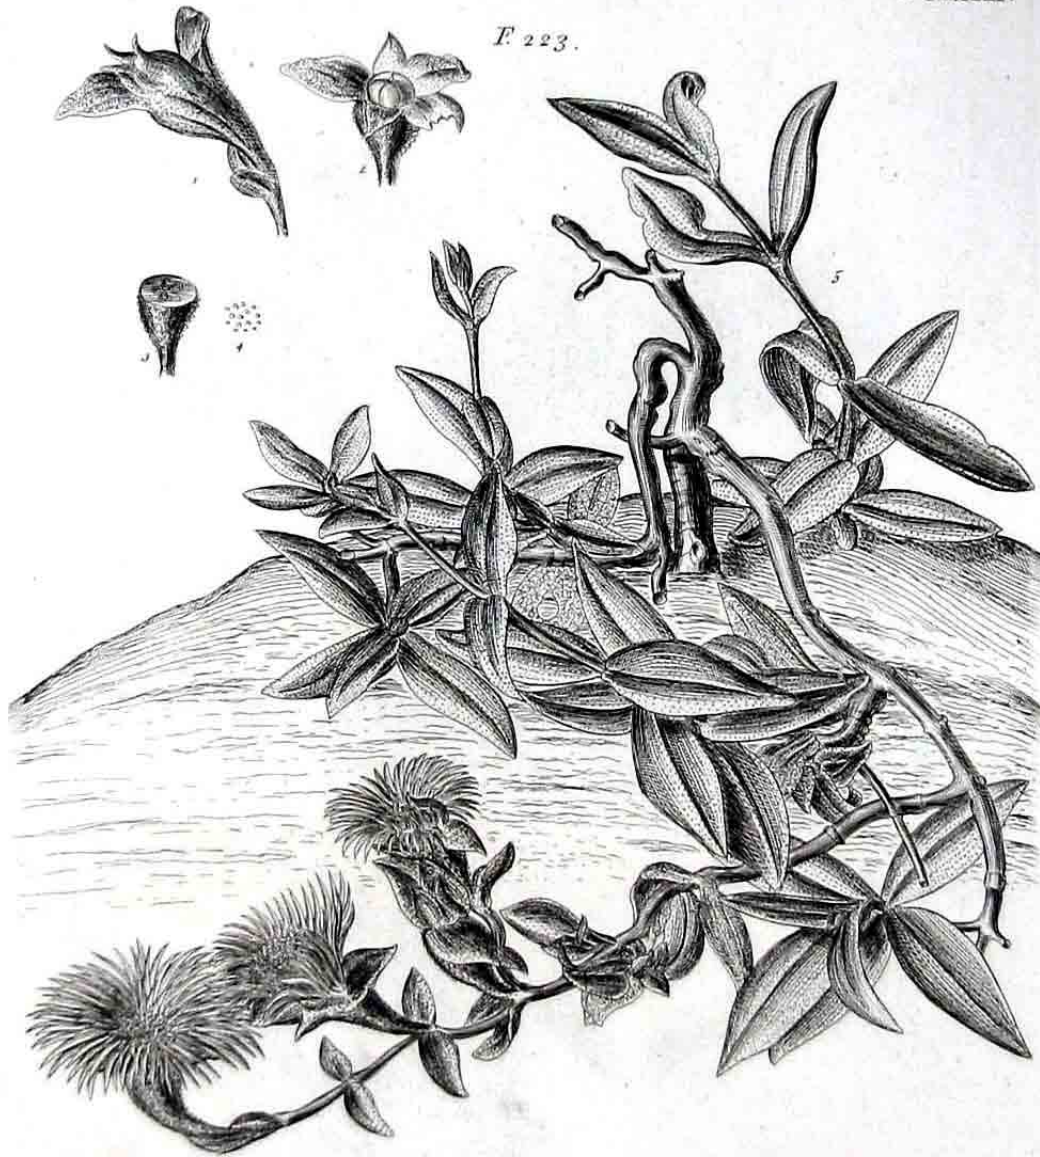

*Mesembryanthemum tortuosum, foliis Sempervivi congestis.*

P. 234.

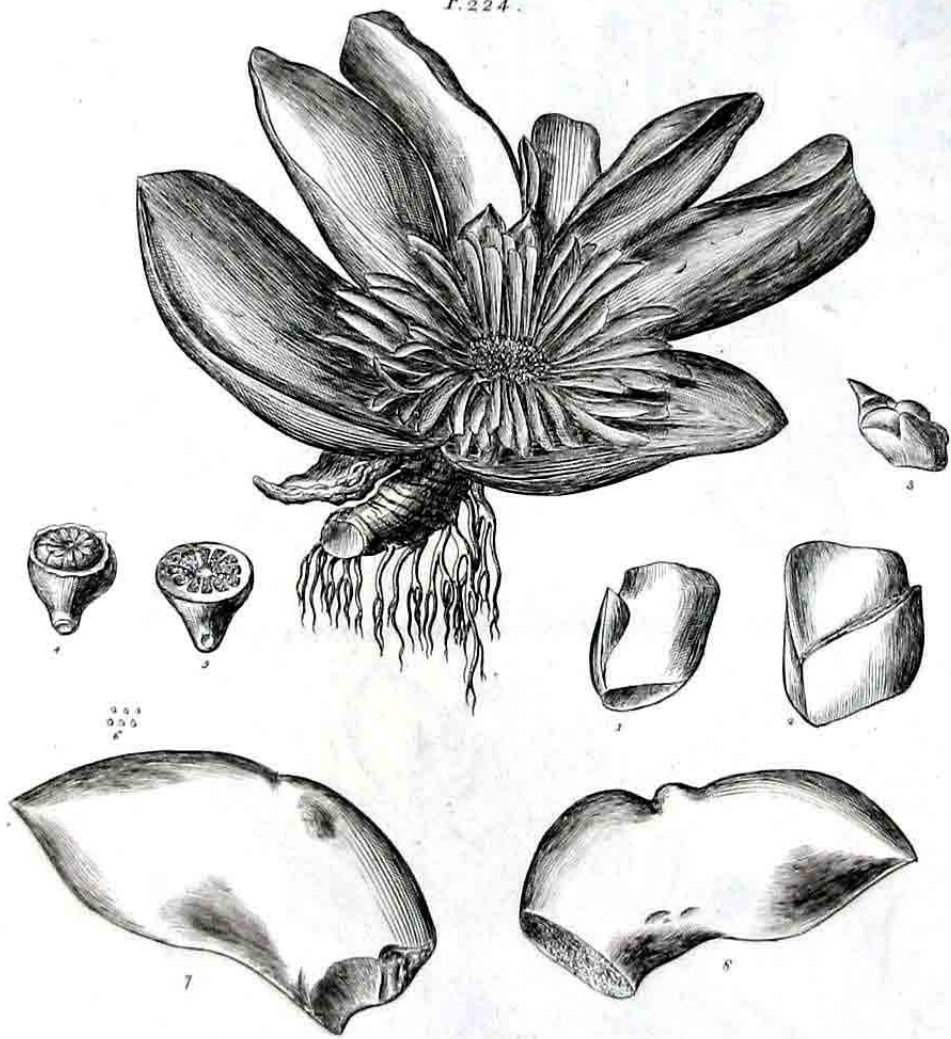

T. CLXXXII.

F. 223.

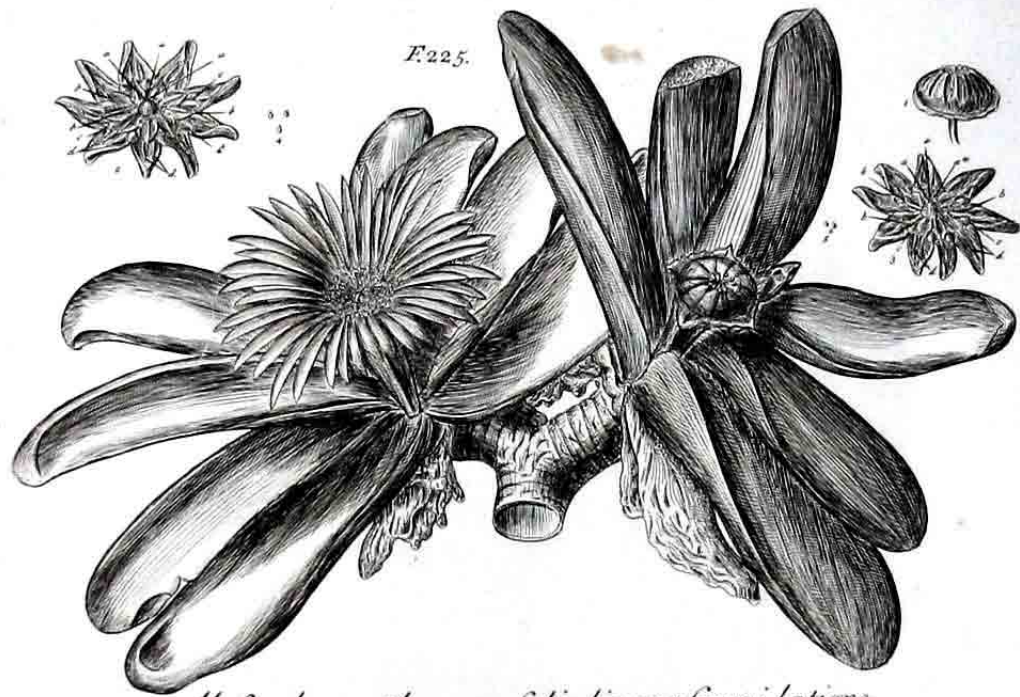

*Mesembryanthemum tortuosum, foliis Sempervivi expansis.*

F. 224.

*Mesembryanthemum folio scalprato.*

*Mesembryanthemum folio linguaeforimi latiore.*

*Mesembryanthemum folio linguaeforimi angustiore.*

P. 258.

T. CLXXXV.

F. 227.

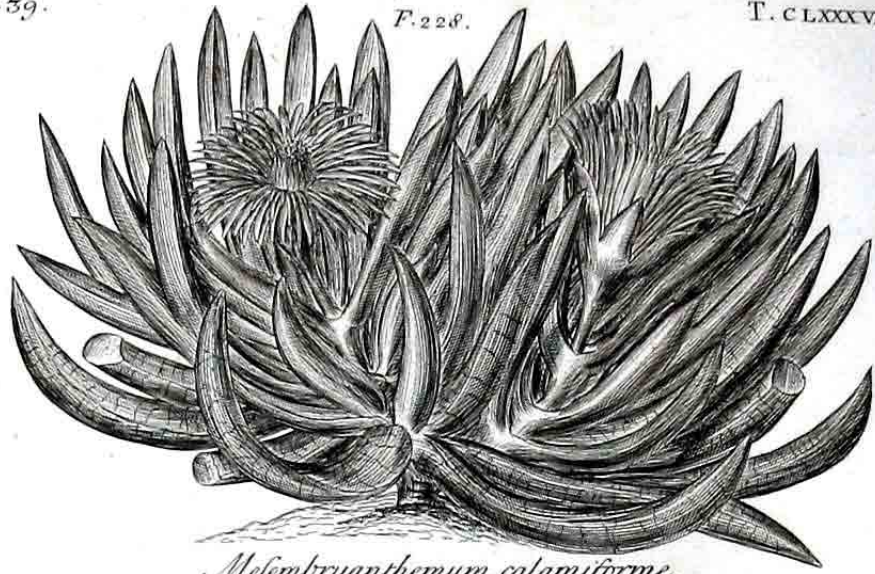

*Mesembryanthemum folio linguaeformi longiore.*

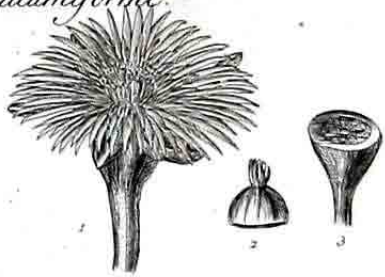

P. 239.

F. 228.

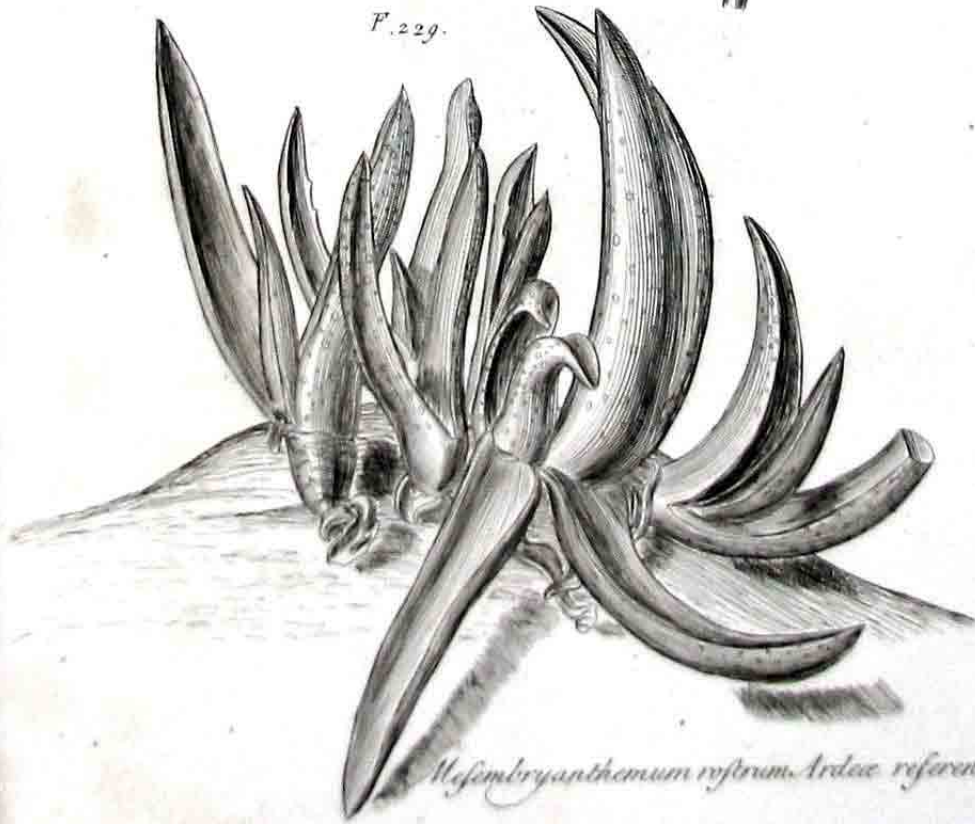

T. CLXXXVI.

*Mesembryanthemum calamiforme.*

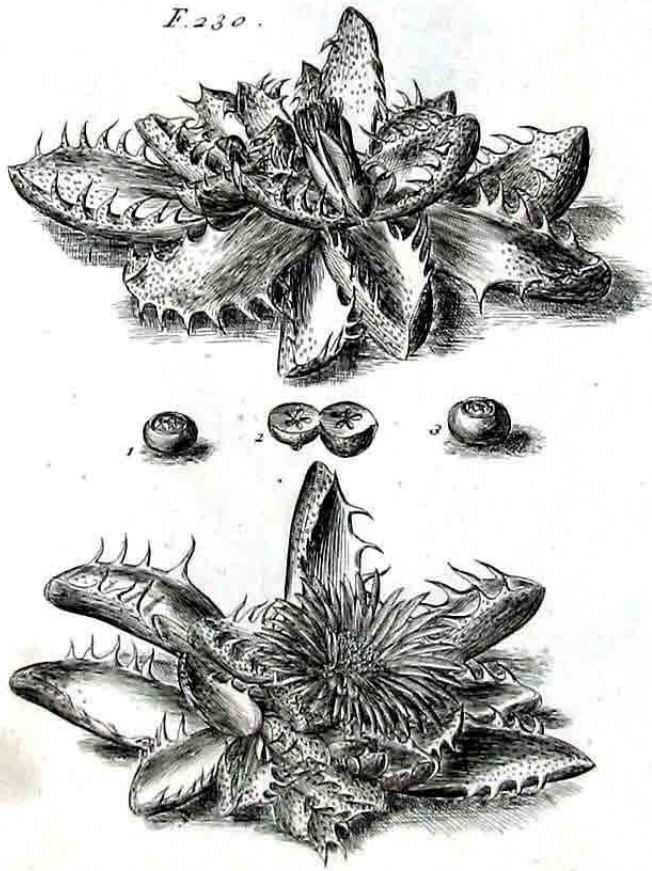

F. 229.

*Mesembryanthemum rufum. Arctae referens.*

F. 230.

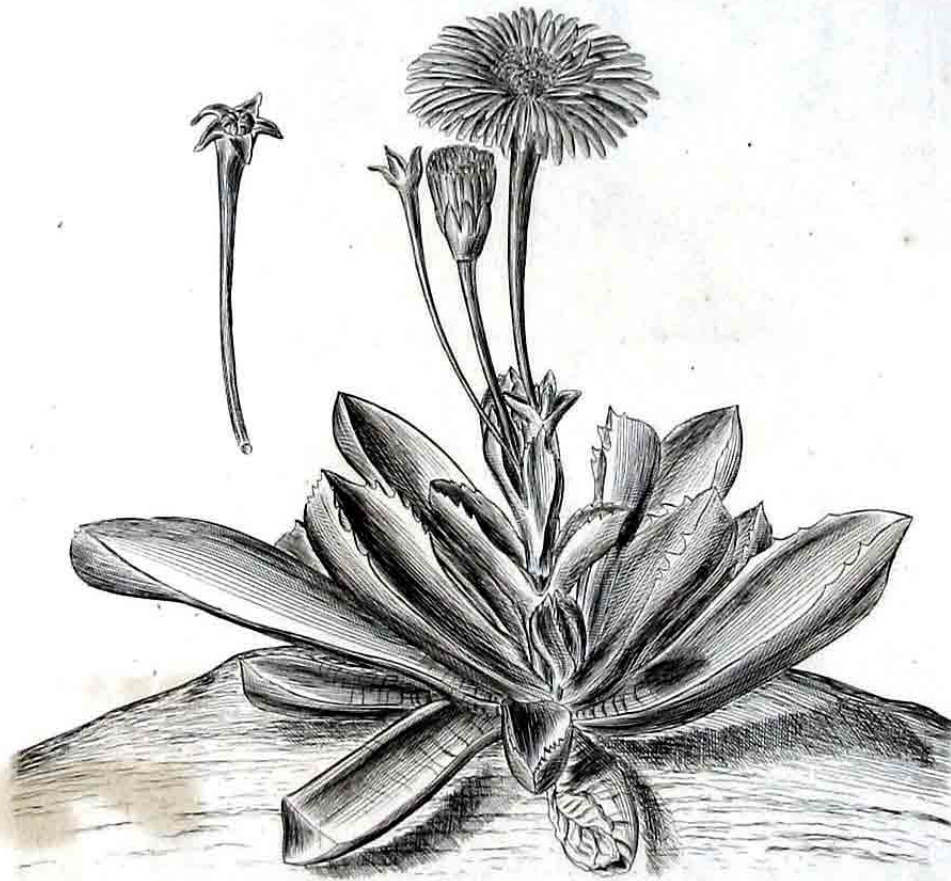

*Mesembryanthemum rictum felinum representans.*

P. 242.

T. CLXXXVIII.

F. 231.

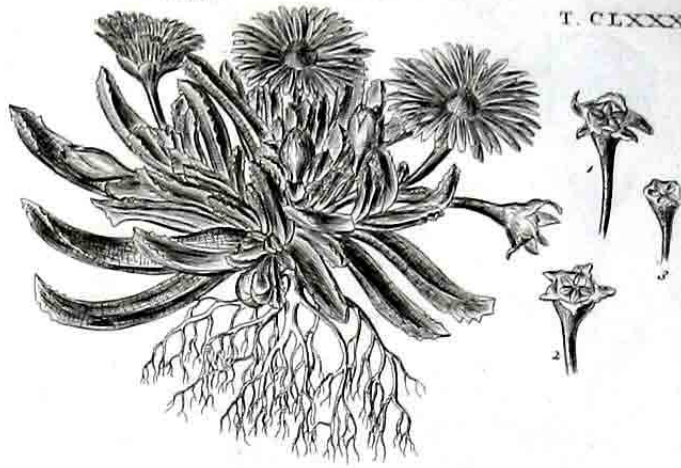

*Mesembryanthemum rictum caninum referens.*

P. 244.

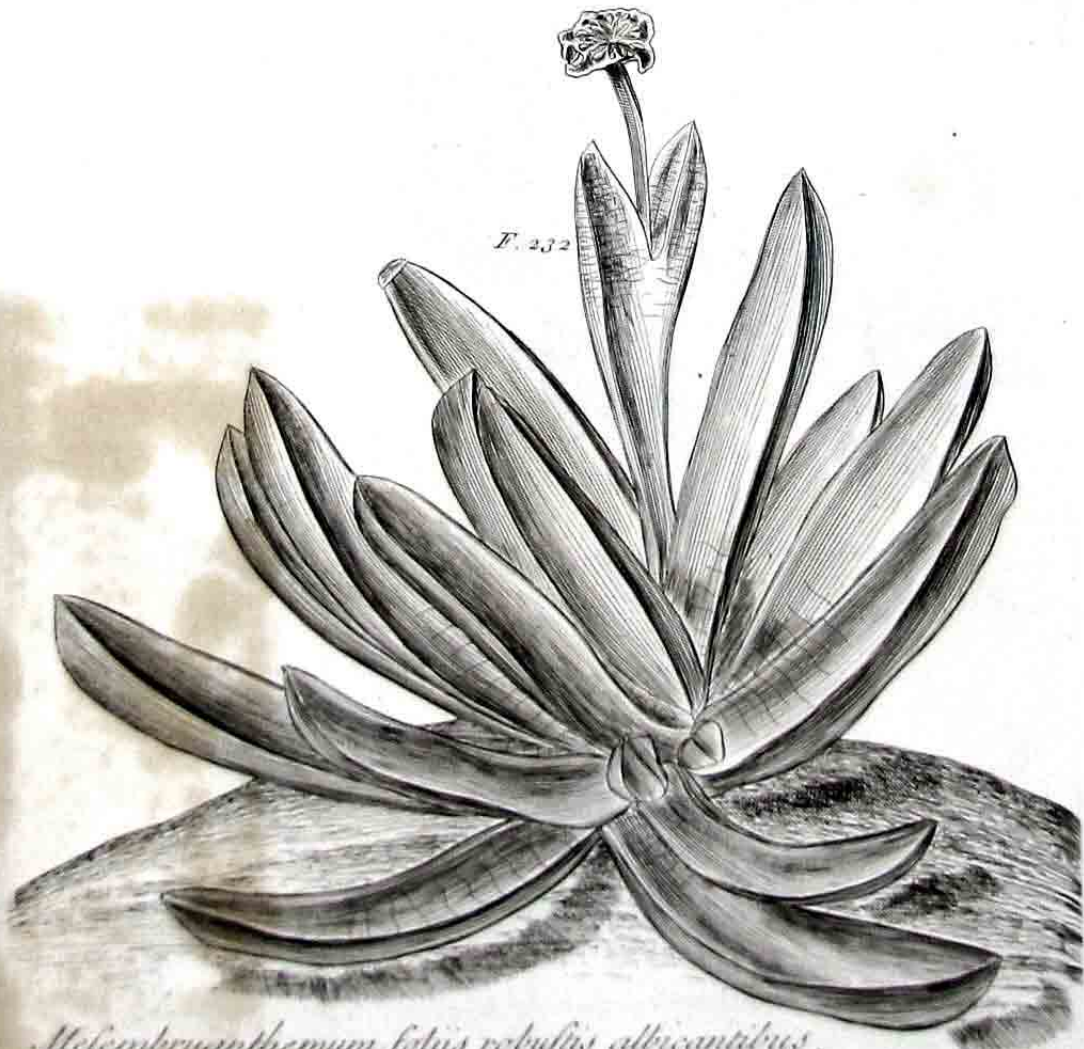

F. 233.

T. CLXXXIX.

*Mesembryanthemum Bellidiflorum.*

F. 232

*Mesembryanthemum folius robustis albicantibus.*

P. 245.

F. 234.

T. CXC.

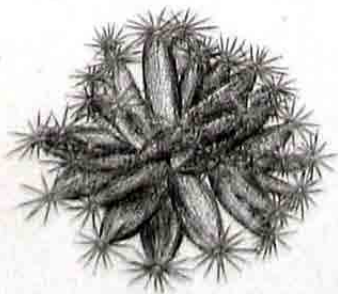

*Mesembryanthemum radiatum, ramulis prolixis, recumbentibus.*

F. 235.

*Mesembryanthemum radiatum humile, foliis minoribus.*

F. 236.

*Mesembryanthemum radiatum humile foliis majoribus.*

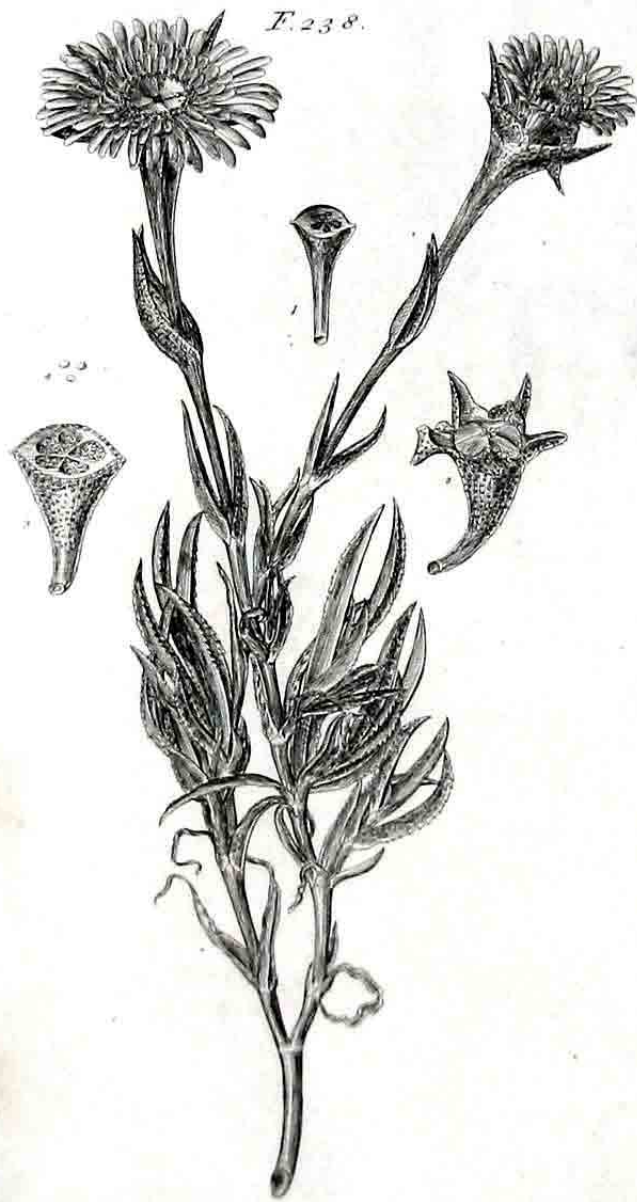

P. 248.

F. 237.

T. CXCI.

*Mesembryanthemum folio delabre-formi*

*Mesembryanthemum ferratum, flore acetabuliformi luteo.*

P. 251.

F. 239.

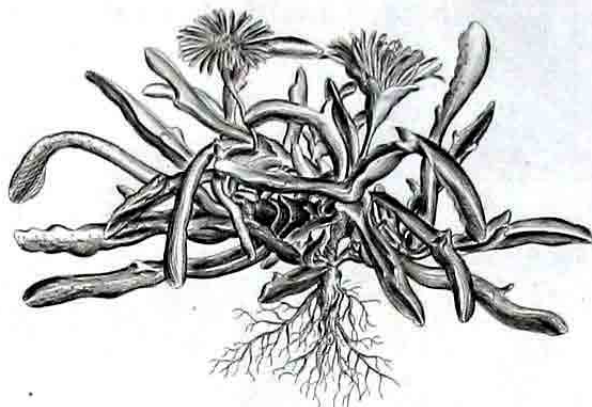

T. cxciii.

F. 240.

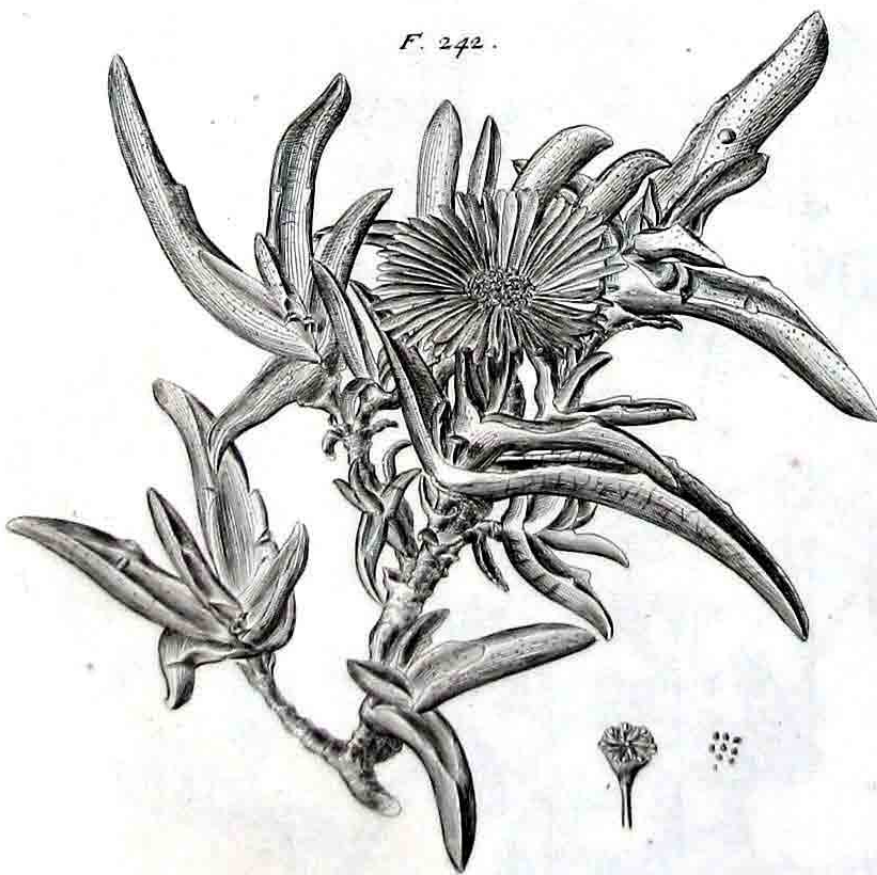

*Mesembryanthemum perfoliatum, foliis minoribus triacanthis.*

*Mesembryanthemum perfoliatum foliis majoribus triacanthis.*

*Mesembryanthemum foliis difformibus, flore luteo.*

P. 254.

F. 246.

T. CXCIV.

*Mesembryanthemum deltoides*, &  
F. 246 dorso, & lateribus muricatis,  
minus.

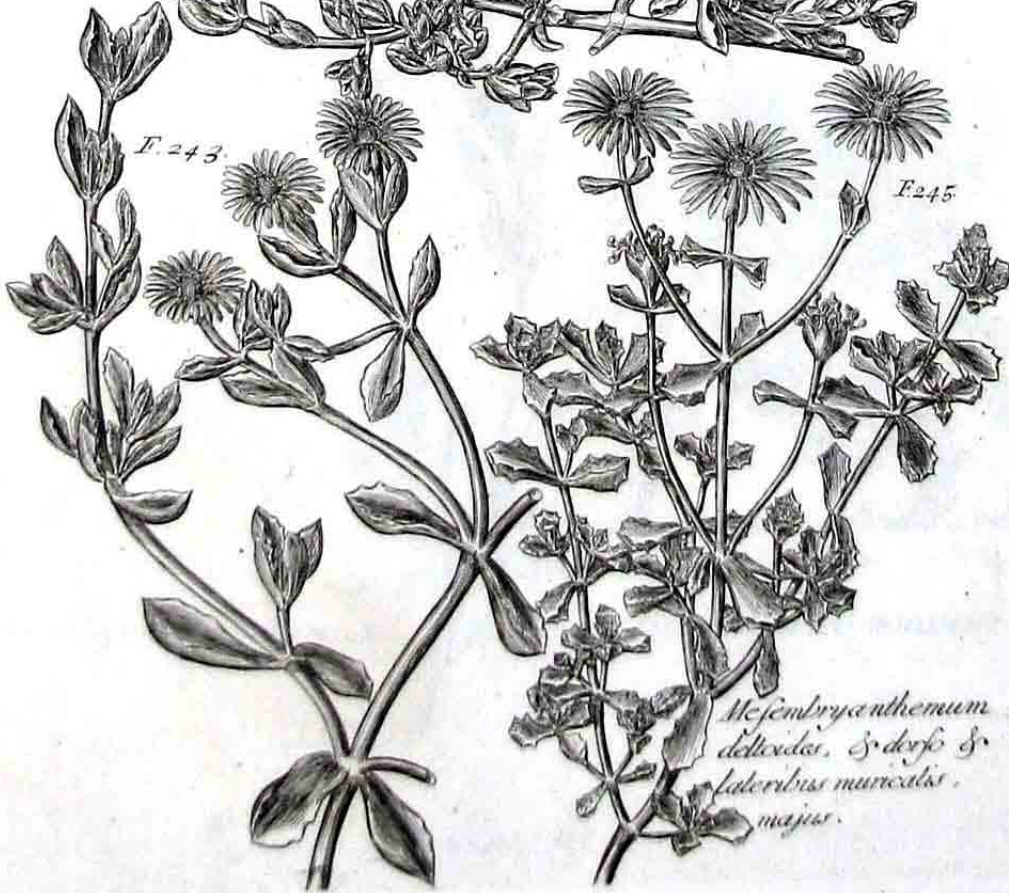

F. 244.

*Mesembryanthemum deltoides non dorso,*  
sed lateribus muricatis.

F. 243.

F. 245.

*Mesembryanthemum*  
*deltoides*, & dorso &  
lateribus muricatis,  
majus.

F. 248.

F. 247.

*Mesembryanthemum deltoides*, & dor-  
 so & lateribus mucatis, majus.  
*Mesembryanthemum* scabrum, flore sulphureo convexo.

P. 260.

F. 249.

T. CXCVII.

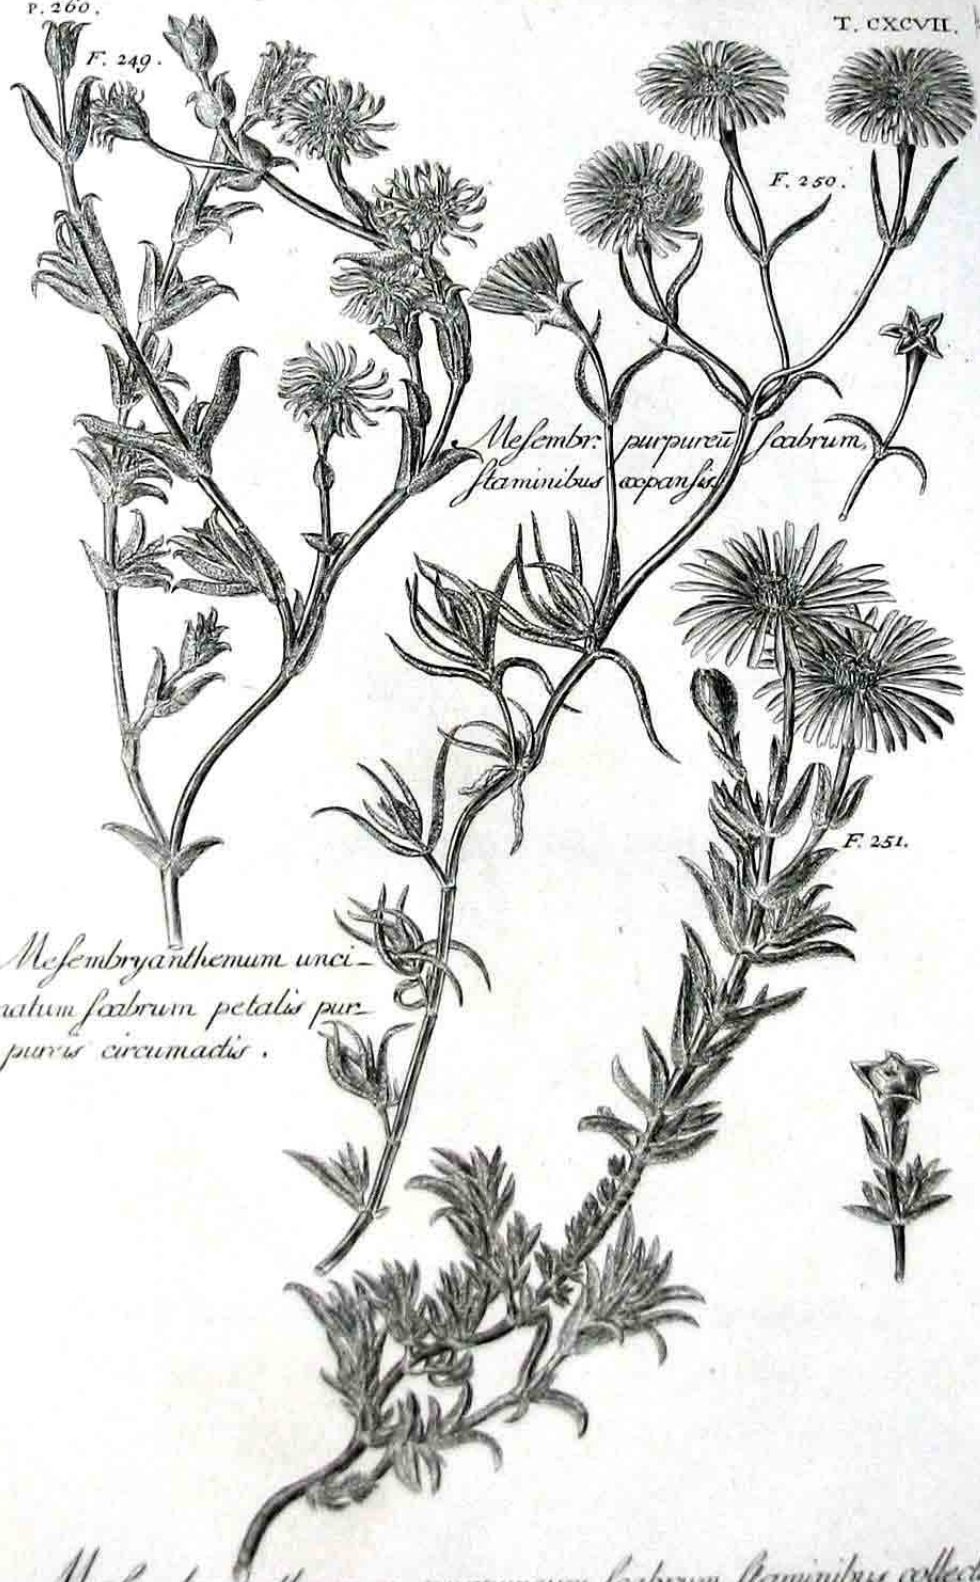

F. 250.

F. 251.

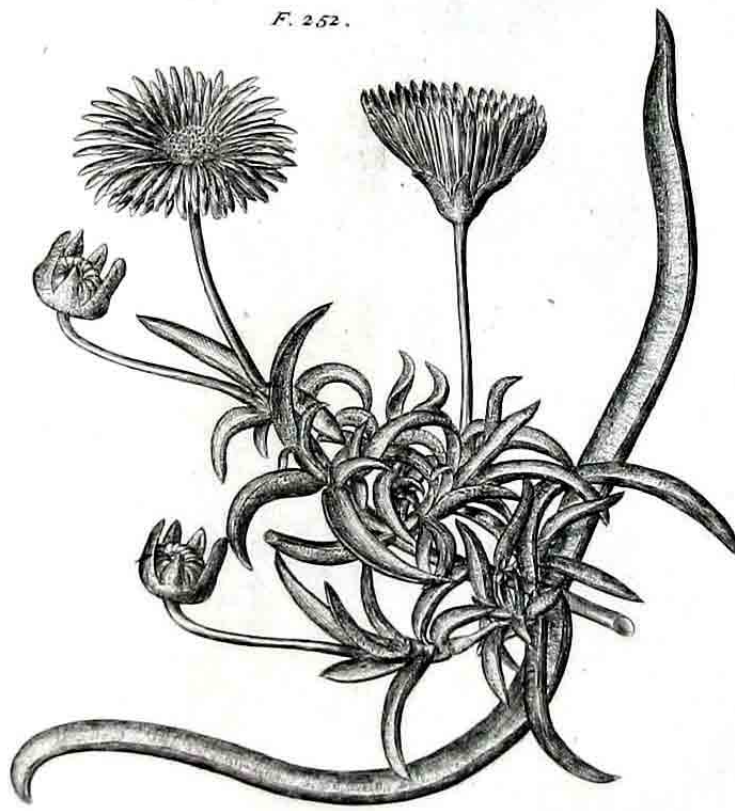

*Mesembryanthemum purpureum scabrum,  
staminibus expansis.*

*Mesembryanthemum uncinatum scabrum petalis pur-  
pura circumadatis.*

*Mesembryanthemum purpureum scabrum, staminibus collectis.*

F. 252.

*Mesembryanthemum folis corniculatis brevioribus.*

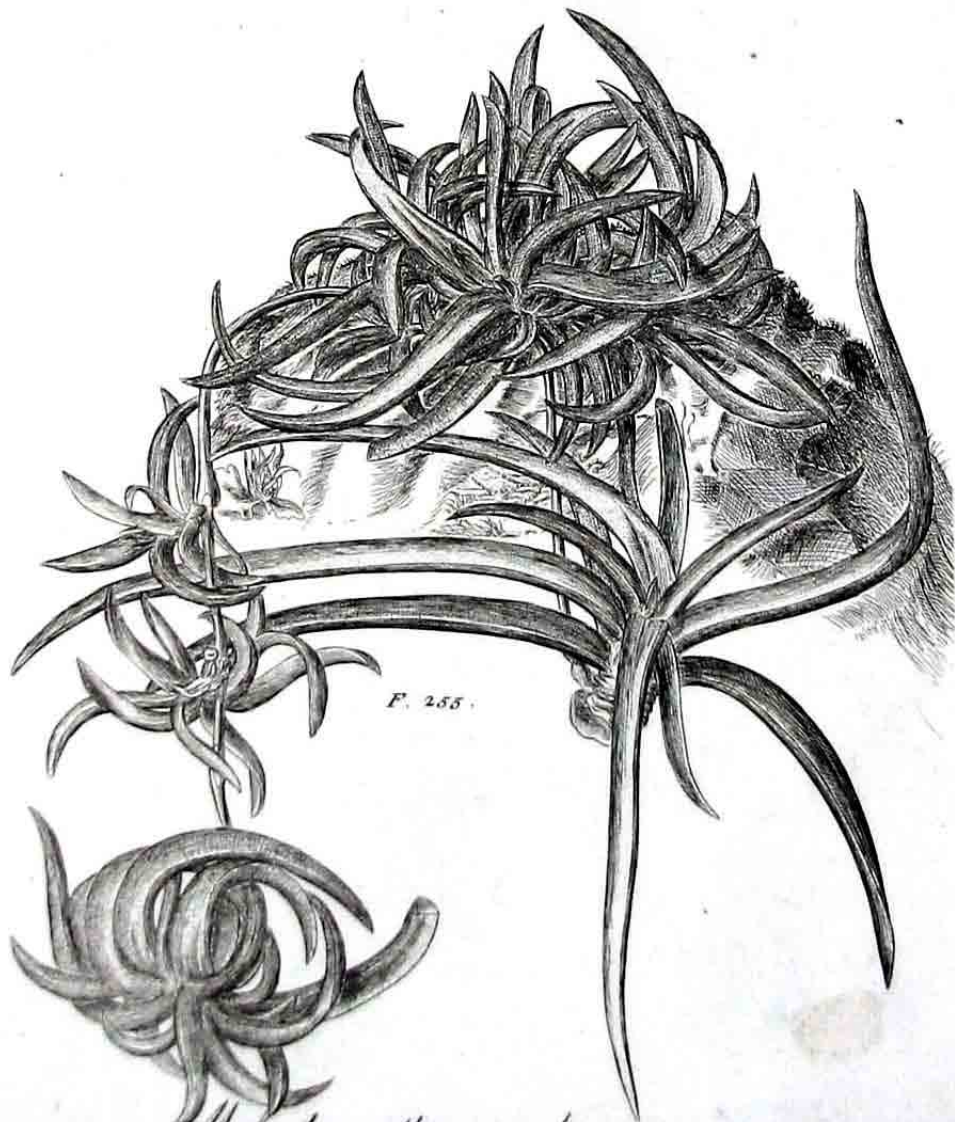

T. 262.

F. 253.

T. CXCIX.

*Mesembryanthemum* foliis corniculatis longioribus.  
*Siccidas* Afr. folio longissimo, nonnunquam denticulato,  
flore luteo Herm.

F. 255.

*Mesembryanthemum loeum.*

F. 266.

T. CCI.

*Mesembryanthemum tenuifolium procumbens, flore coccineo.*

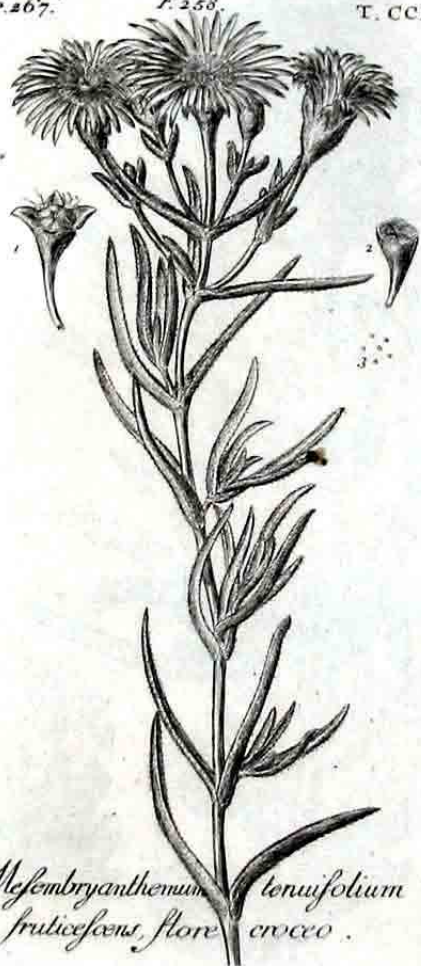

*Mesembryanthemum crassifolium repens, flore purpureo.*

P. 267.

F. 258.

T. CCH.

*Mesembryanthemum tenuifolium*  
*fruticifera, flore croceo.*

F. 259.

*Mesembrianthemum foliis verruculiformibus, floribus melius  
umbellatis.*

P. 270.

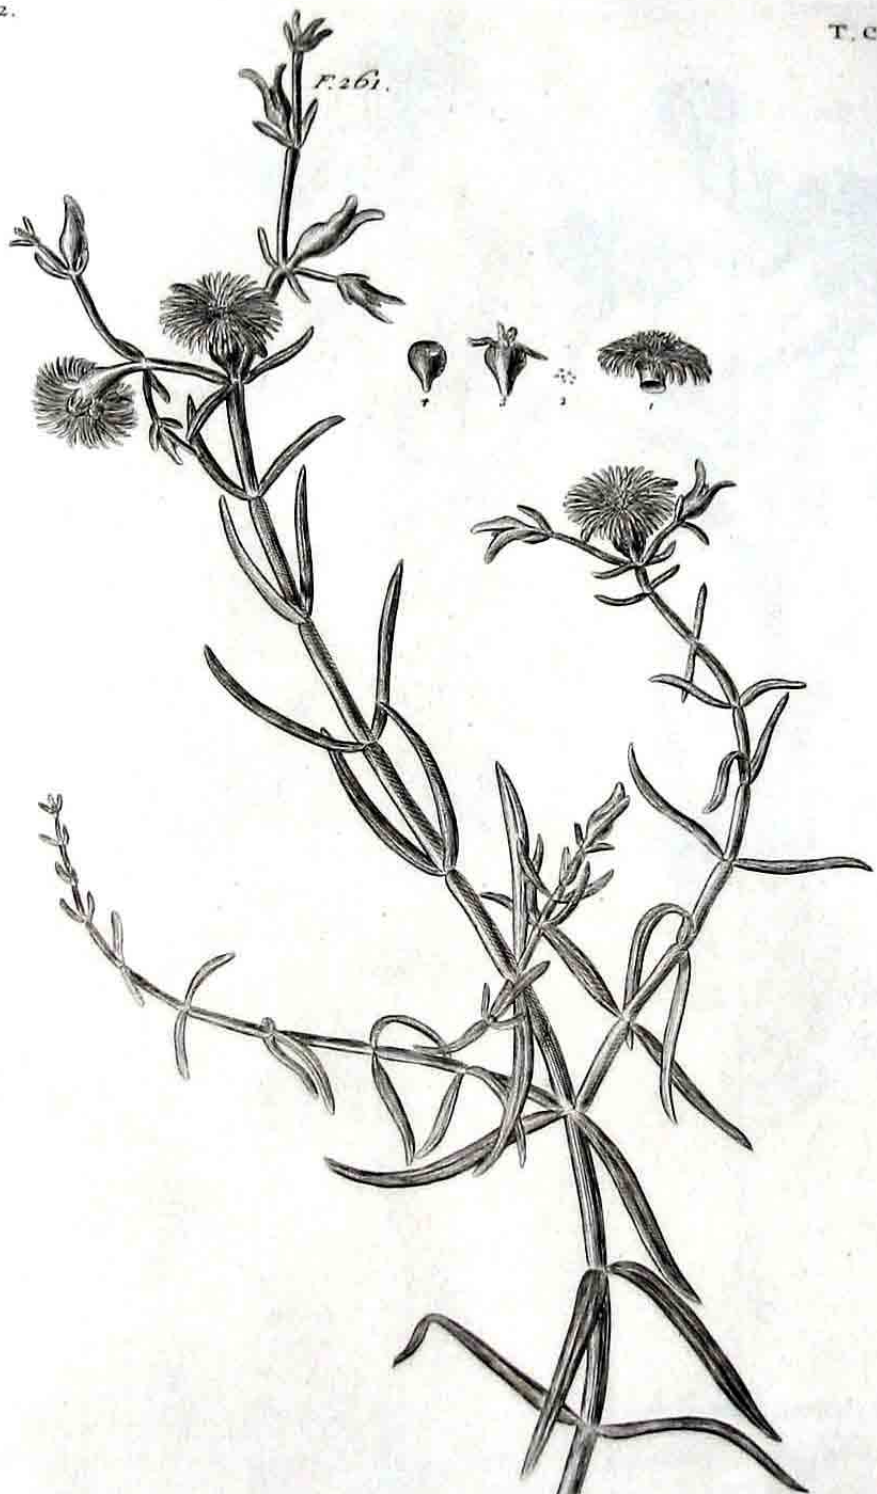

T. CCIV.

F. 260.

*Mesembryanthemum foliis confertis splendidibus, flore pallido.*

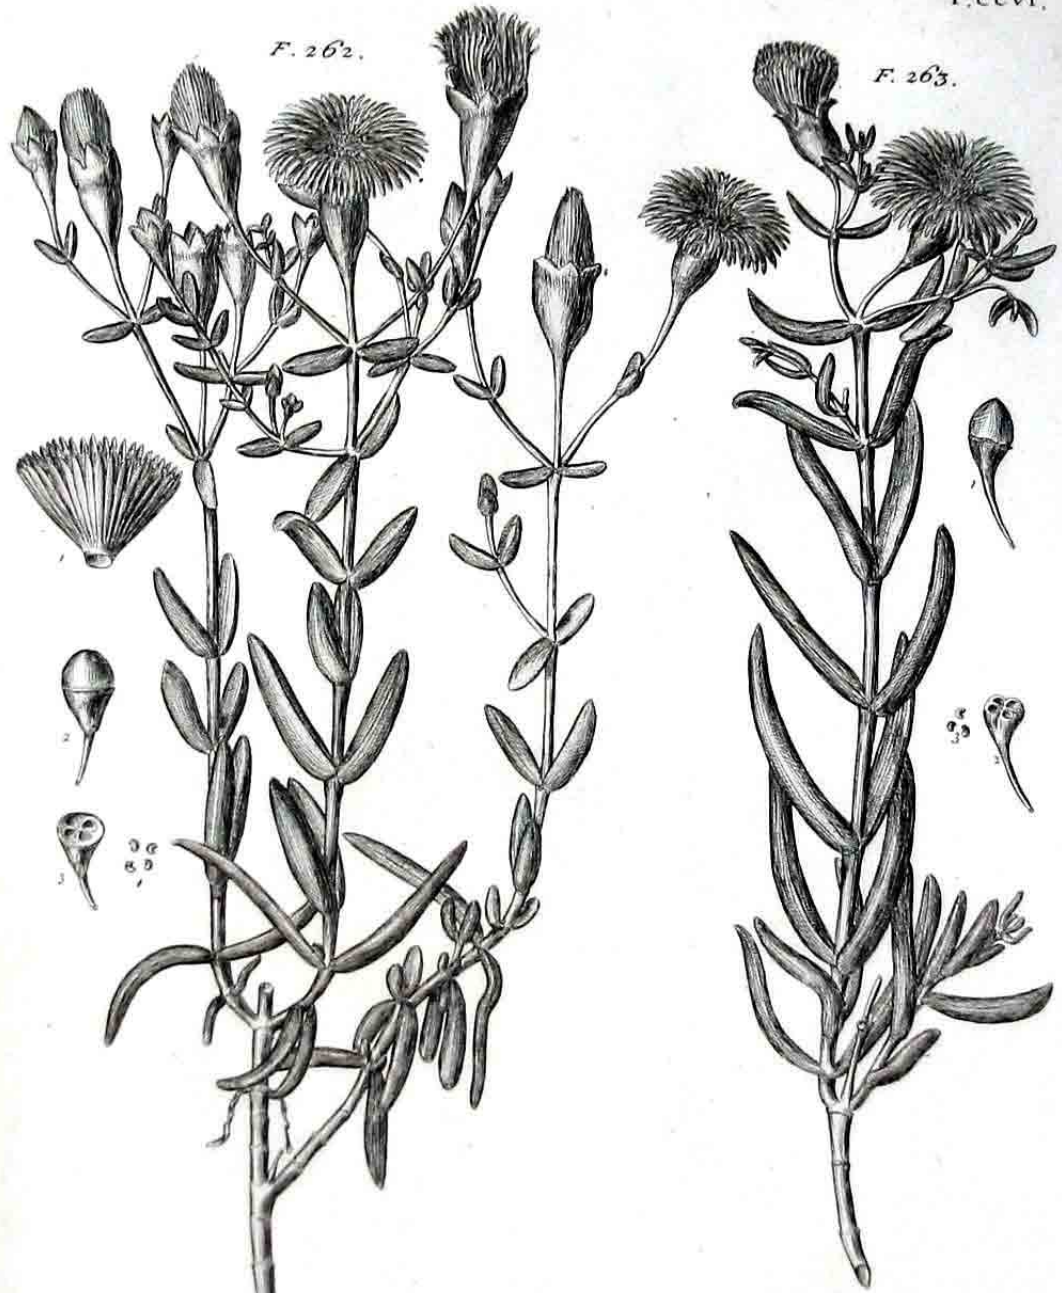

F. 261.

*Mesembryanthemum Capense geniculiflorum. Neapolitanum creditum.*

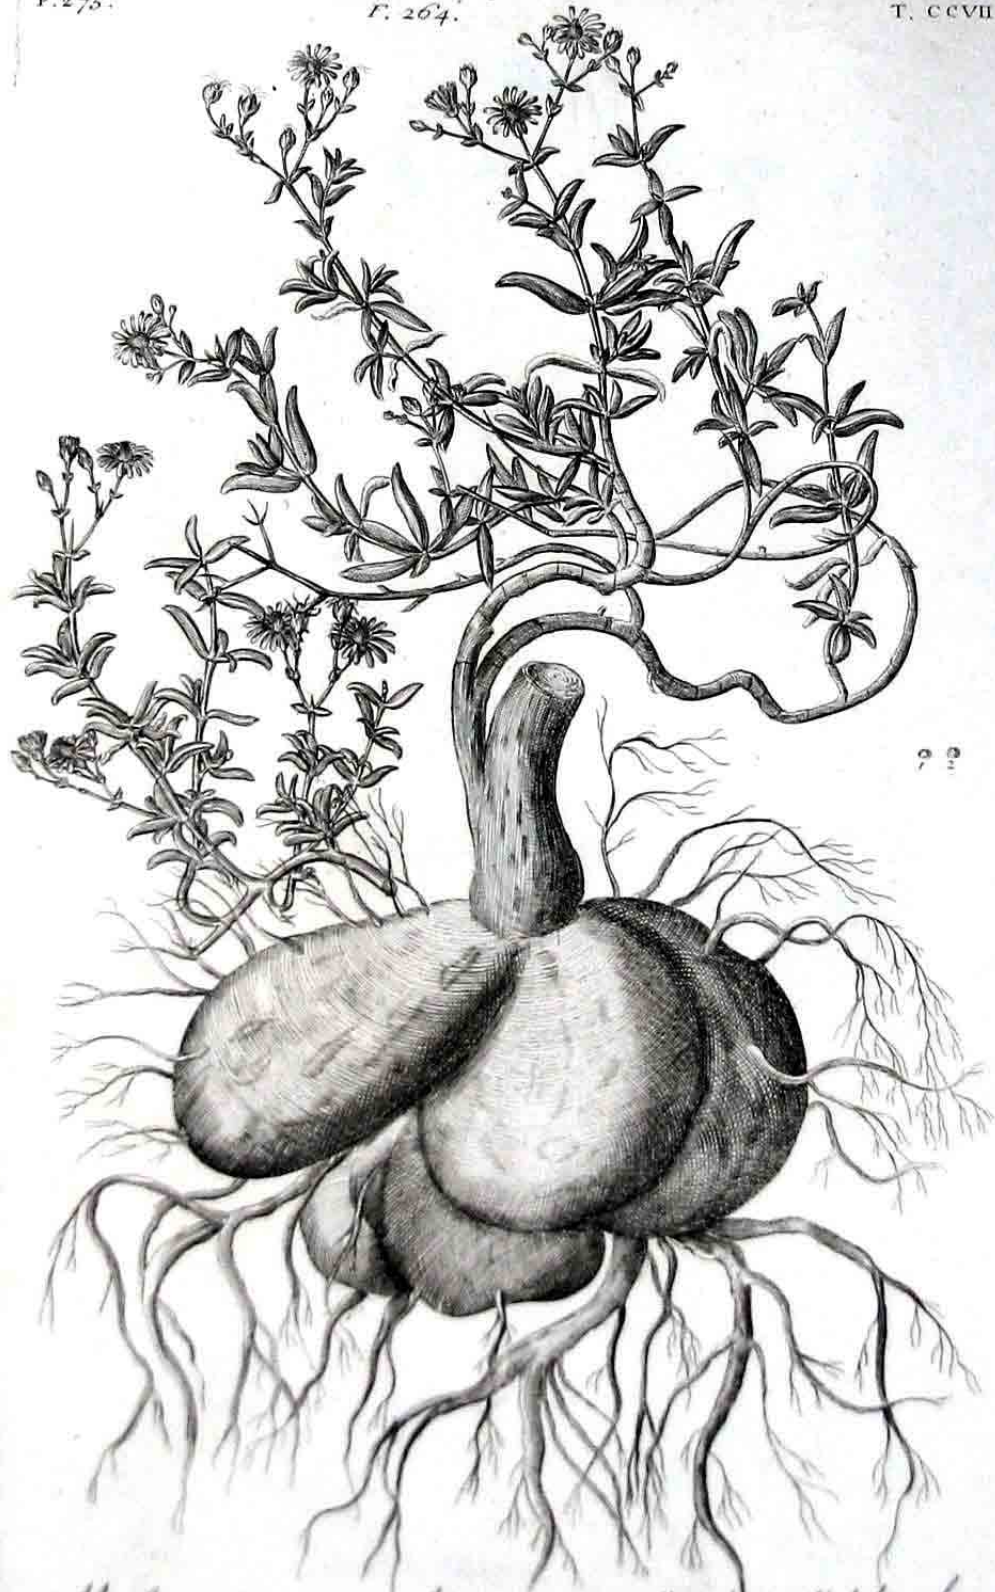

F. 262.

F. 263.

*Mesembryanthemum noctiflorum*, flore  
 intus candido, extus phoeniceo odorat-  
 tissimo.

*Mesembryanthemum noctiflo-  
 rum*, flore intus candido, extus  
 stramineo, odoratissimo.

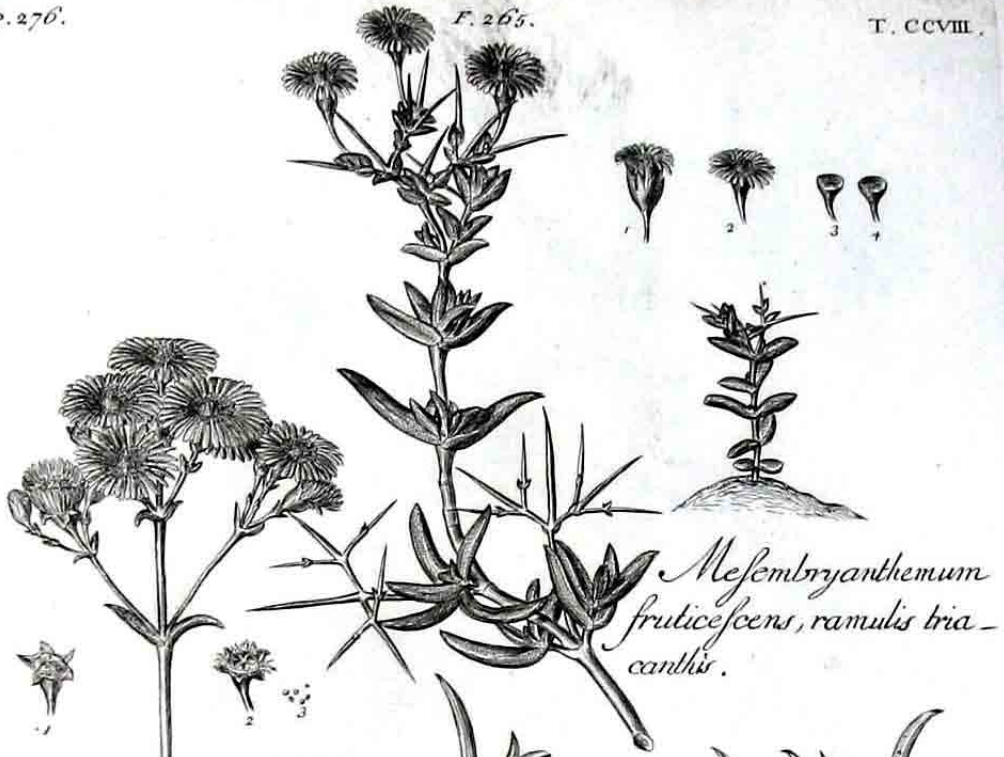

*Mesembryanthemum fruticosum, radice ingenti tuberosa.*

P. 276.

F. 265.

T. CCVIII.

*Mesembryanthemum frutescens, ramulis triacanthis.*

F. 266.

*Mesembryanthemum frutescens, floribus albis umbellatis.*

P. 278.

T. CCIX.

F. 268.

F. 267.

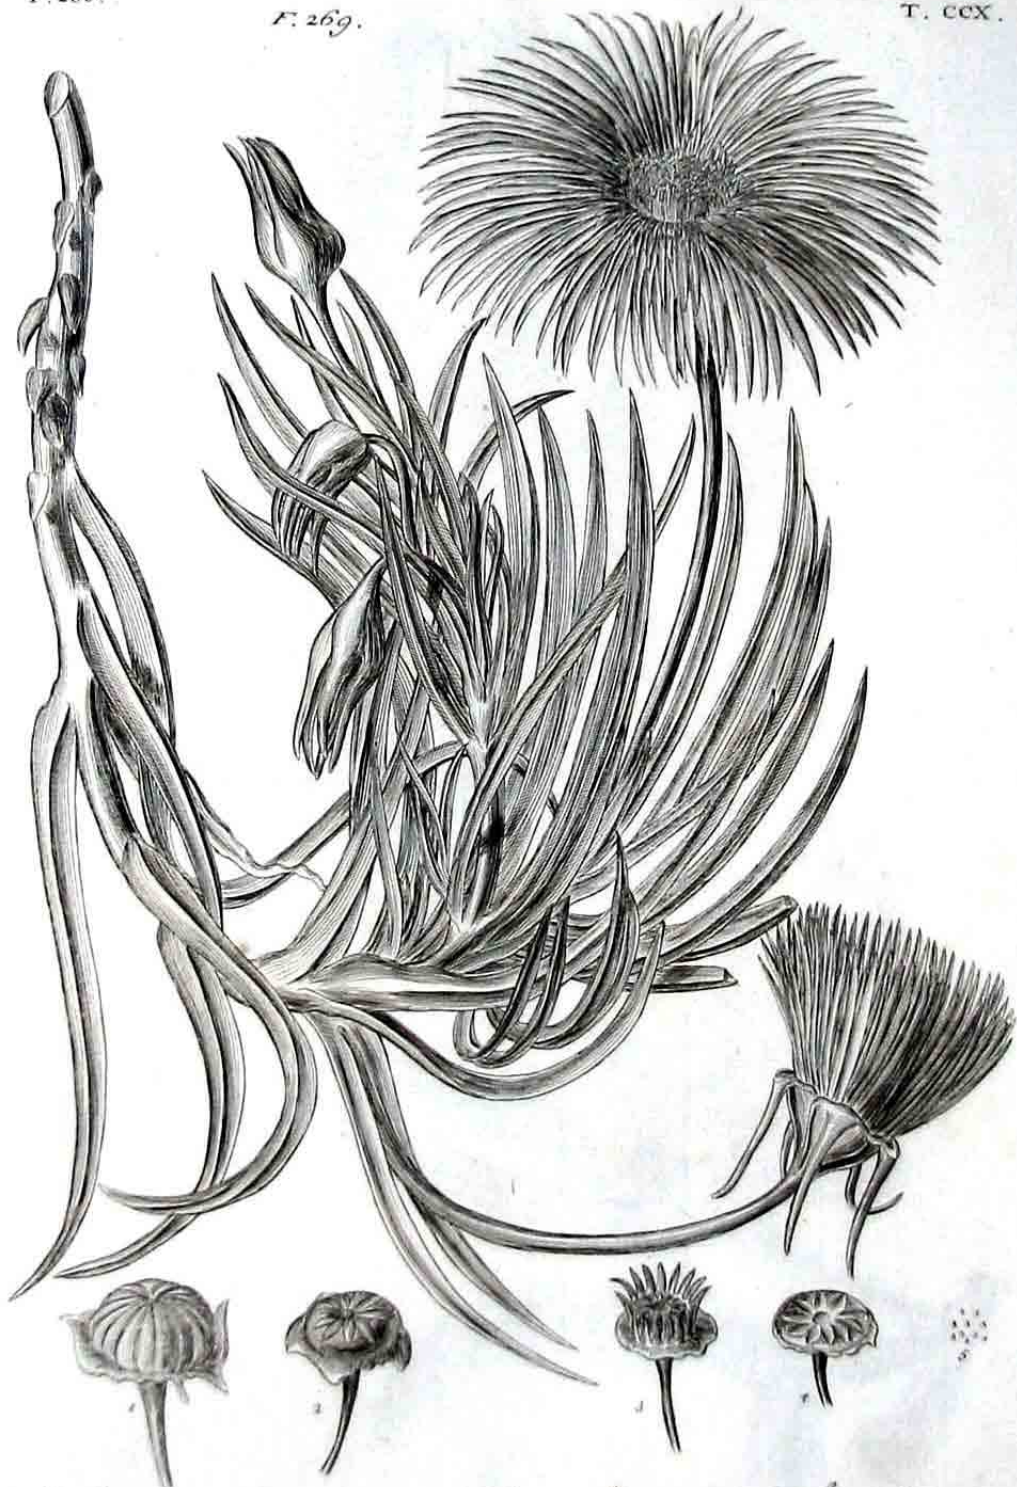

*Mesembryanthemum frutescens, flore purpureo rariore.*

P. 280.

F. 269.

T. CCX.

*Mesembryanthemum pugioniforme, flore amplo stramineo.*

F. 270.

*Mesembryanthemum acinaciforme, flore amplissimo purpureo.*

P. 284.

T. CCXII.

F. 272.

*Mesembryanthemum falcatum majus,*  
*flore amplo luteo.*

F. 271.

*Mesembryanthemum acinaciforme* &c.

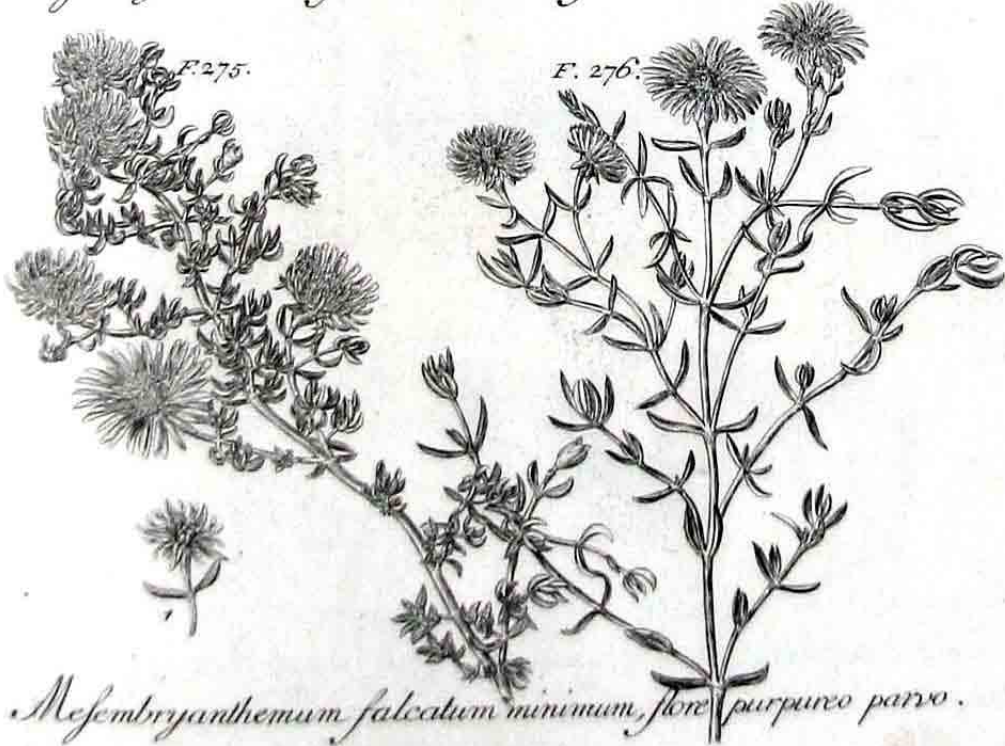

F. 273.

*Mesembryanthemum falcatum majus* flore purpureo mediocri.

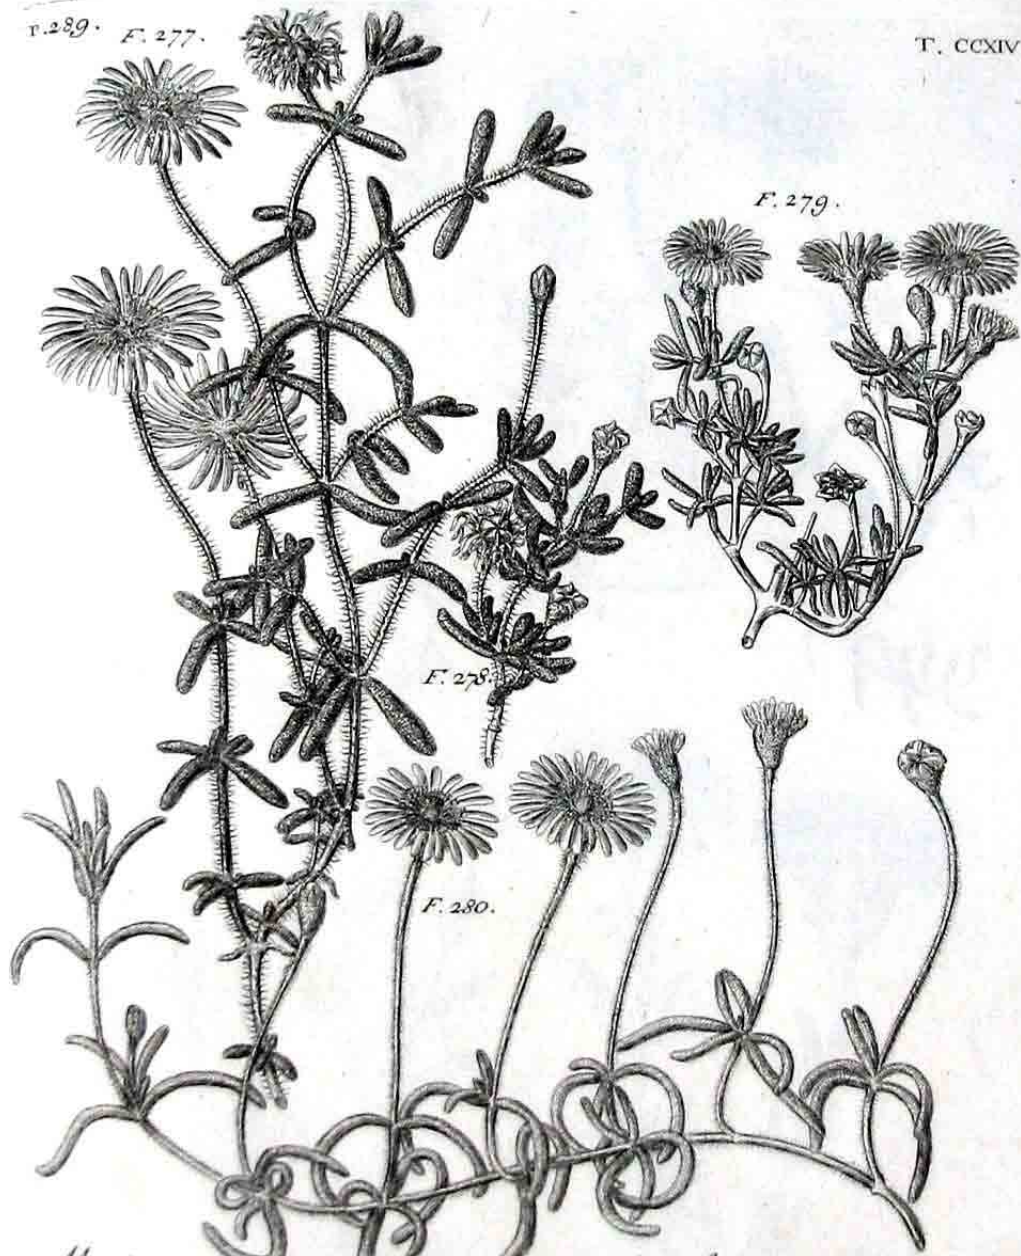

*Mesembryanthemum falcatum minus, flore carneo minore.*

*Mesembryanthemum falcatum minimum, flore purpureo parvo.*

T. 289. F. 277.

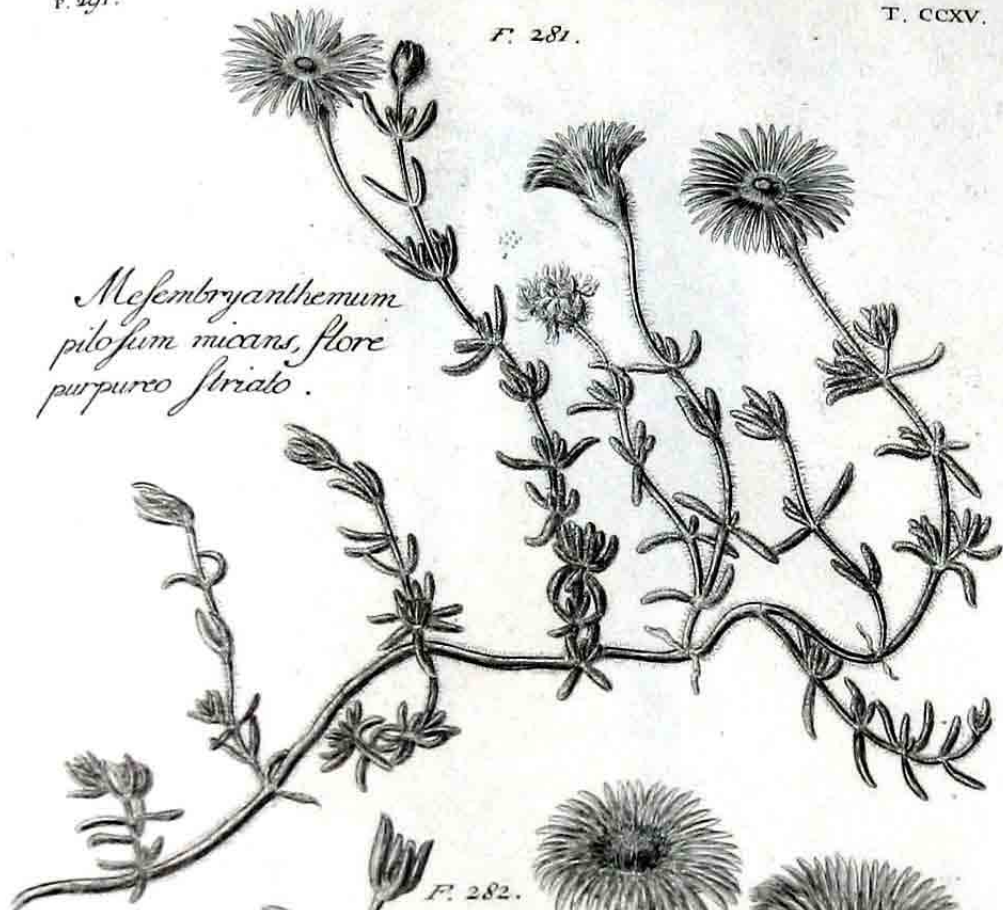

T. CCXIV.

*Mesembryanthemum pilosum micans, flore saturanter purpureo.*  
*Mesembryanthemum pilosum micans, flore purpureo pallidior.*

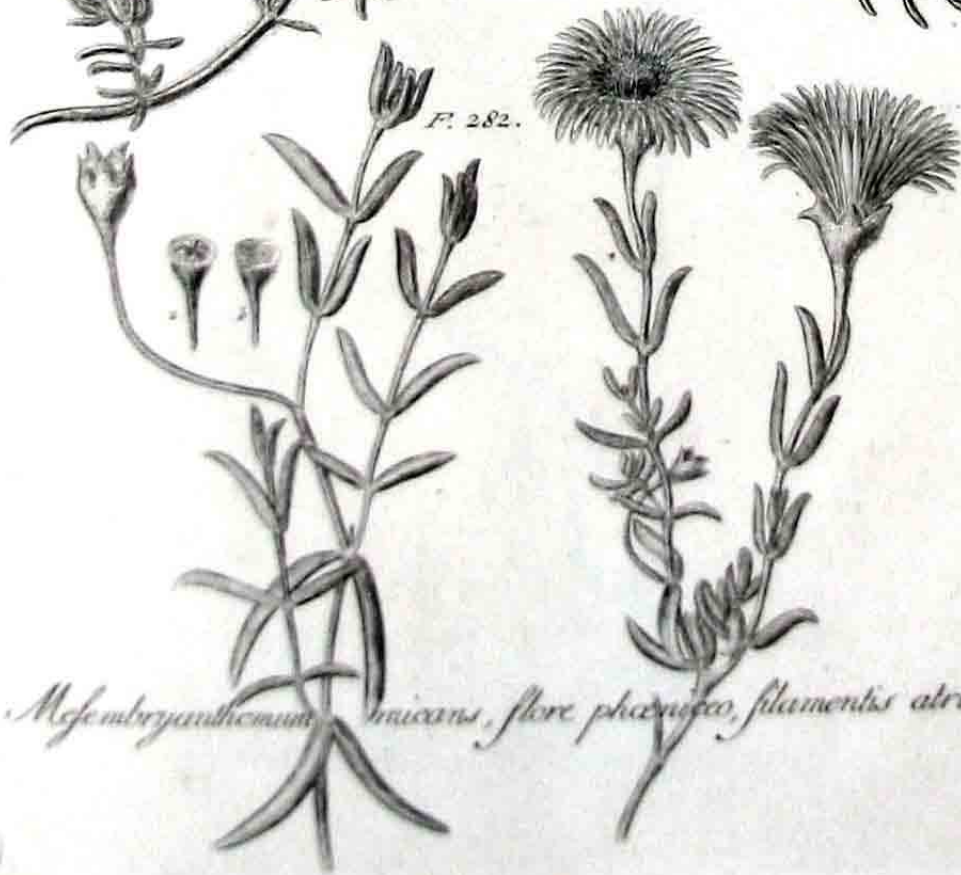

F. 281.

*Mesembryanthemum  
pilosum micans, flore  
purpureo striato.*

F. 282.

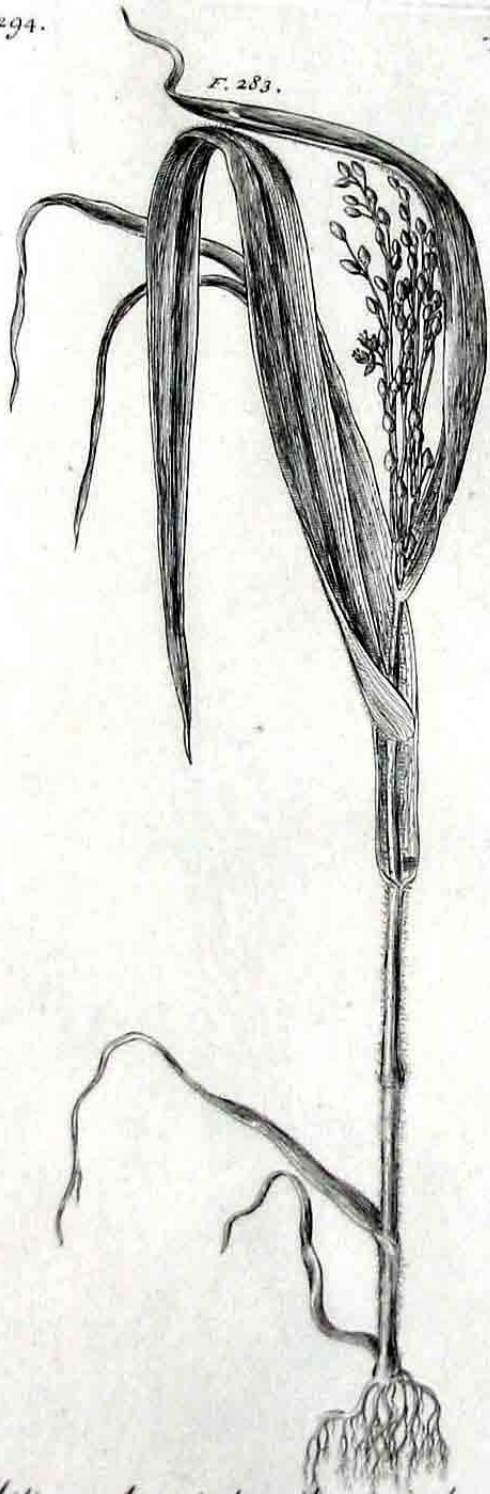

*Mesembryanthemum micans, flore phæniceo, filamentis atris.*

P. 294.

T. CCXVI.

F. 283.

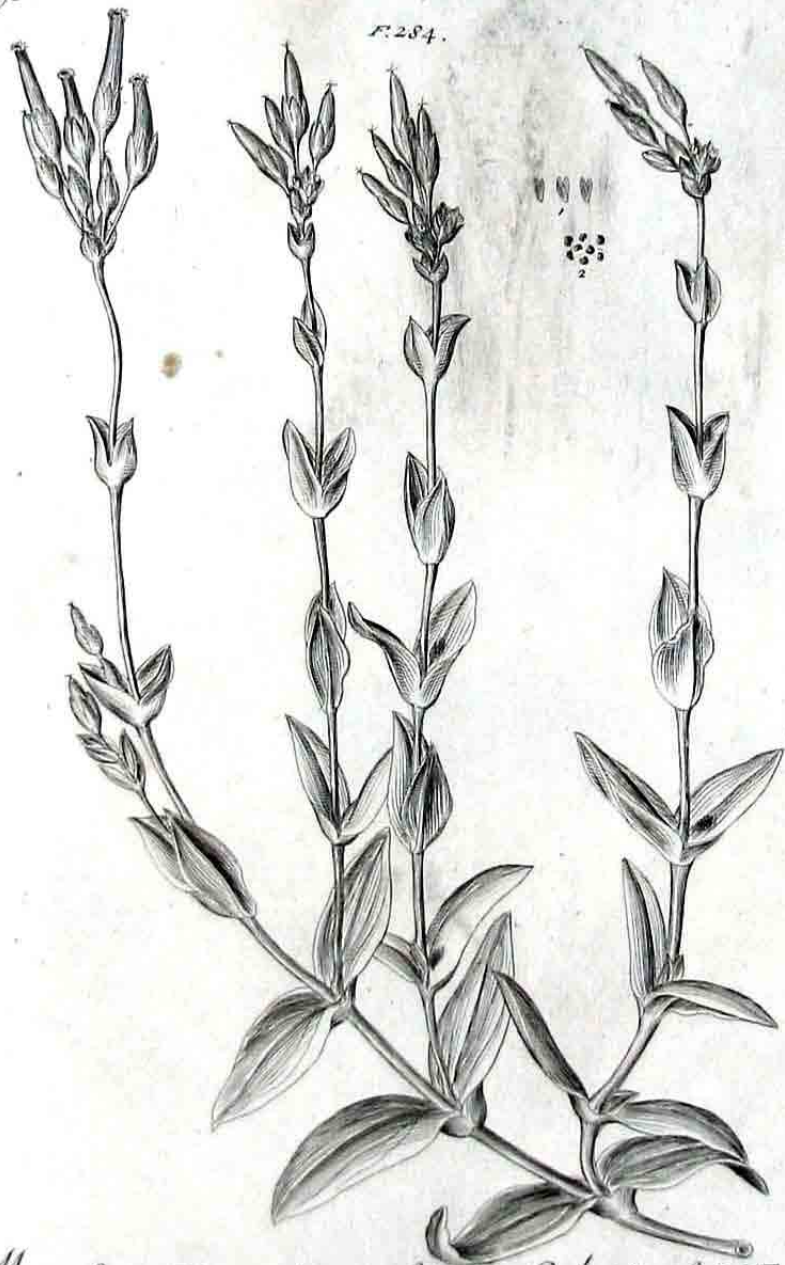

00

*Milium Americ. humile, panucula rara.*

P. 295.

F. 284.

T. CCXVII.

*Myosotis Orientalis perfoliata, Lychnidis folio* TOURN.

P. 290.

T. CCXVIII.

*Obeliscothecca integrifolia* radio auro, umbone atr. rubente.

p. 297.

T. CCXIX.

F. 286.

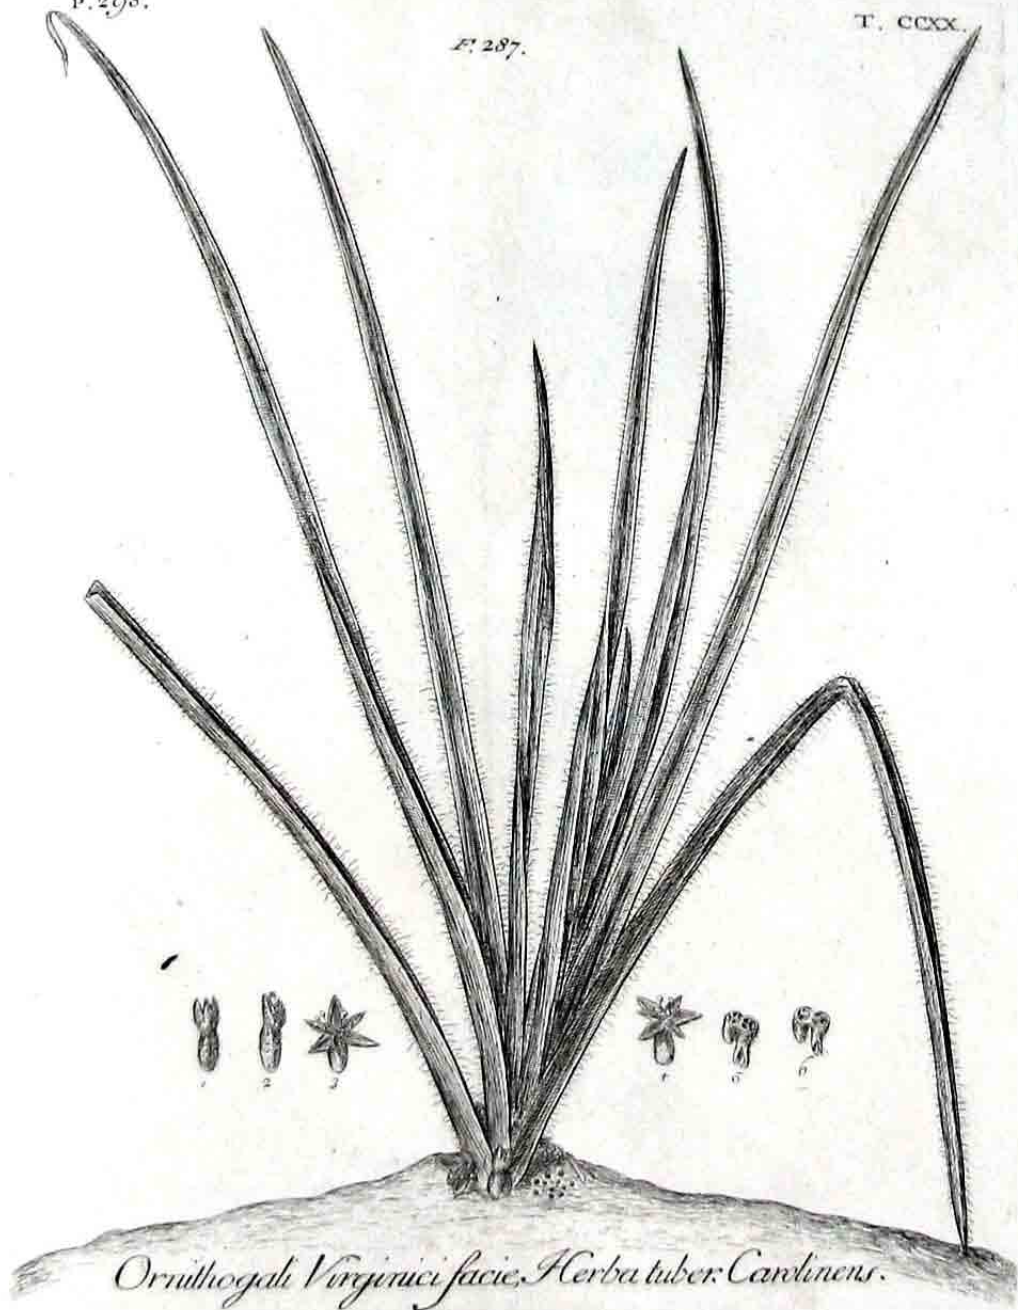

*Oncagra Bonariensis villosa, flore mutabili.*

P. 298.

F. 287.

T. CCXX.

*Ornithogali Virginici facie. Herba tuber. Carolinens.*

p. 299.

F. 288.

T. CCXXI.

*Oxys lutea Americana, humilior et annua.*

P. 500.

T. CCXXII.

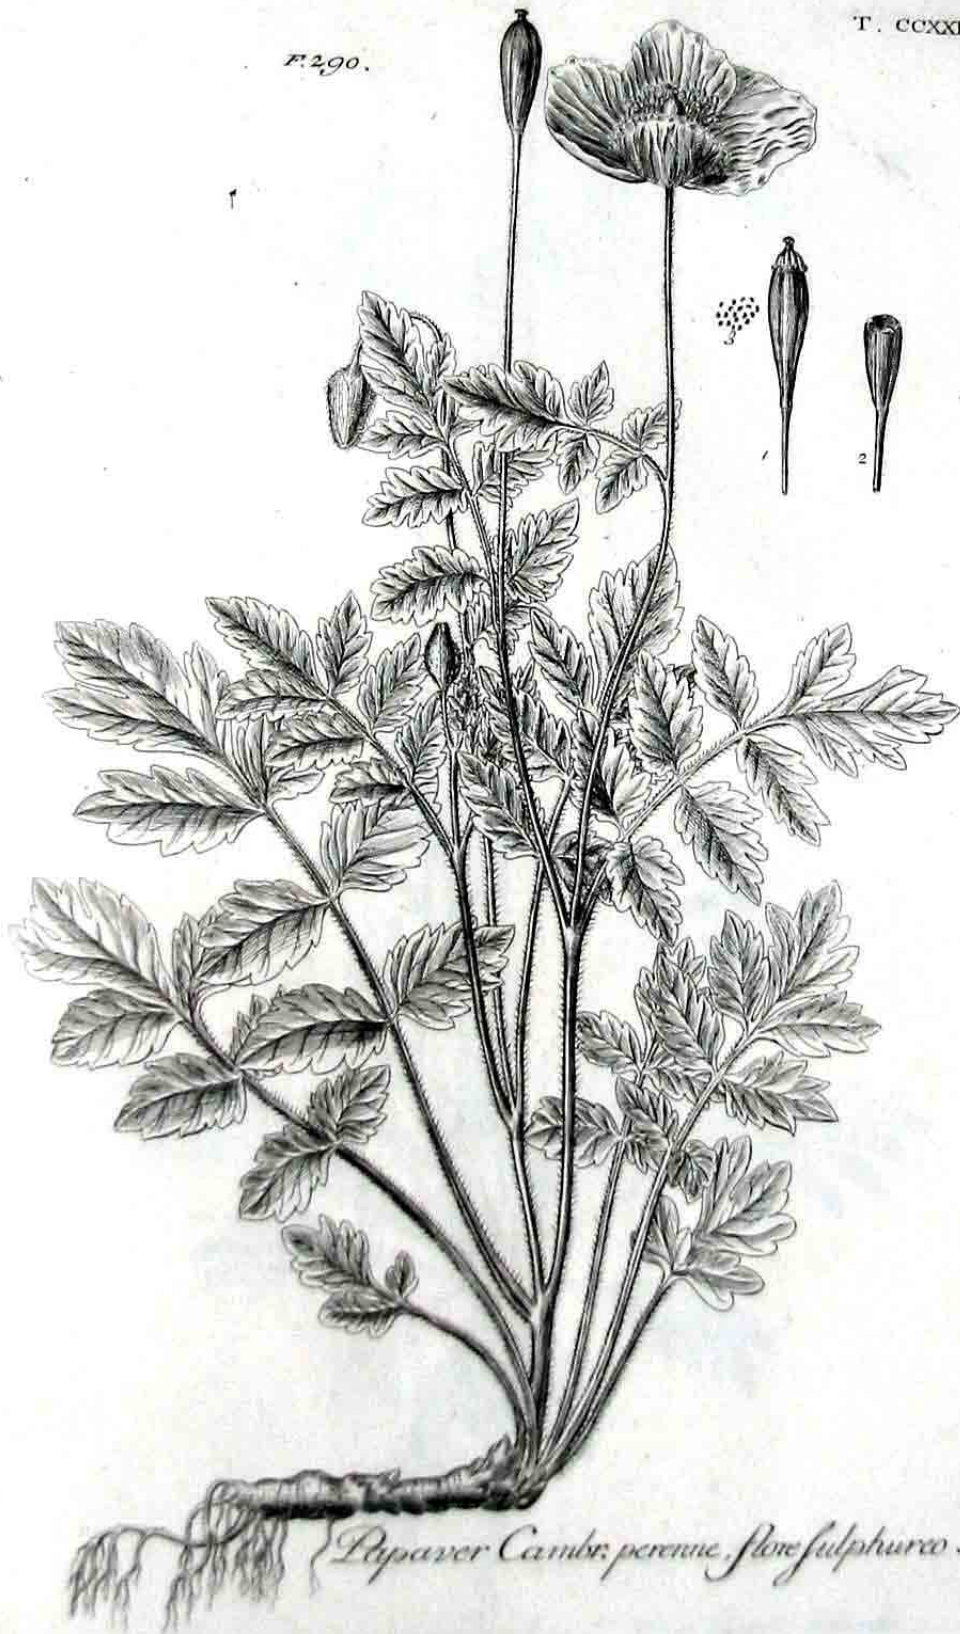

*Panorium Mexicanum,*  
*flor. gemello candido.*

Pl. 289.

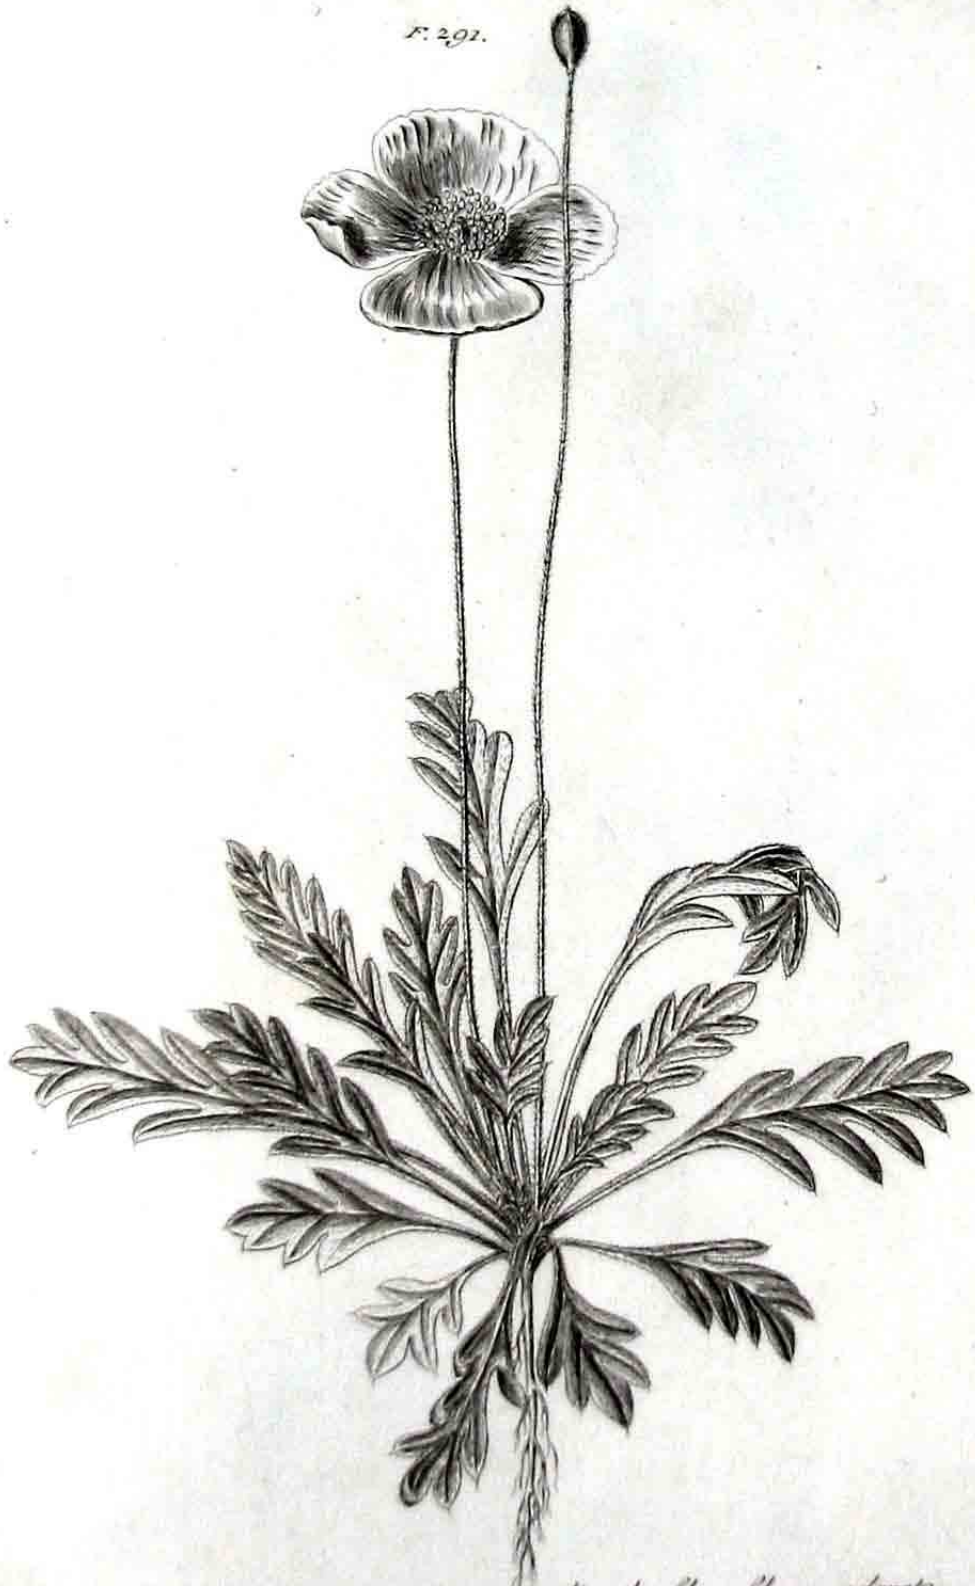

F. 290.

T. CCXXIII.

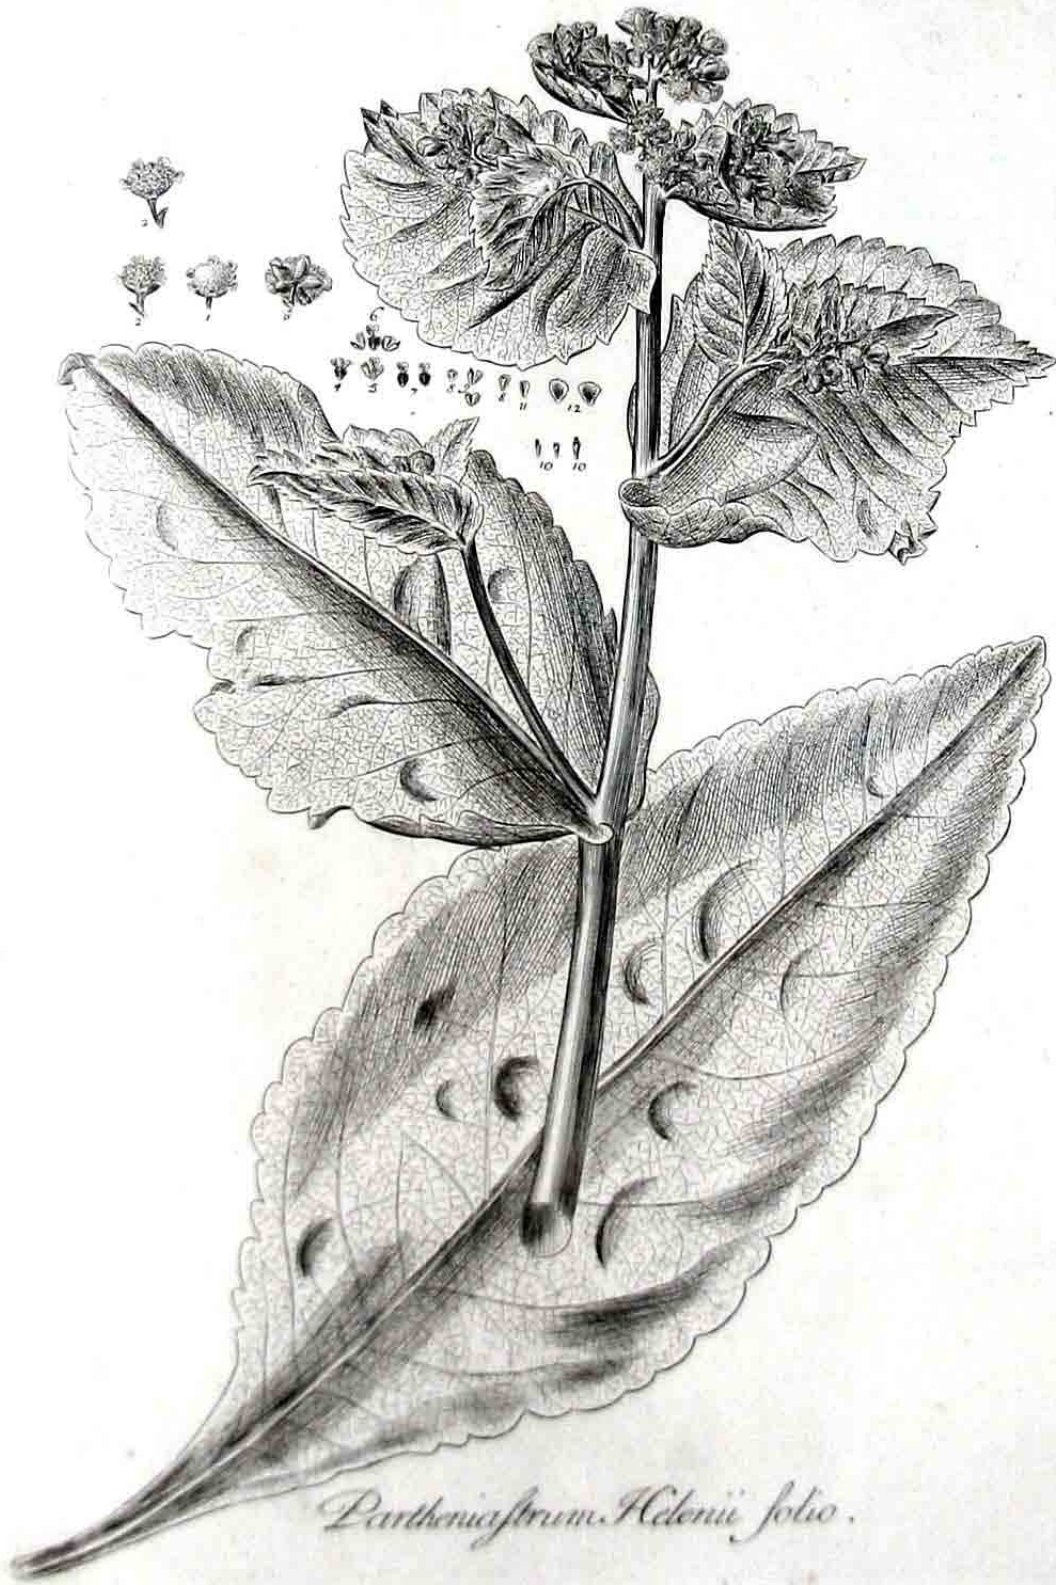

*Papaver Cambr. perenne. flore sulphureo.*

F. 201.

*Papaver erraticum nudicaule, flore flavo, odorato.*

*Parthenocentrum Helenii folio.*

P. 504.

F. 293.

T. CCXXVI.

*Patagonica foliis partim serratis, partim integris.*

p. 308

n. 294.

T. CCXXVII.

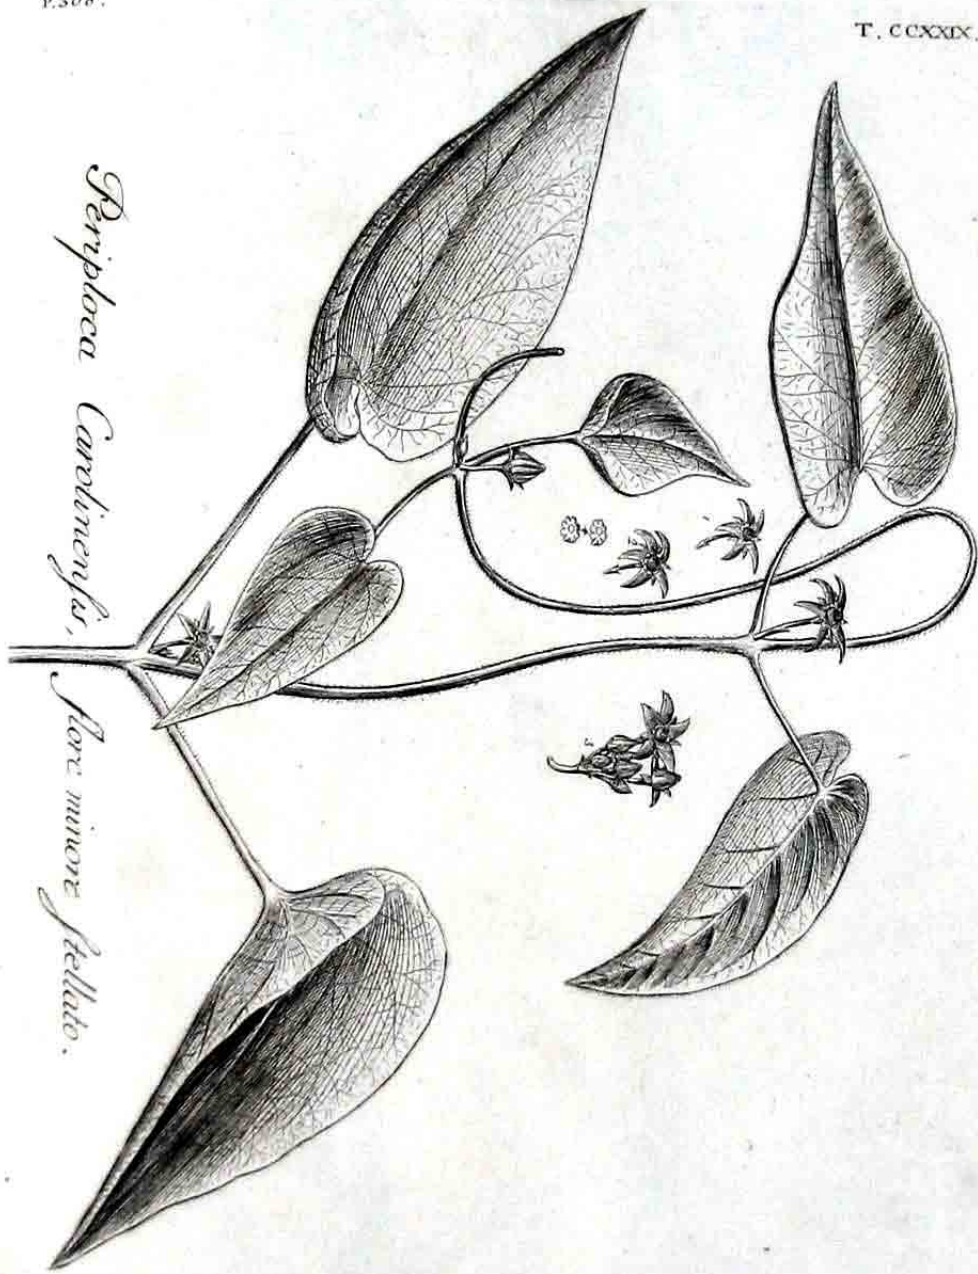

*Prestia aculeata, flore albo,  
fructu flavescente Plumier.*

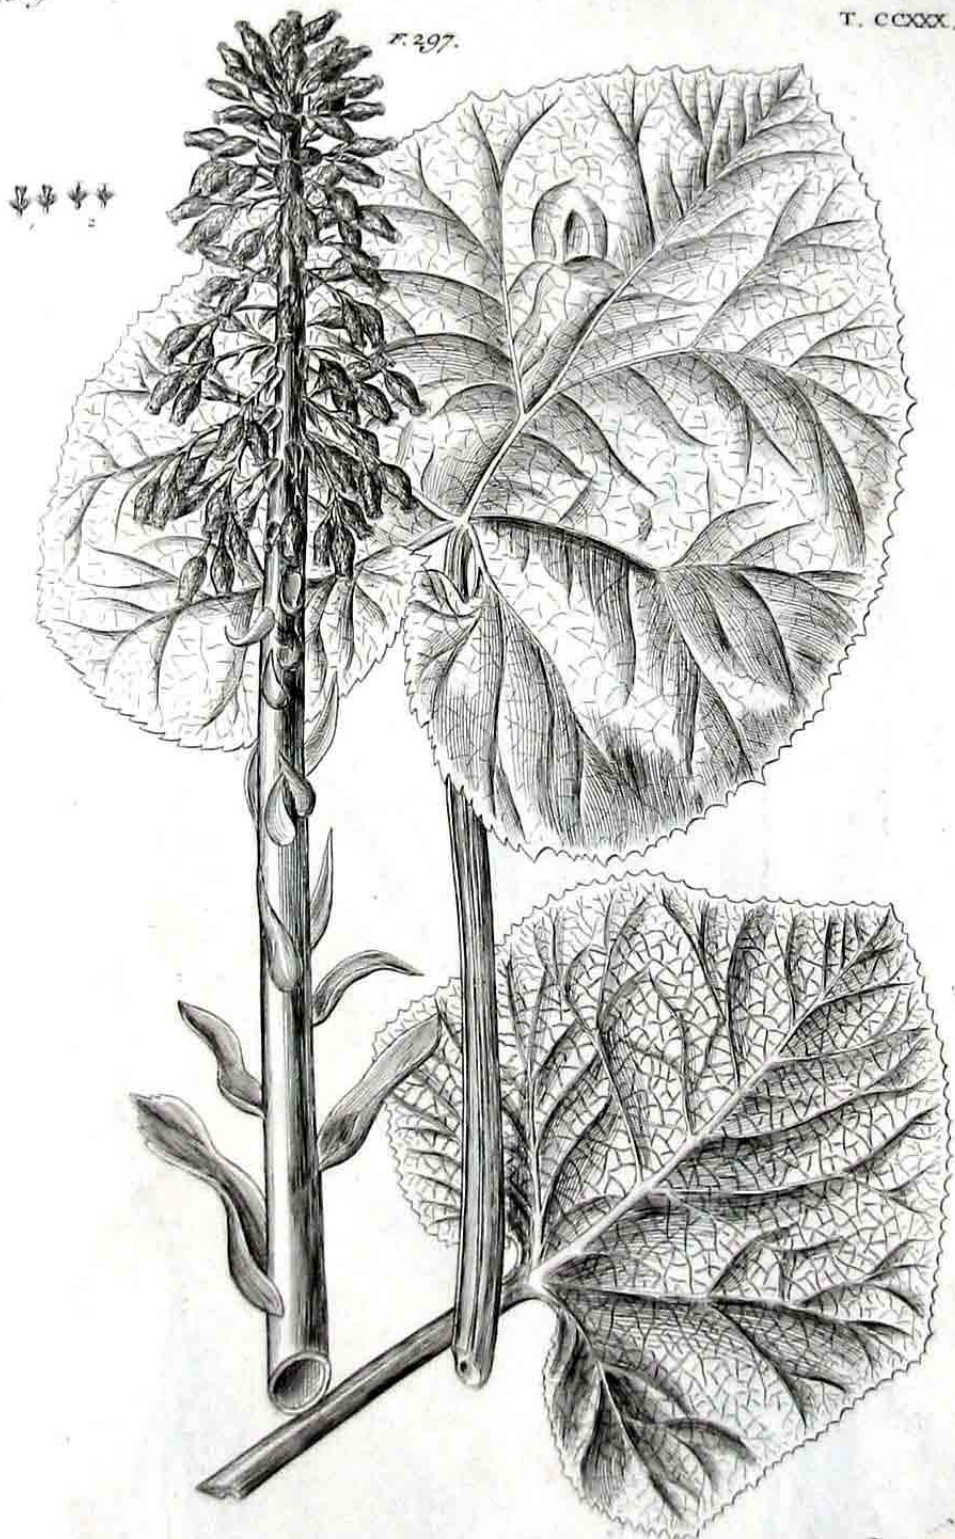

F. 295.

*Periclymenum racemosum, flore flavescente, fructu niveo* Plum.

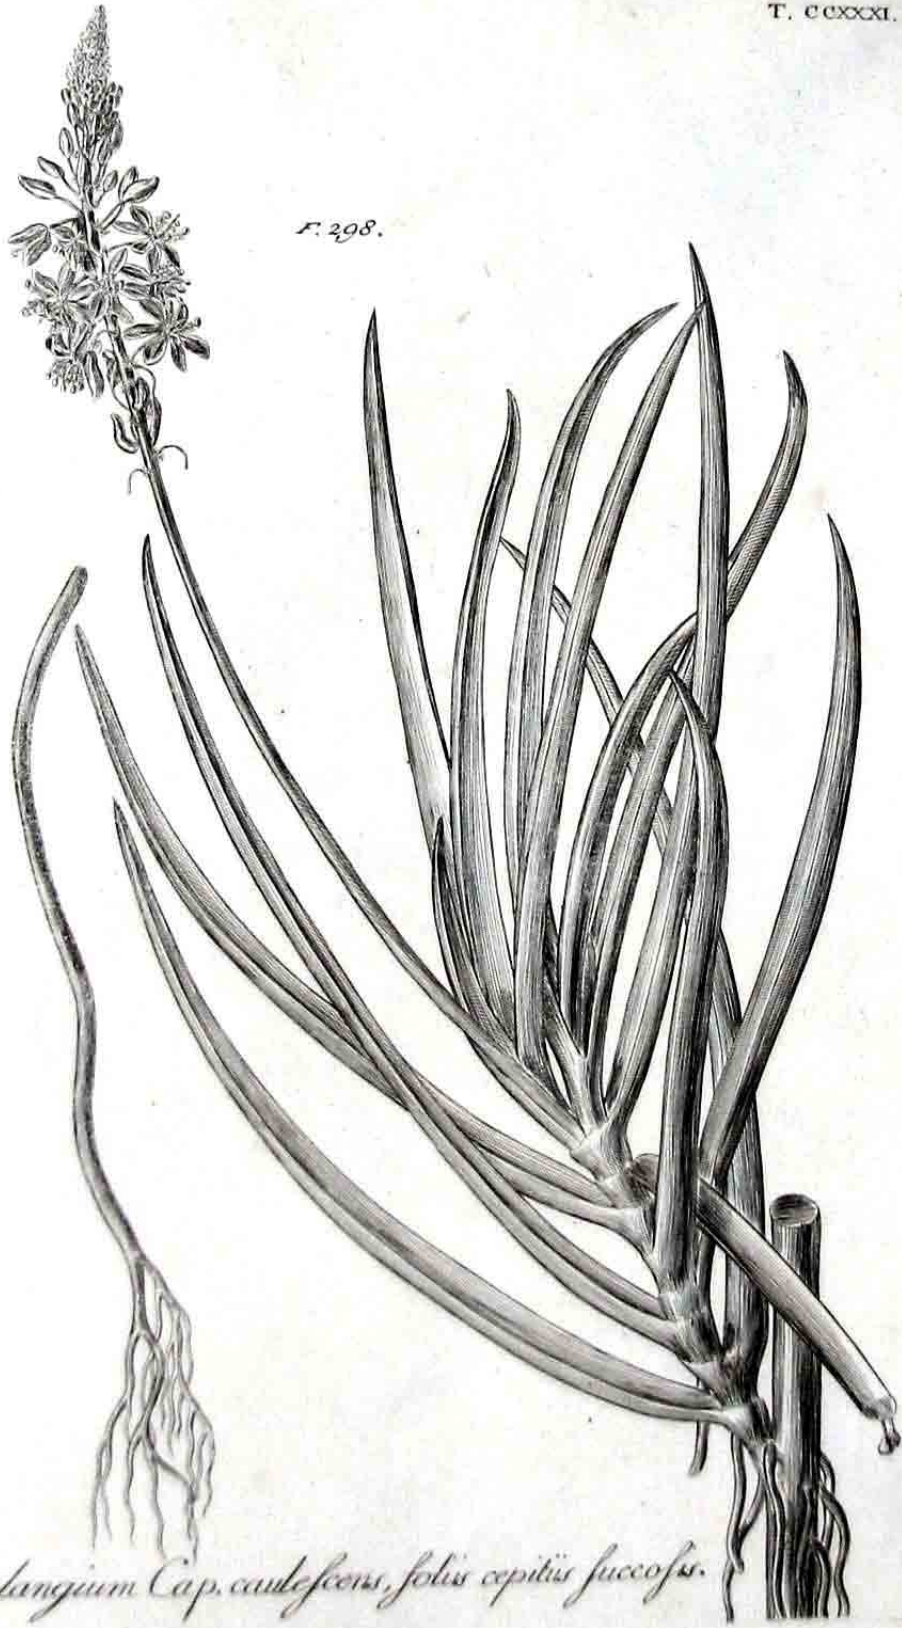

*Periploca carolinensis,*  
*flor. minore stellato.*

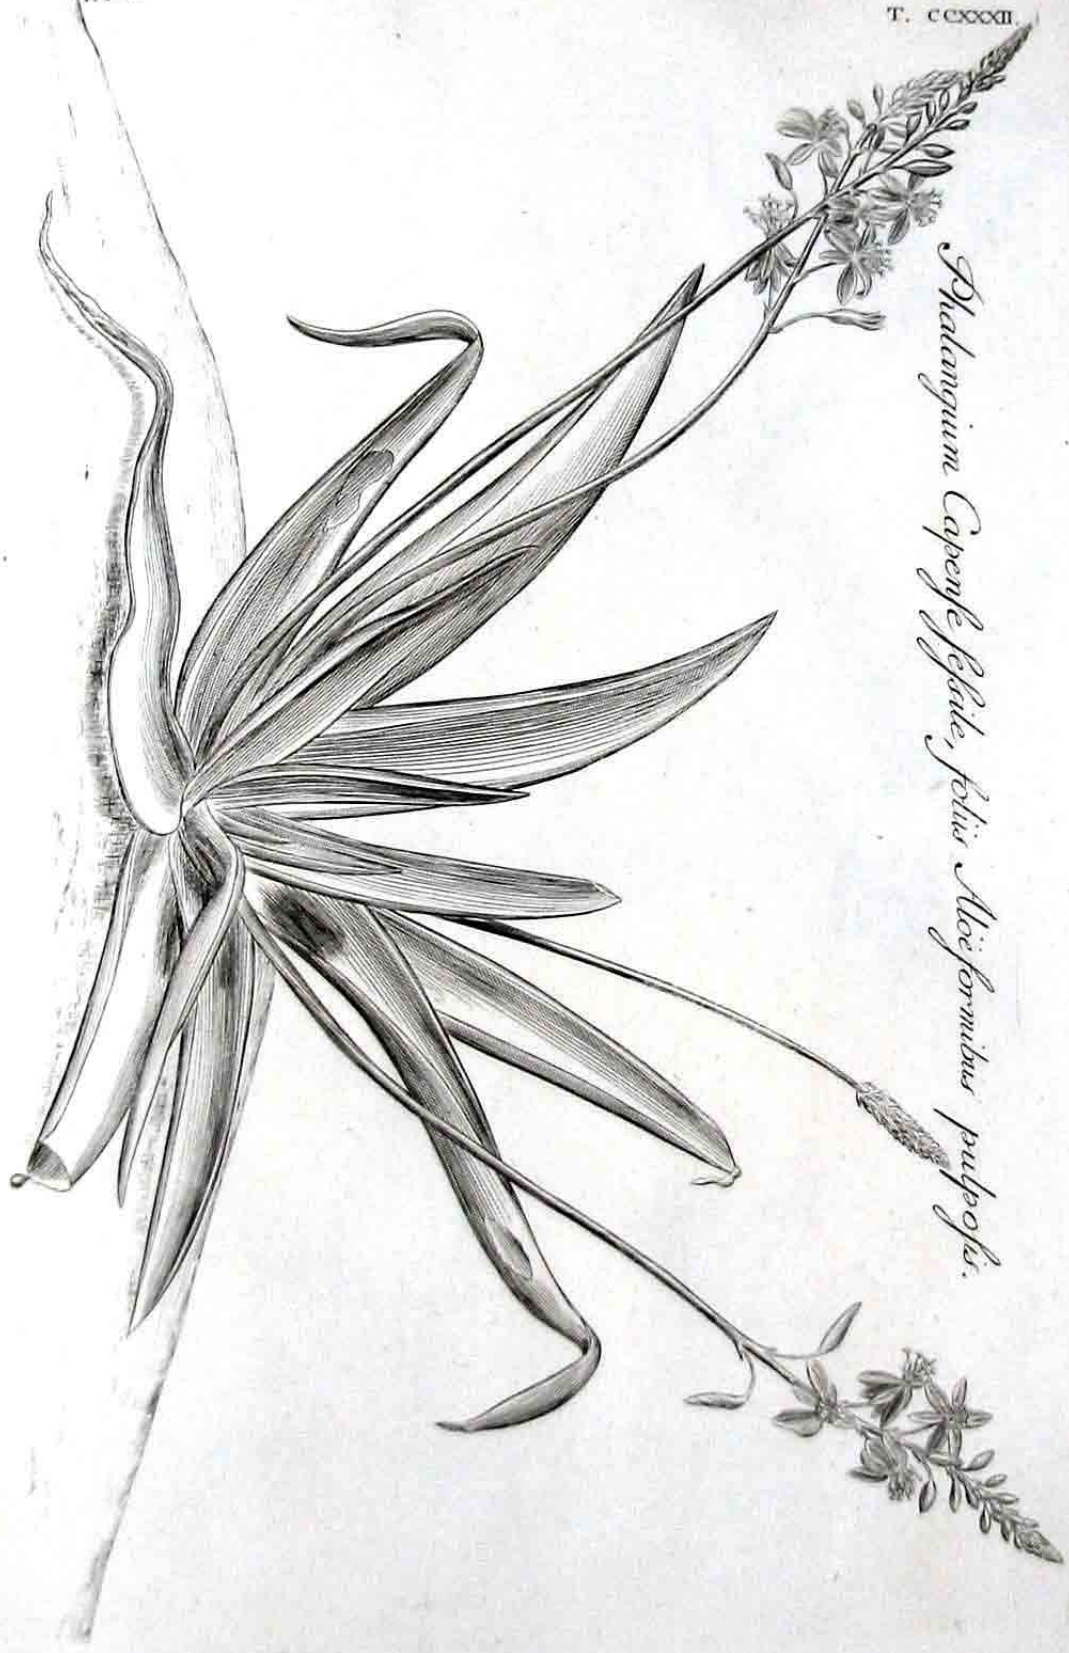

*Petasites major, floribus pediculis longis infidentibus Syn.*

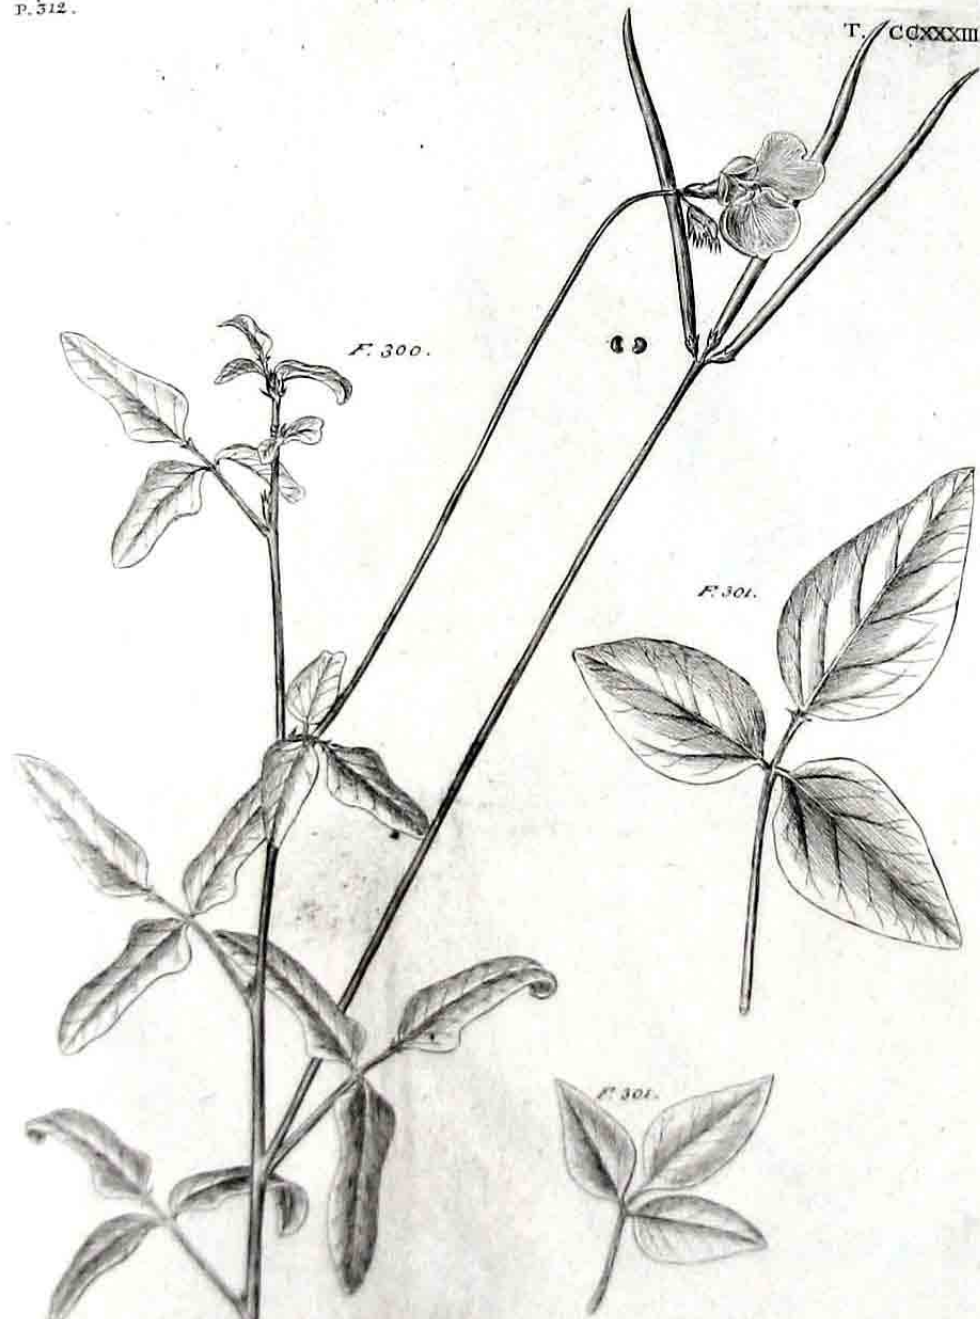

F. 298.

*Phalangium Cap. caulescens, foliis cepitis succosis.*

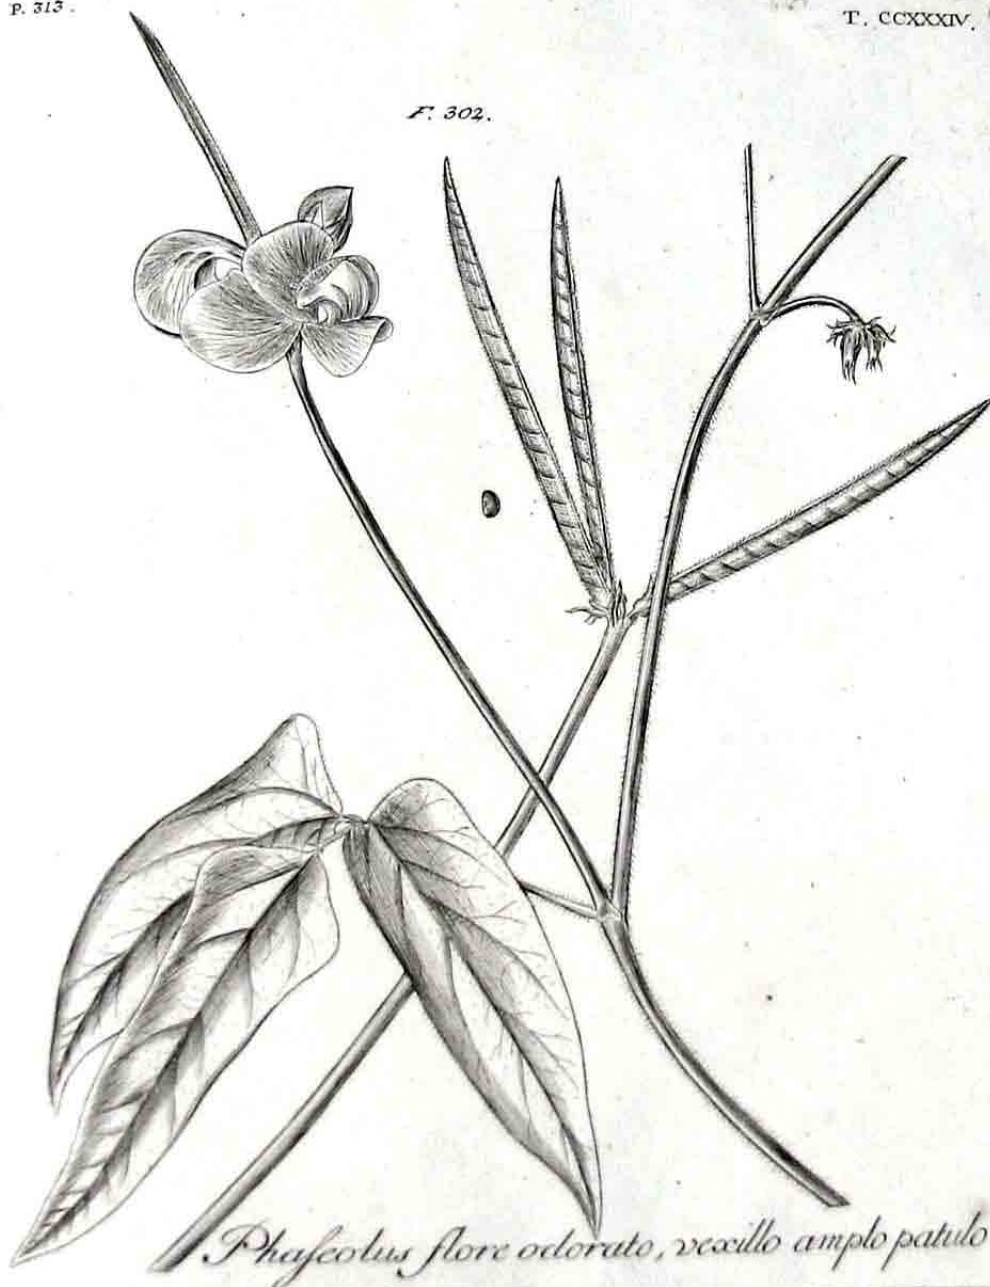

*Phalangium Capense Jacq., foliis Aloeformibus pulcherr.*

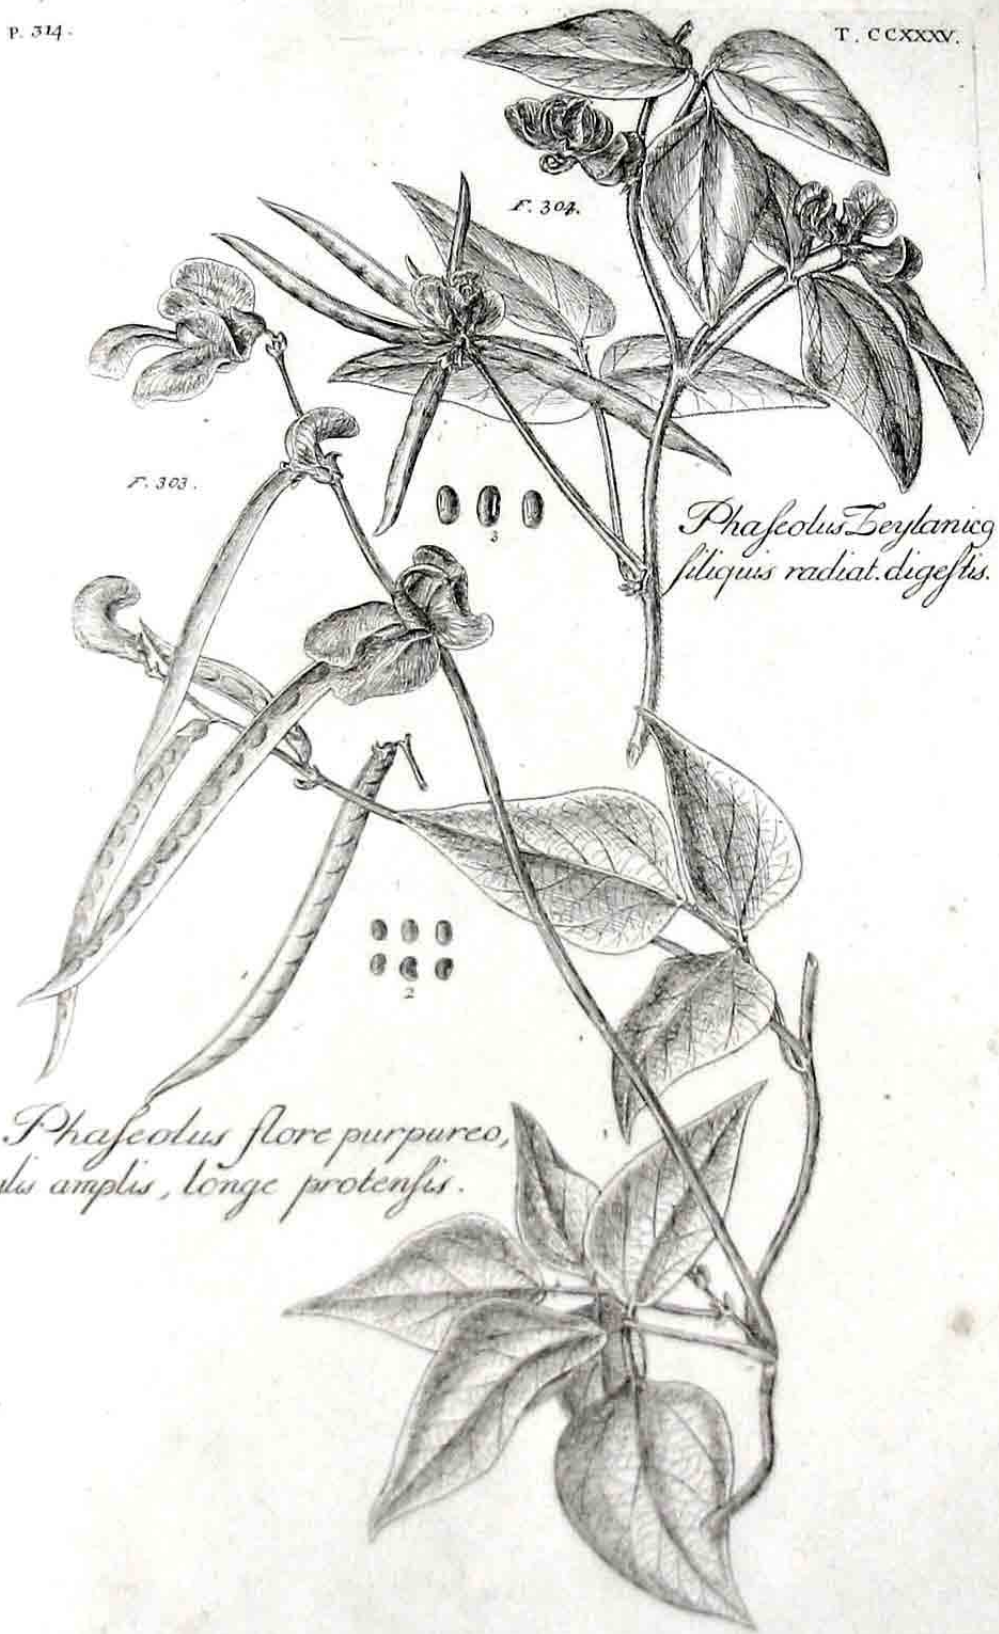

*Phaseolus flore helvoto, alis amplis patulis.*

*Phaseolus Barbadenfis erectior, filiqua angustifolia. Heru.*

F. 302.

*Phaseolus flore odorato, vexillo amplo patulo.*

*Phascolus Zeylanicus*  
*siliquis radiat. digestis.*

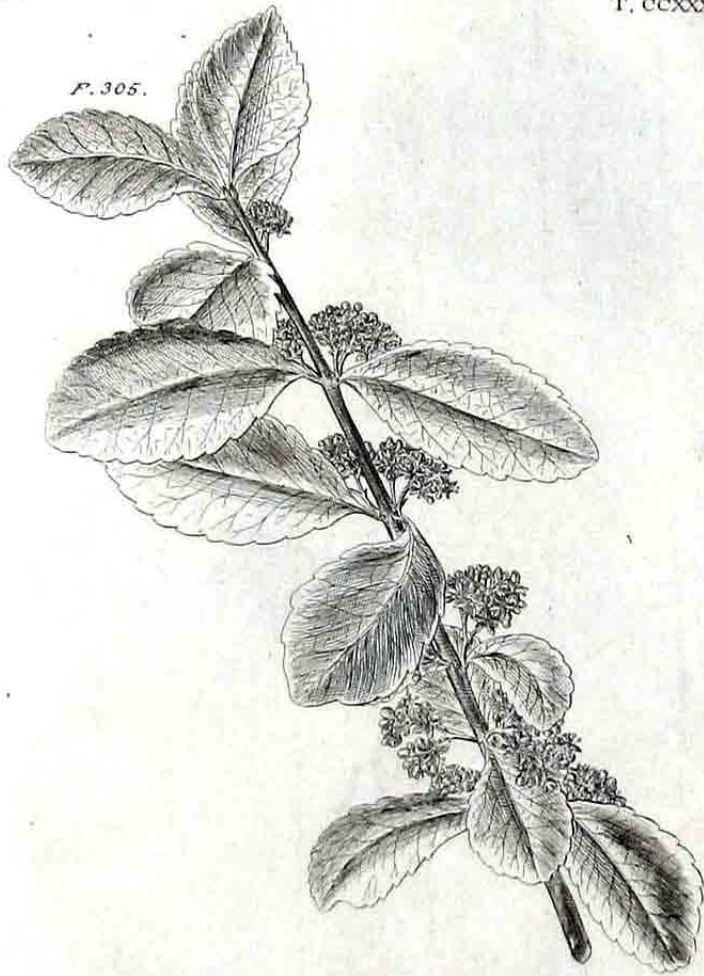

*Phascolus flore purpureo,*  
*alis amplis, longe protensis.*

P. 515.

T. CCXXXVI.

P. 305.

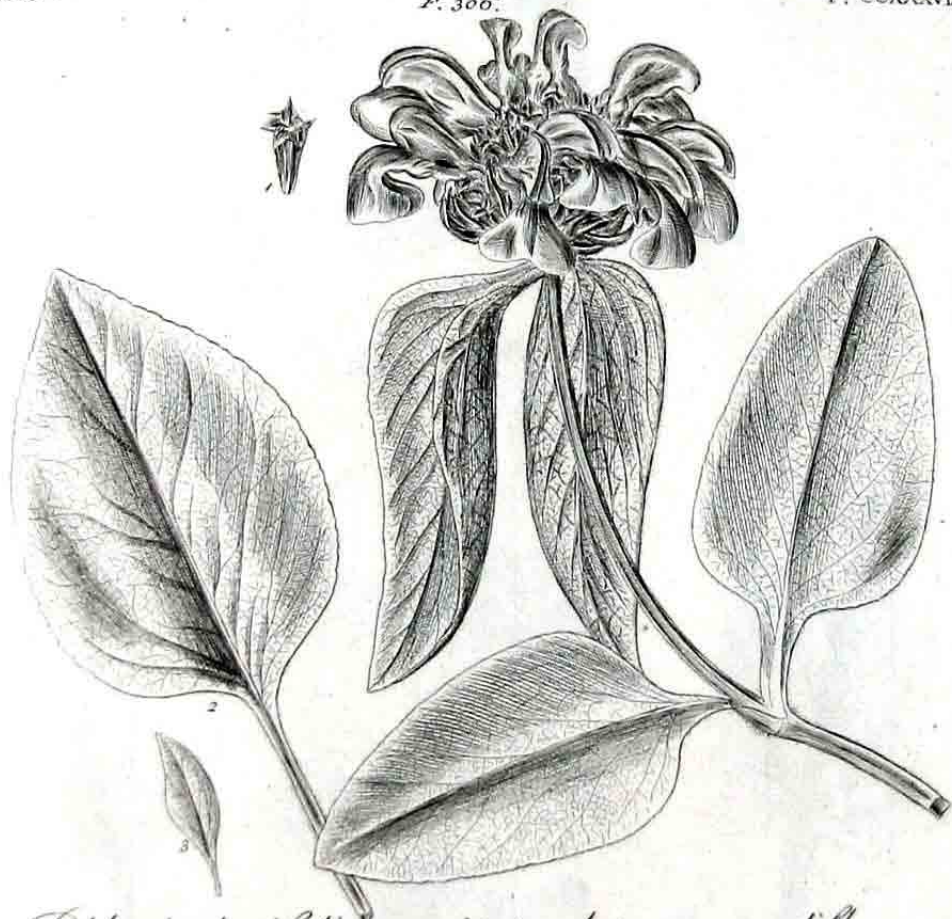

*Phillyrea Capensis, folio Celastris.*

P. 310.

F. 306.

T. CCXXXVII.

*Philomis latifolia, capitata, lutea, grandiflora.*

*Philomis fabrifolia lutea, verticillis crebris.*

*Phytolacca Mex. baccis seculibus.*

*Phytolaccae vulgaris fructus & flores.*

Pinguin, an *Bromelia pyramidata*, aculeis nigris Plum.

P. 321.

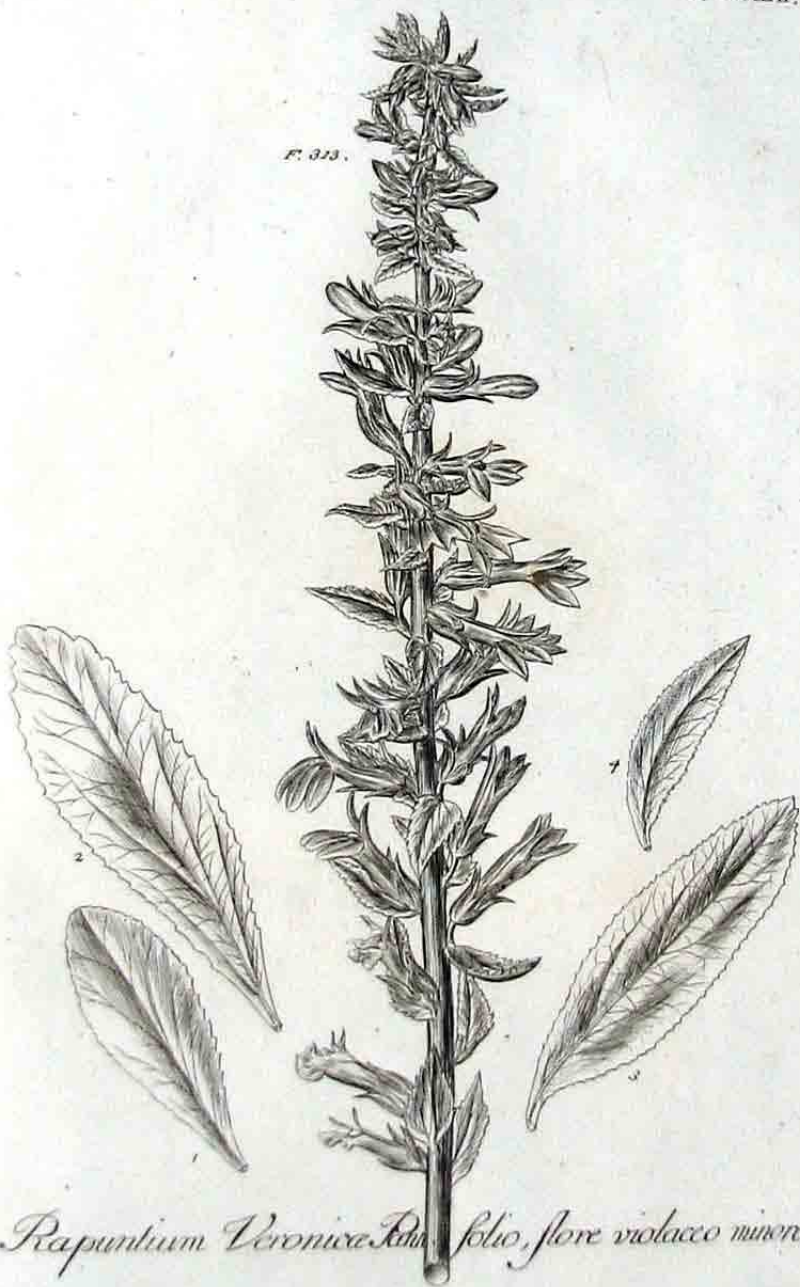

T. CCXLI.

F. 312.

*Zuamodit pennatum,*  
*erectum, floribus in*  
*thyrsum digestis.*

F. 323.

*Rapuntium Veronicae. Rad. folio, flore violaceo minore.*

P. 523.

F. 314.

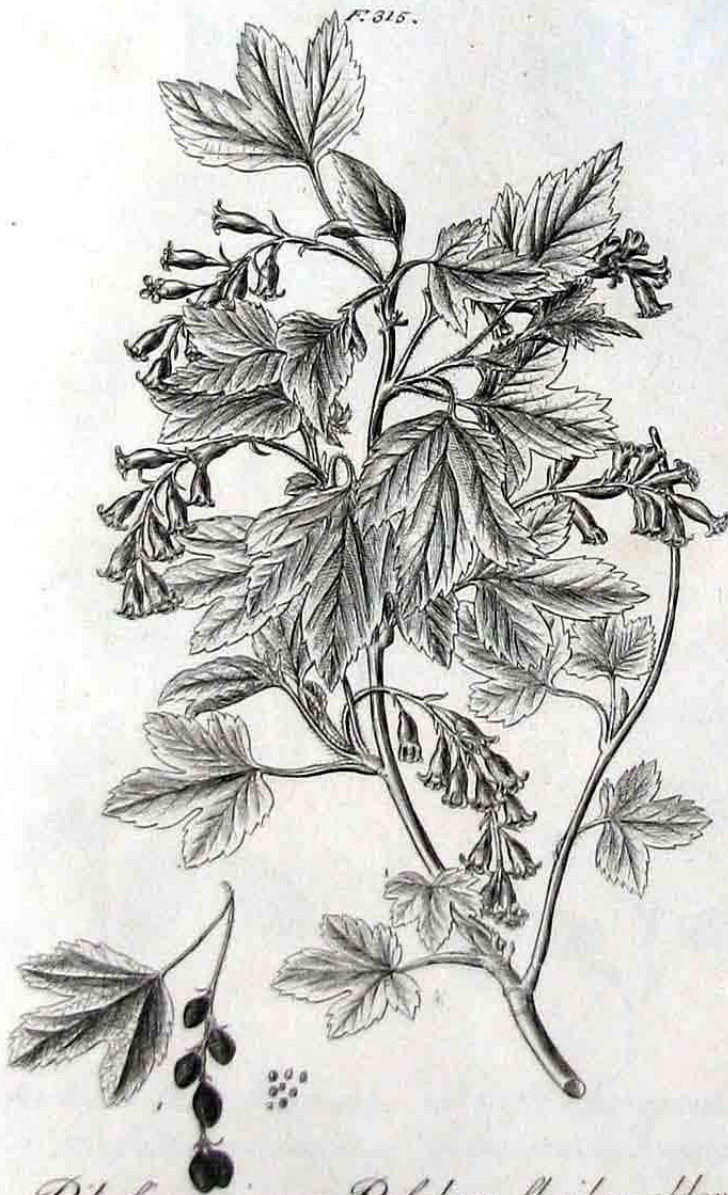

T. CCXLIII.

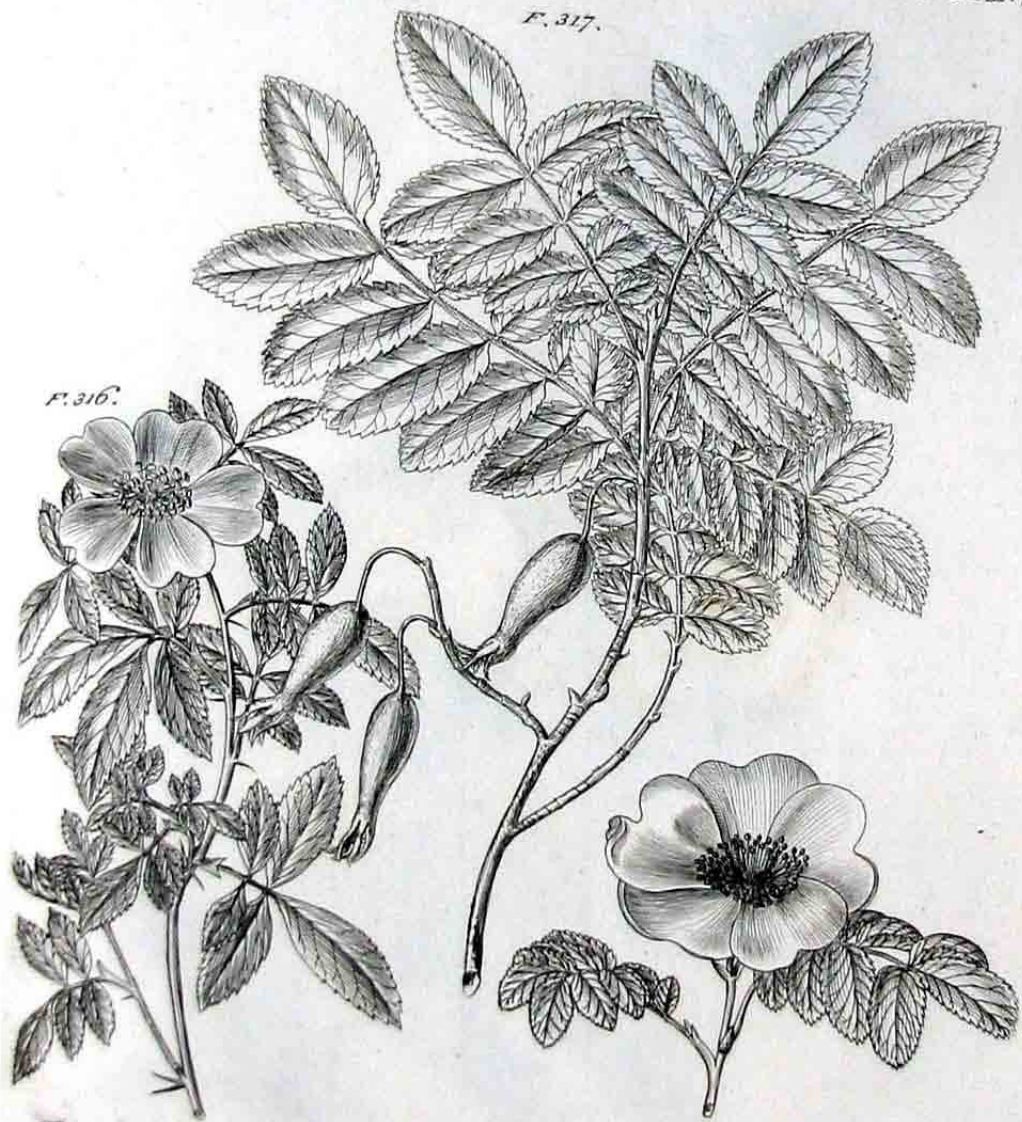

*Rhus Virgin. panicula spæca.  
ramis patulis glabris.*

F. 315.

*Ribesium nigrum* Pennsylvan. floribus oblongis.

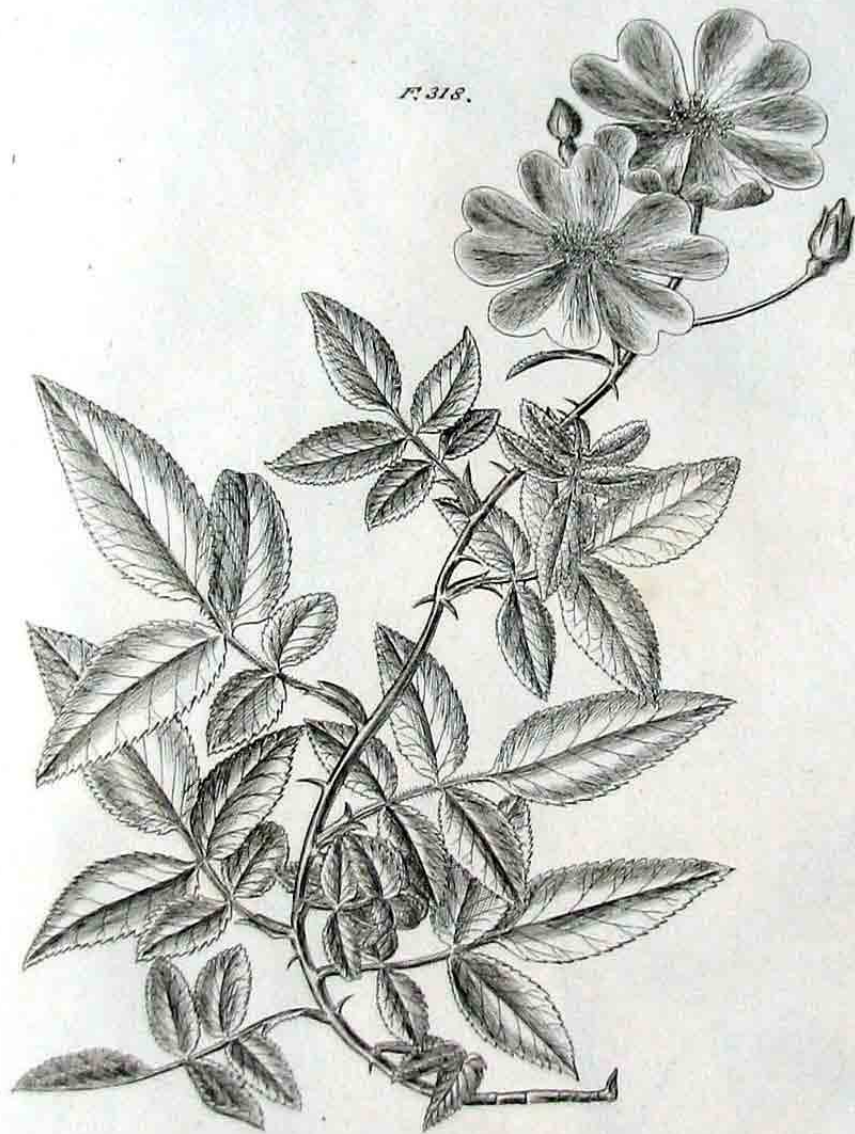

*Rosa Carolina fragrans,*  
*foliis mediocribus serratis.*

*Rosa Sanguisorbae majoris*  
*folio, fructu longo pendulo ex N.*

P. 326.

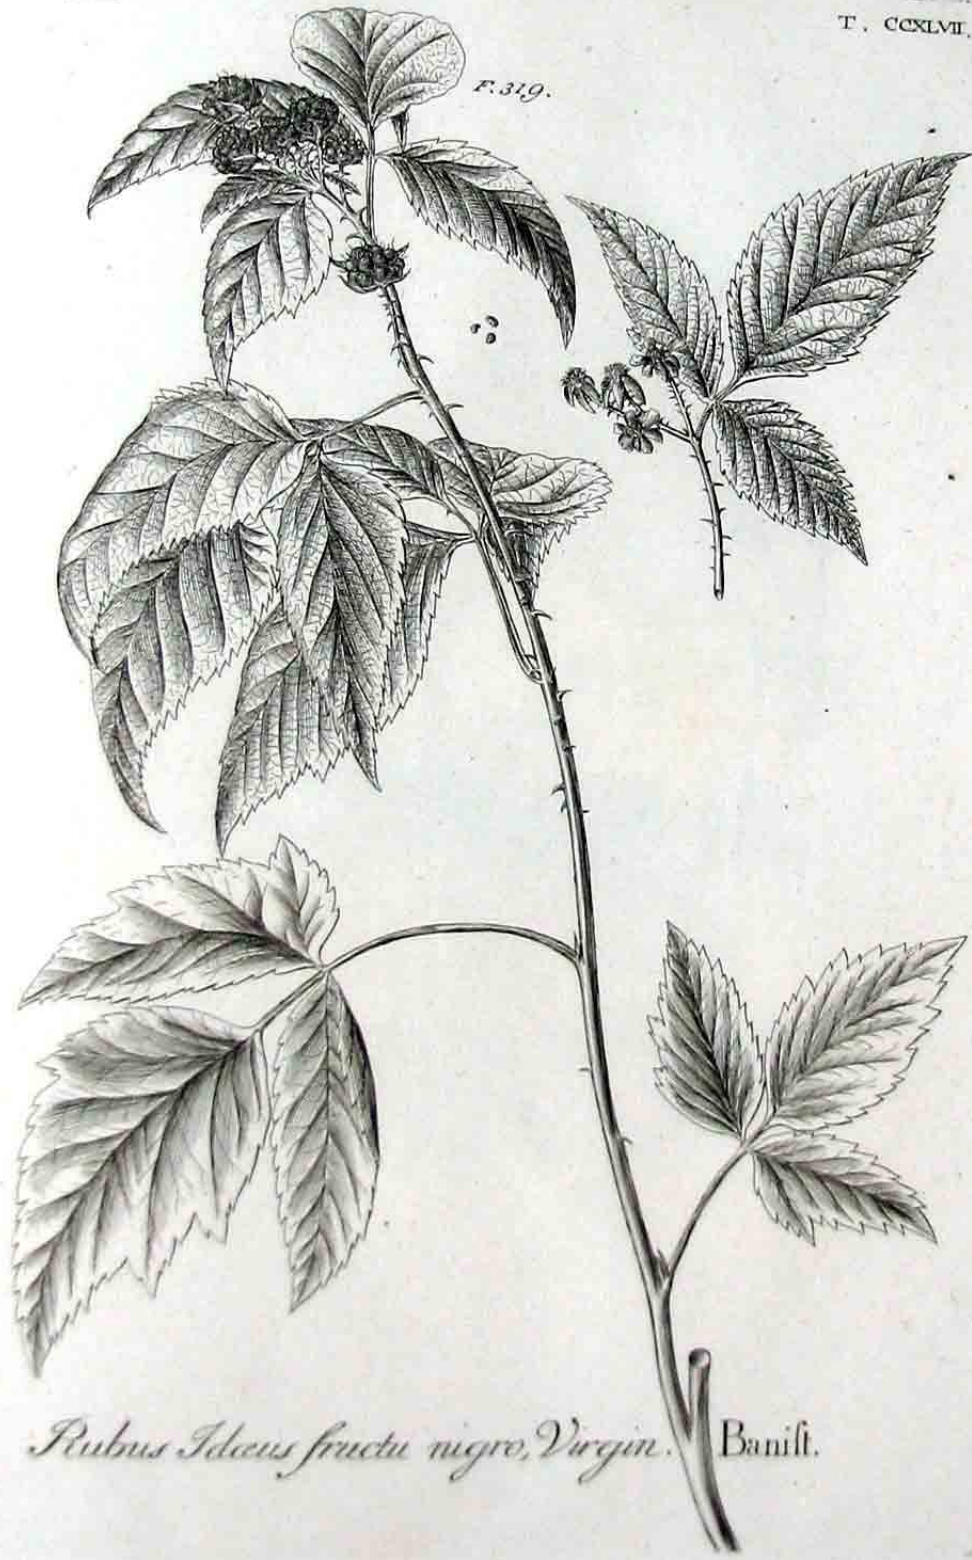

T. CCXLVI.

F. 318.

*Rosa sempervirens* Jungerm. Clus.

F. 319.

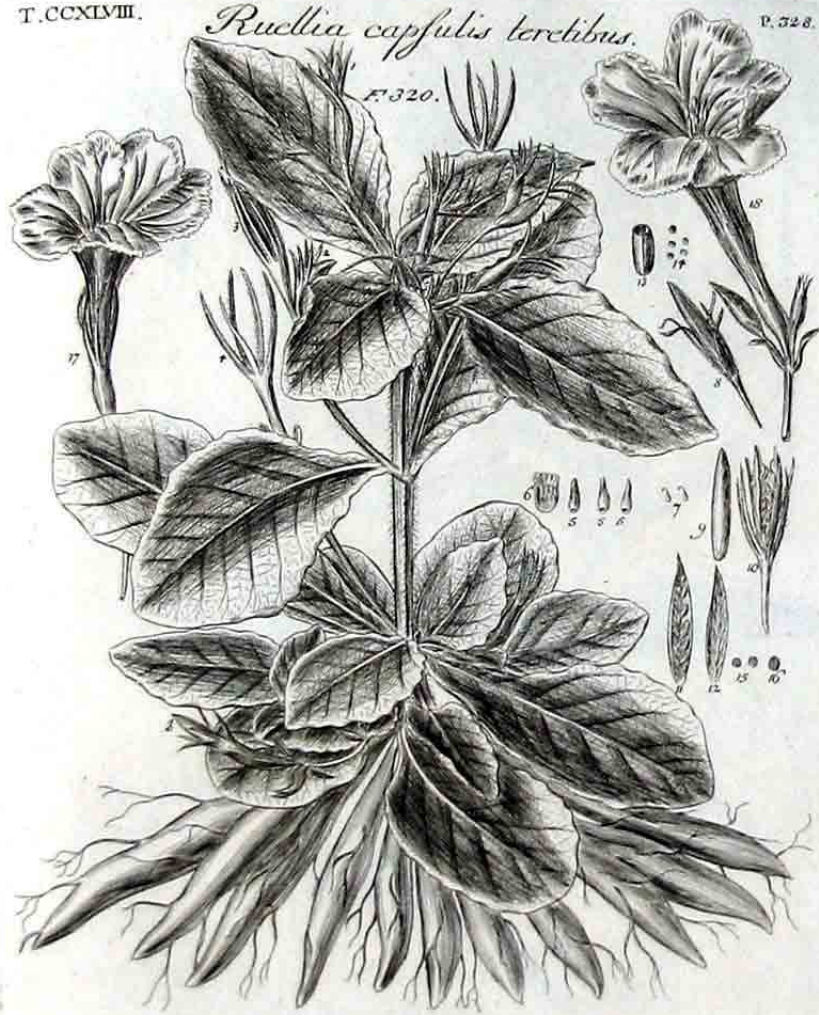

*Rubus Idaeus fructu nigro, Virgin.* Banist.

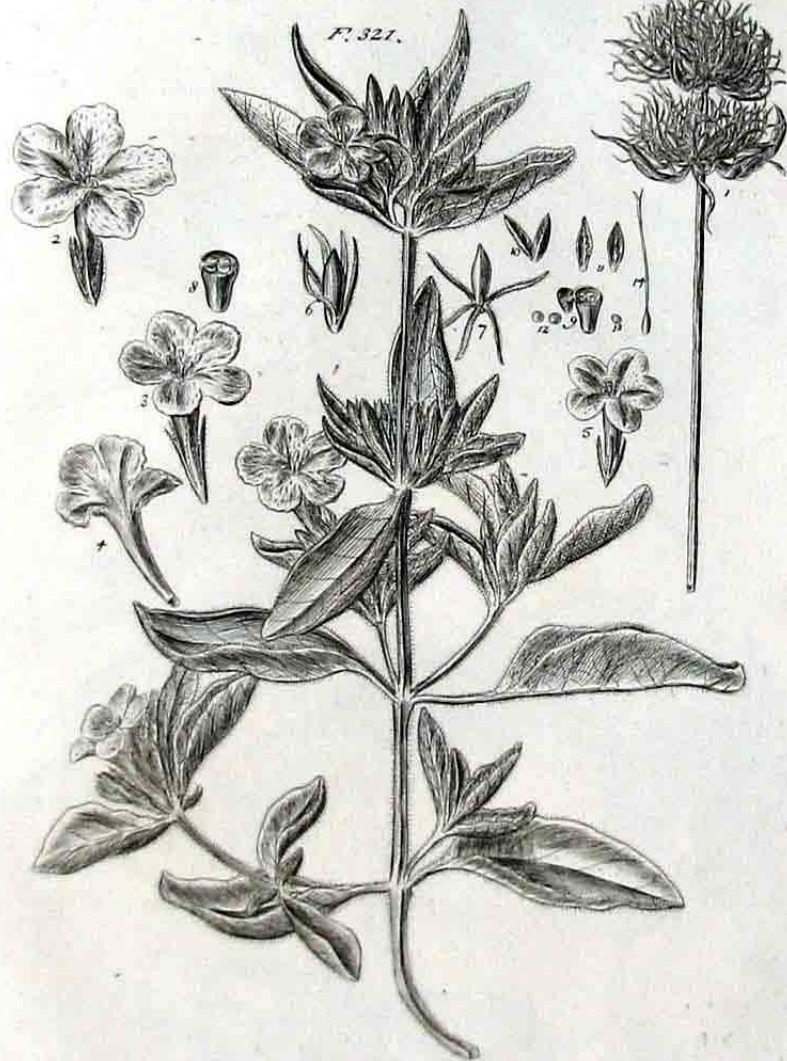

T. CCXIVIII.

*Ruellia capfulis teretibus.*

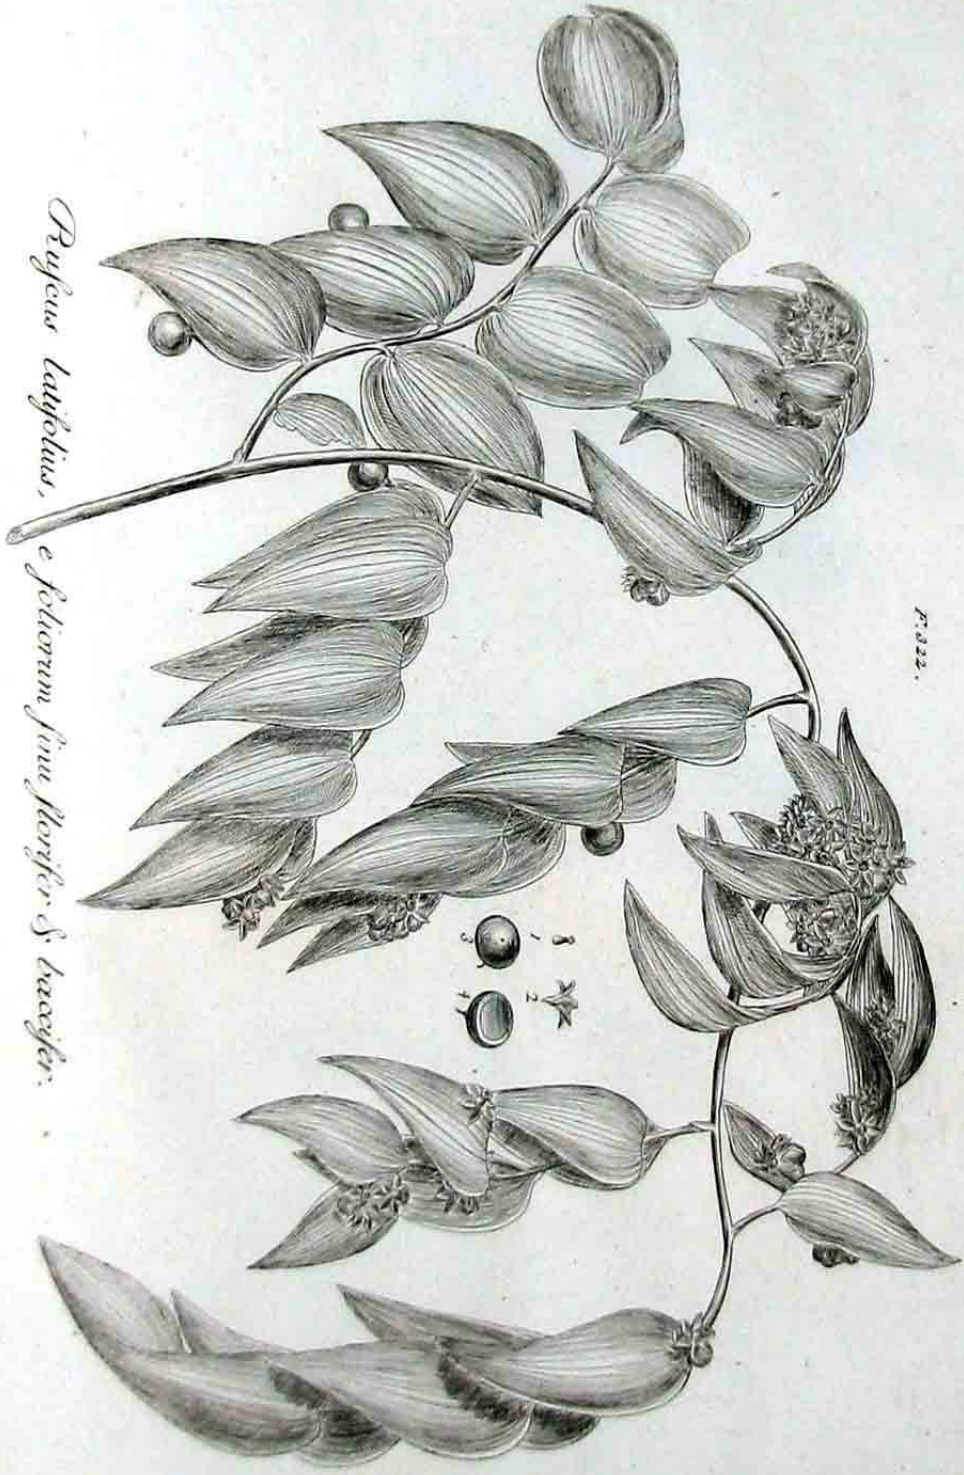

P. 328.

F. 320.

*Ruellia strepera, capitulis comosis.*

*Prunus lauro-cerasus*, e foliorum sine floribus & baccharum.

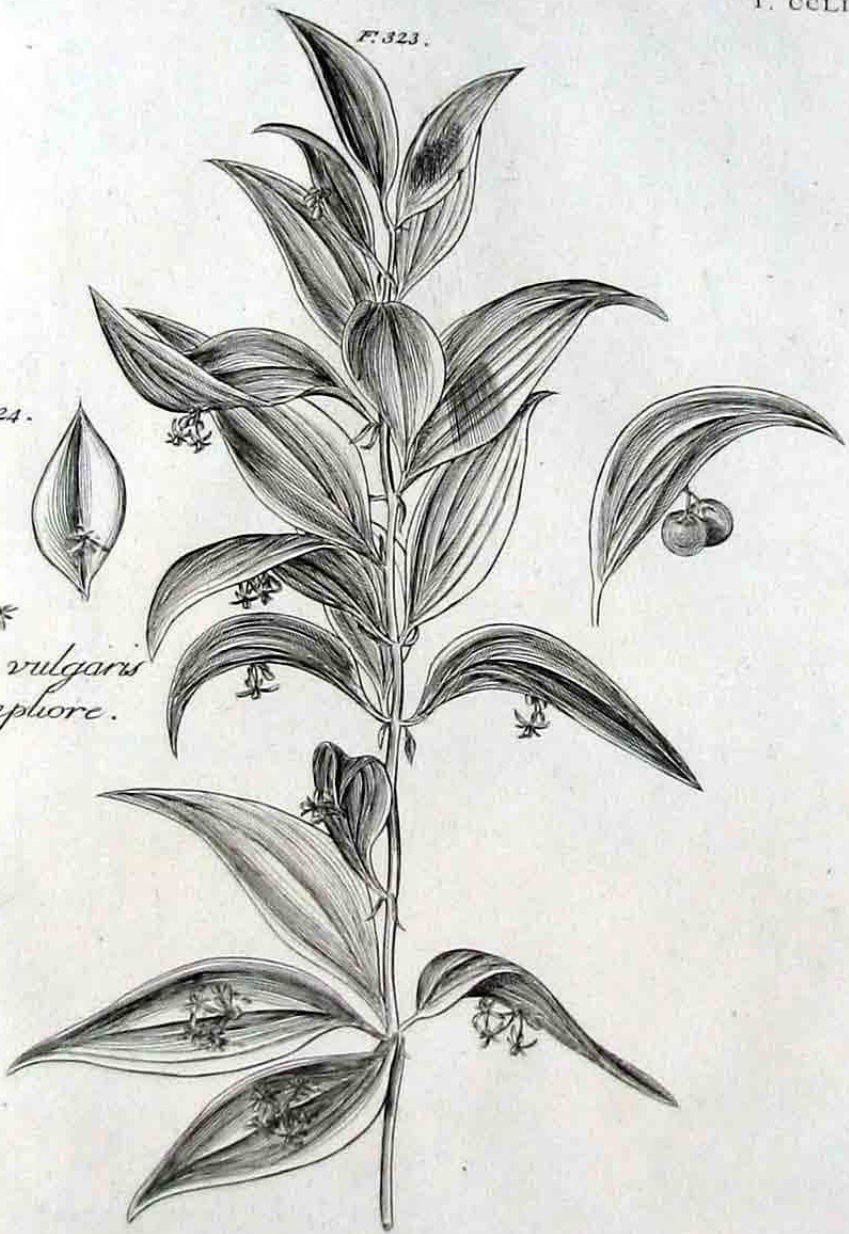

1722.

F. 323.

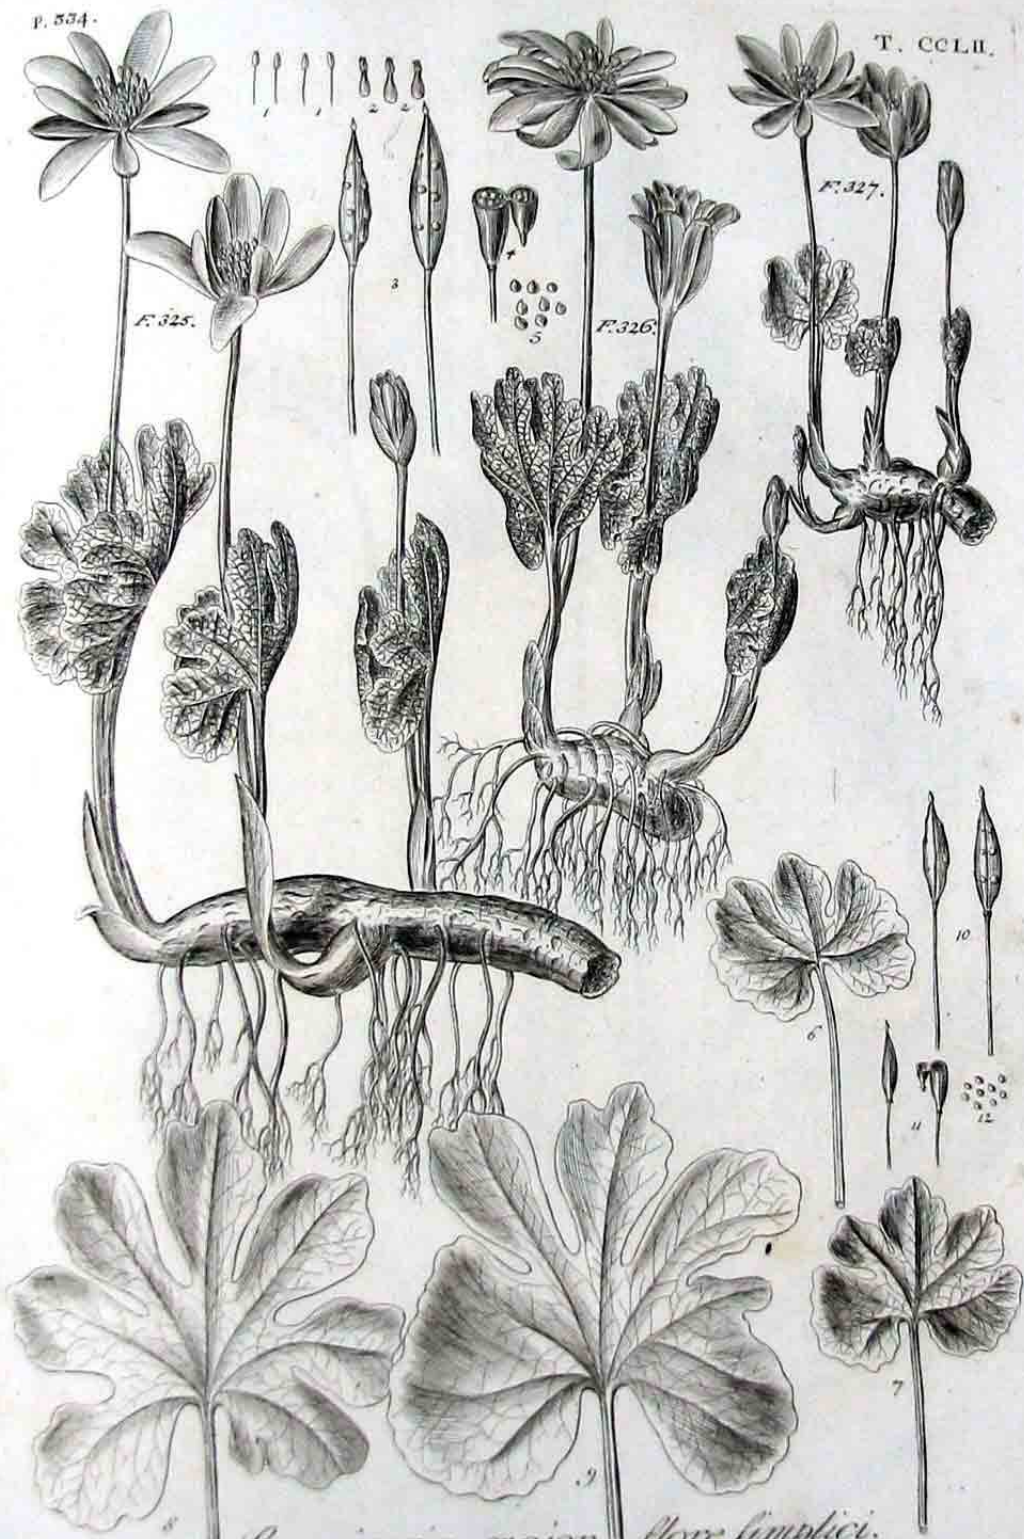

F. 324.

*Ruscus vulgaris*  
*folio ampliore.*

*Ruscus latifolius*, fructu in medio foliorum extra pendente Till.

*Sanguinaria major, flore simplici.*  
*Sanguinaria major, flore pleno.*  
*Sanguinaria minor, flore simplici.*

F. 328.

F. 329.

*Saxifraga Pennsylvanica,*  
*floribus muscosis racemosis.*

*Saxifraga*  
*viridula. Gaertn.*  
*caulic. velle foliosis.*

F. 330.

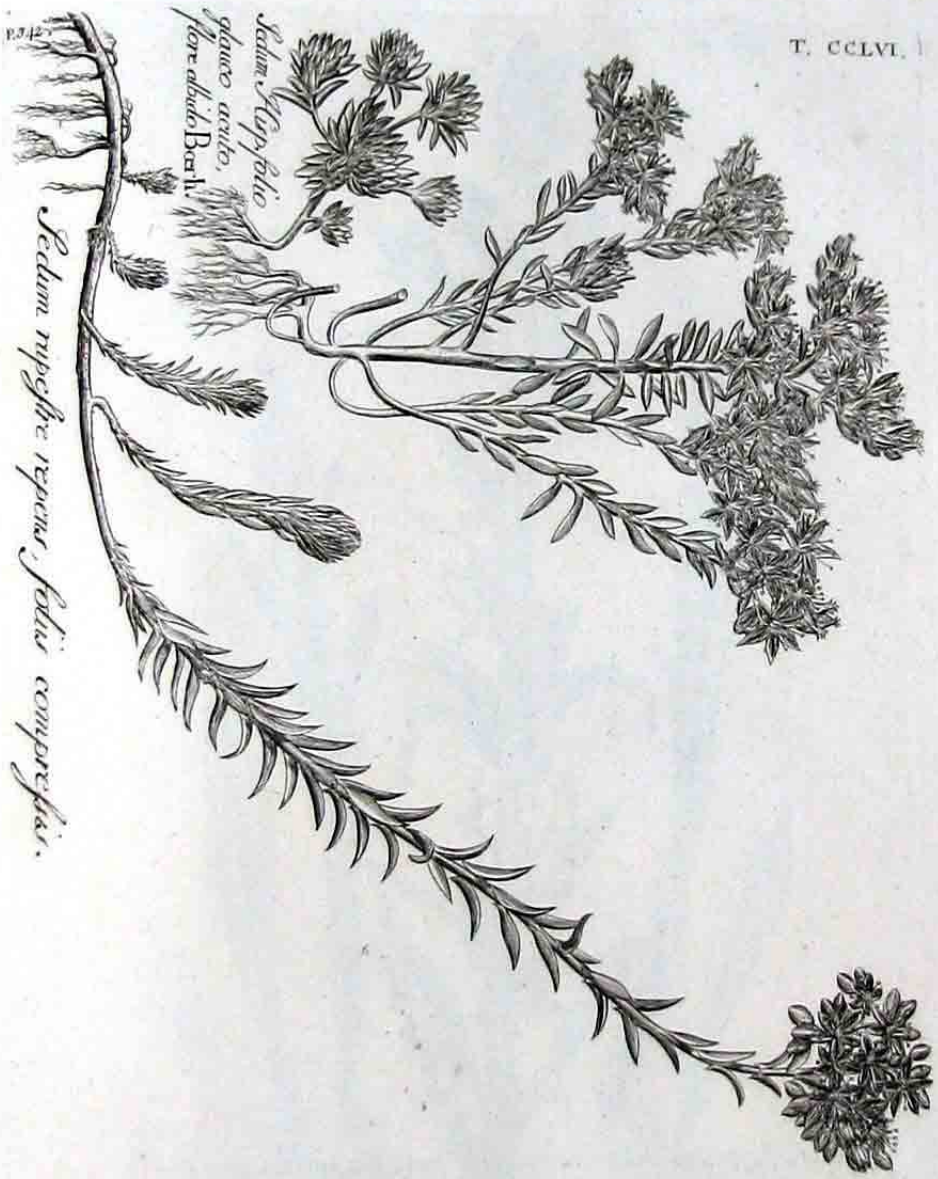

*Sclarea Mexicana altissima, facie Heliotropii.*

*Sebestena scabra, flore miniatore  
crispo.*

*Sebestena officinalis, flores.*

Sedum album,  
flore albo. Barh.

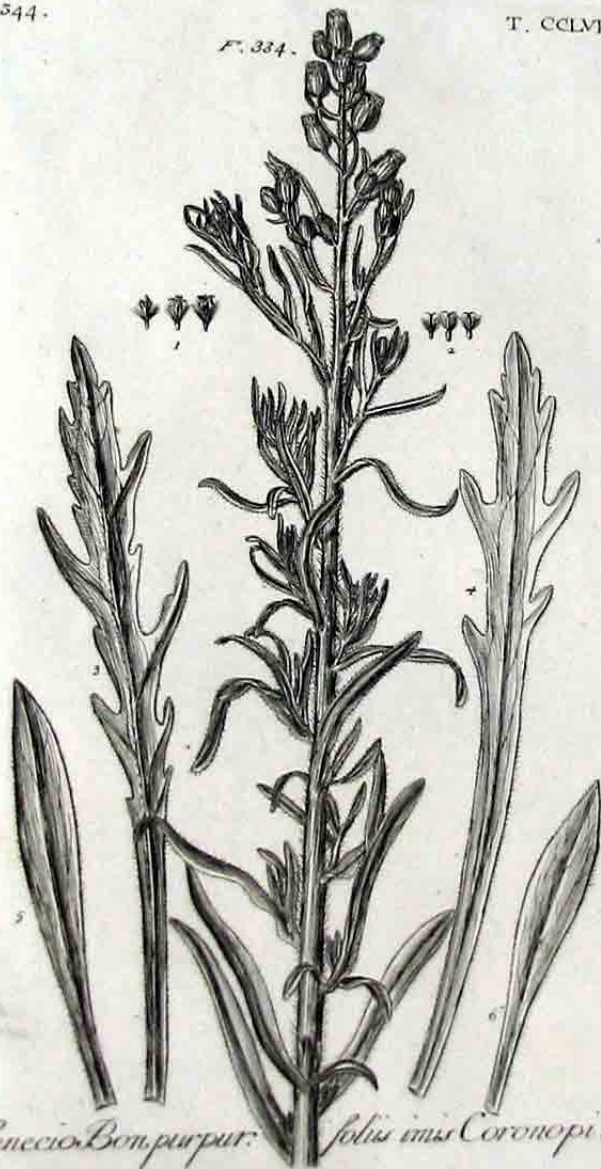

Sedum rupestris repens, foliis compressis.

Sedum rupestris

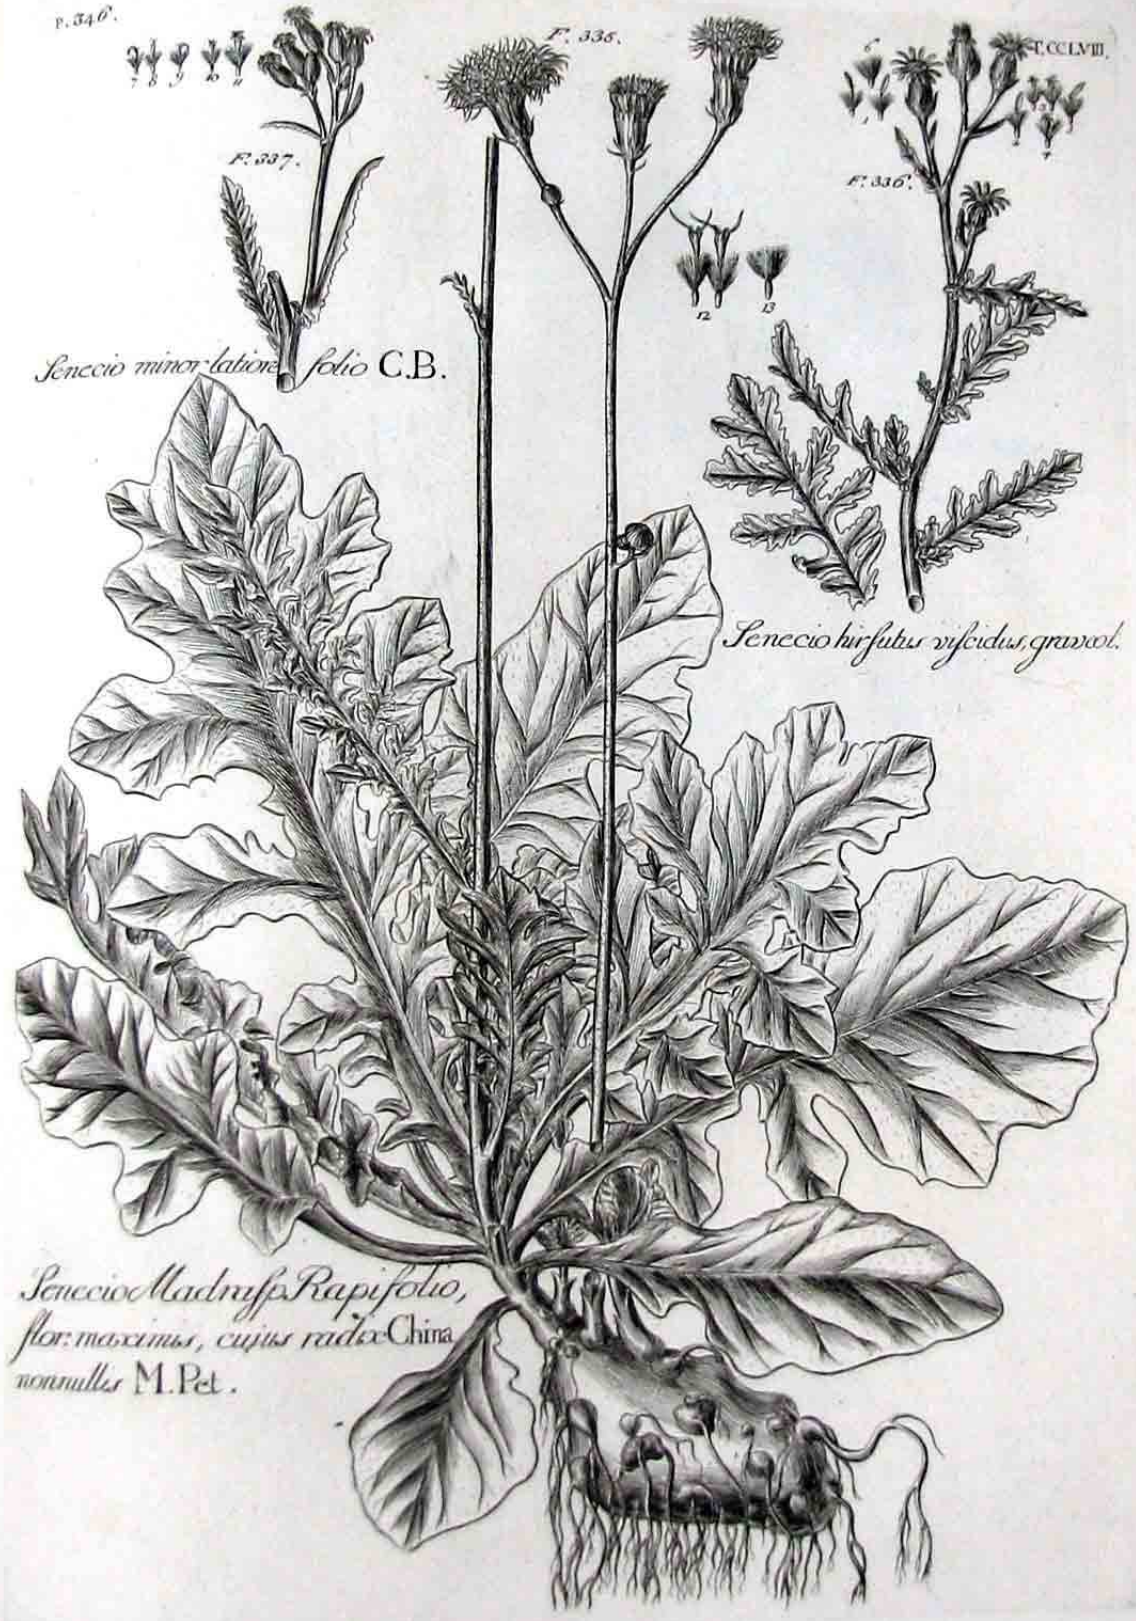

P. 344.

F. 334.

T. CCLVII.

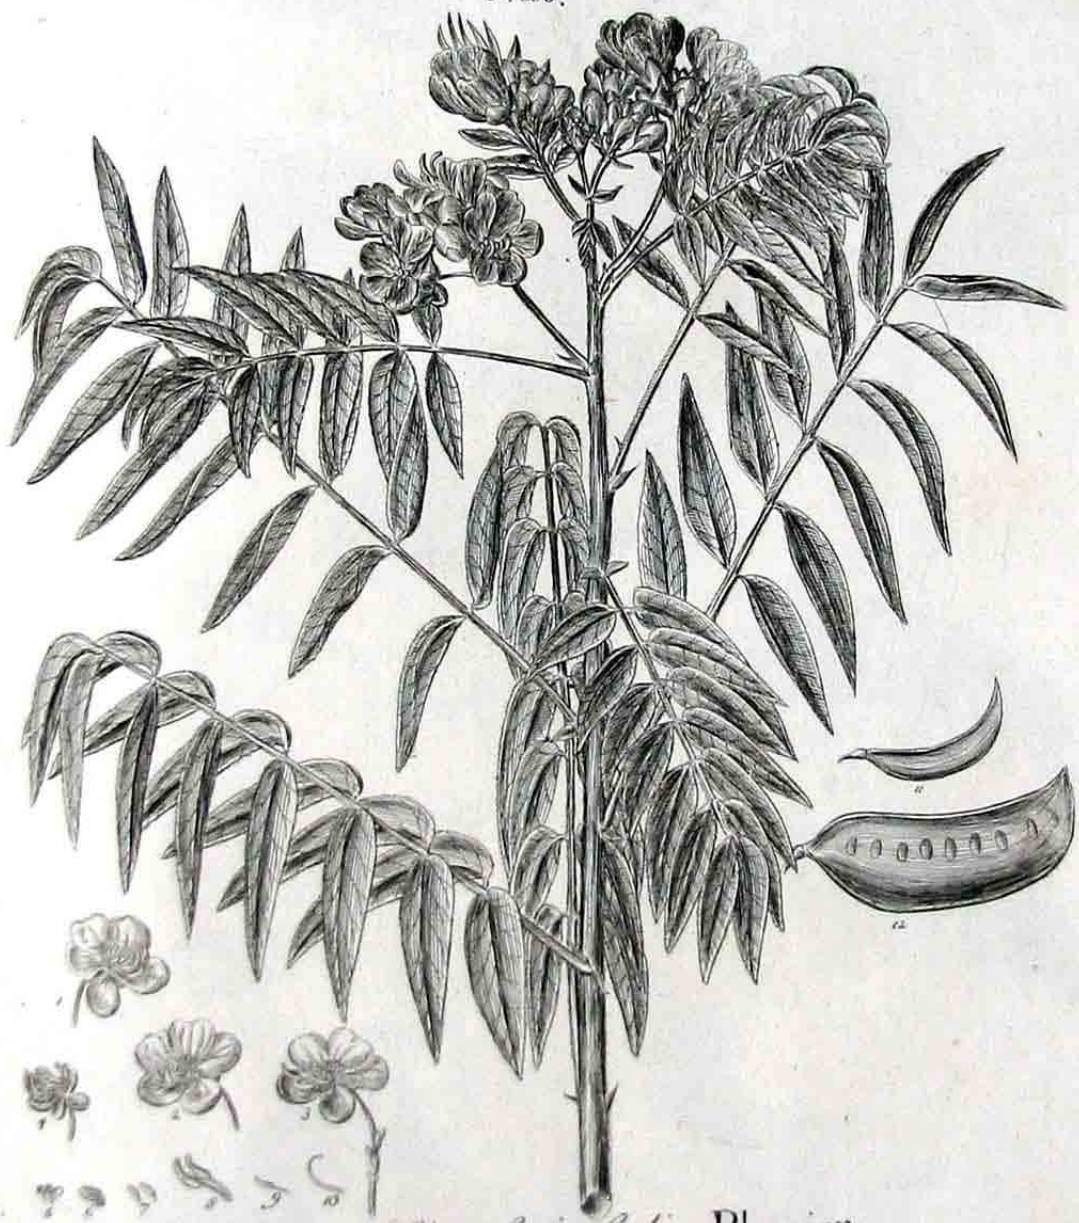

*Senecio Bon. purpur. Solis imis Coronopi.*

*Senecio minor latiore folio* C.B.

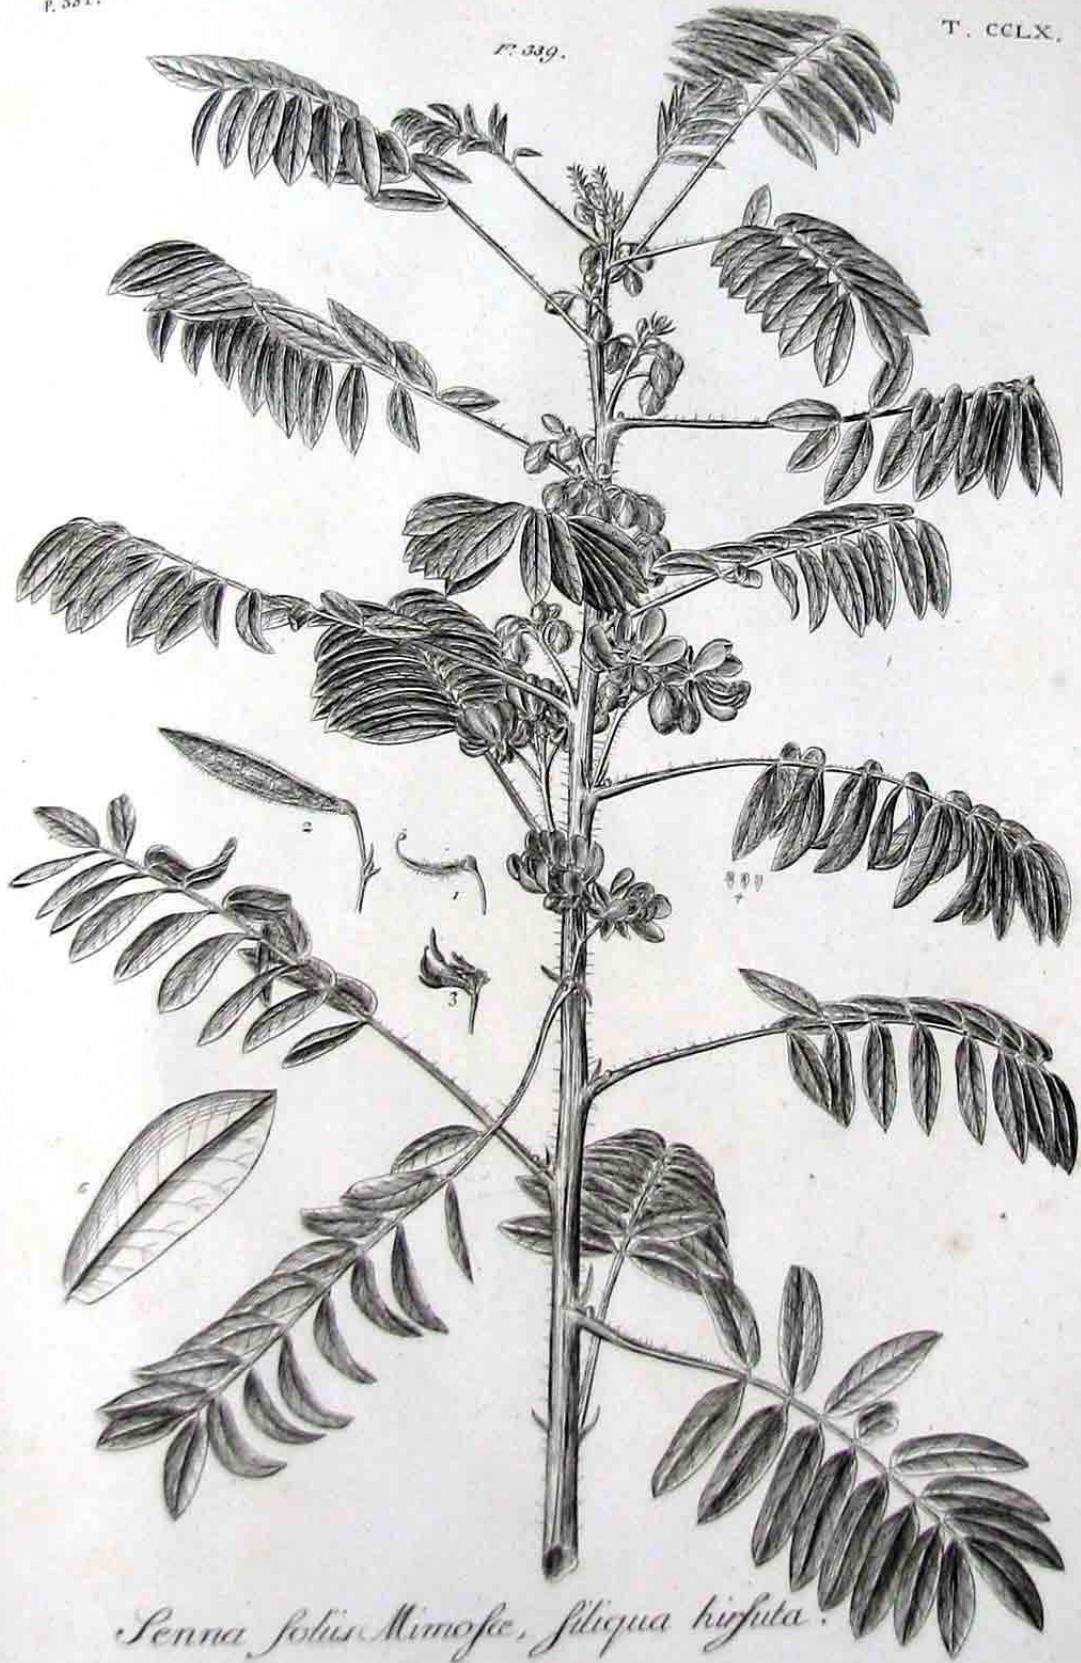

*Senecio hirsutus viscidus, gruvol.*

*Senecio Madrius Papifolio,*  
*flor: maximus, cujus radix China*  
*nonnullis M. Pet.*

*Senna Ligustri folio Plumier.*

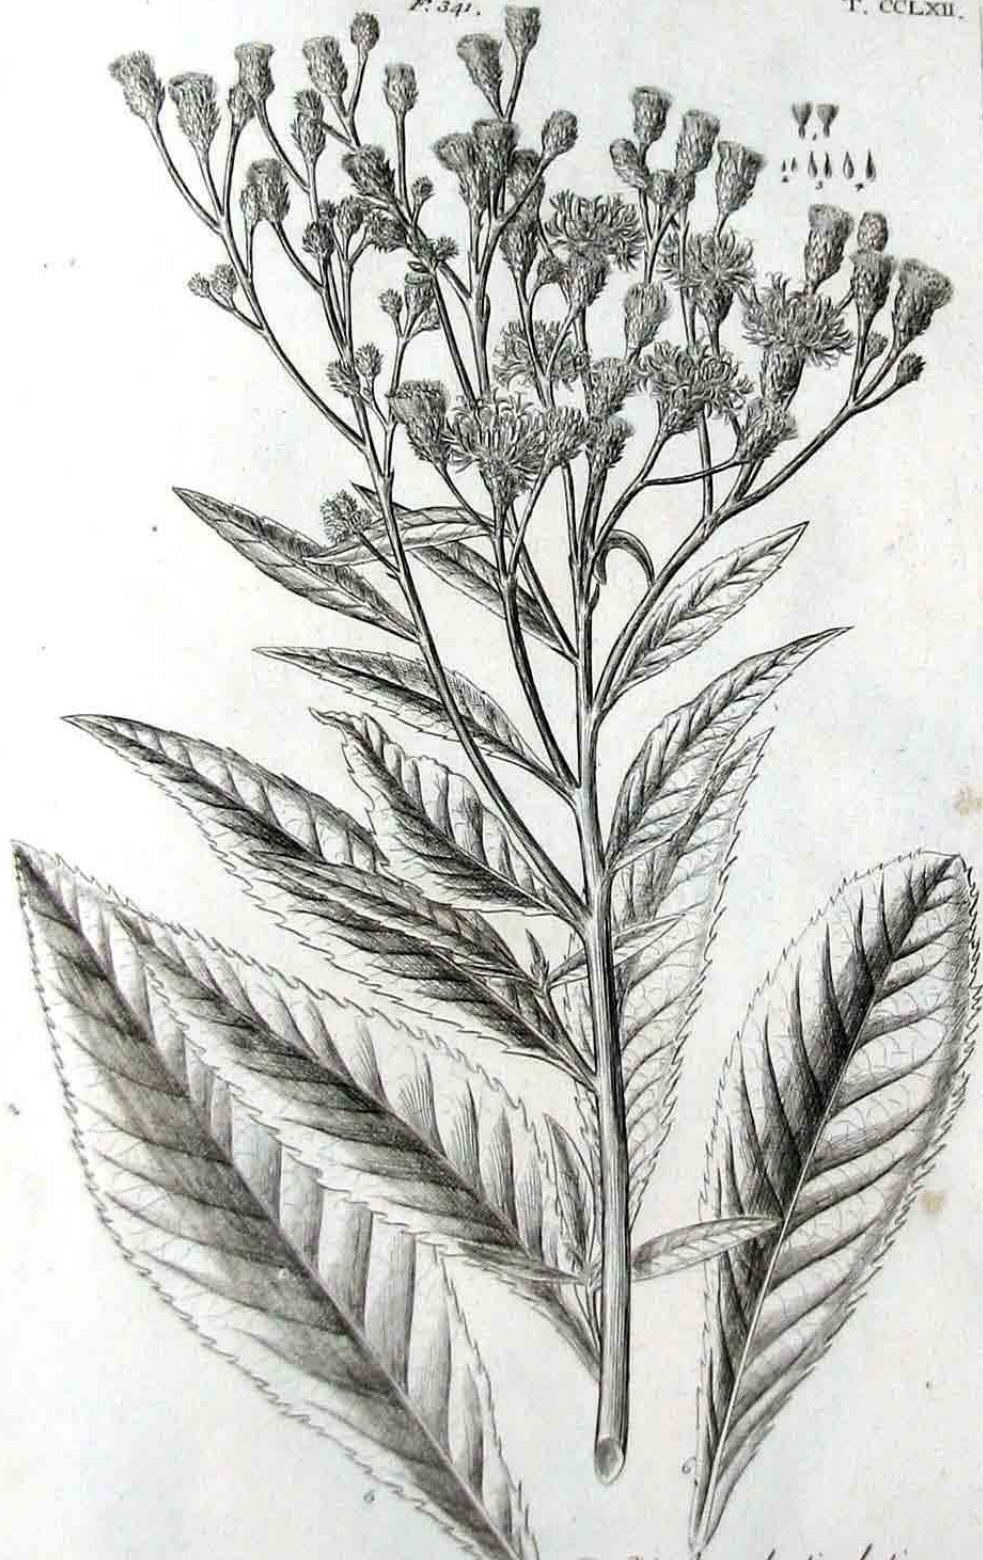

*Senna foliis Mimose, siliqua hirsuta.*

*Serratula Carolin. Virgae Pastoris folio.*

*Serratula Mariland. foliis glaucis. Cirsii instar denticulatis.*

7555

F. 342.

T. CCLXIII.

*Serratula Novebor: maxima, foliis longis serratis* Herm.

*Semutula Virginica Persica folio, subtus incano.*

268

F. 347.

T. CCLXV.

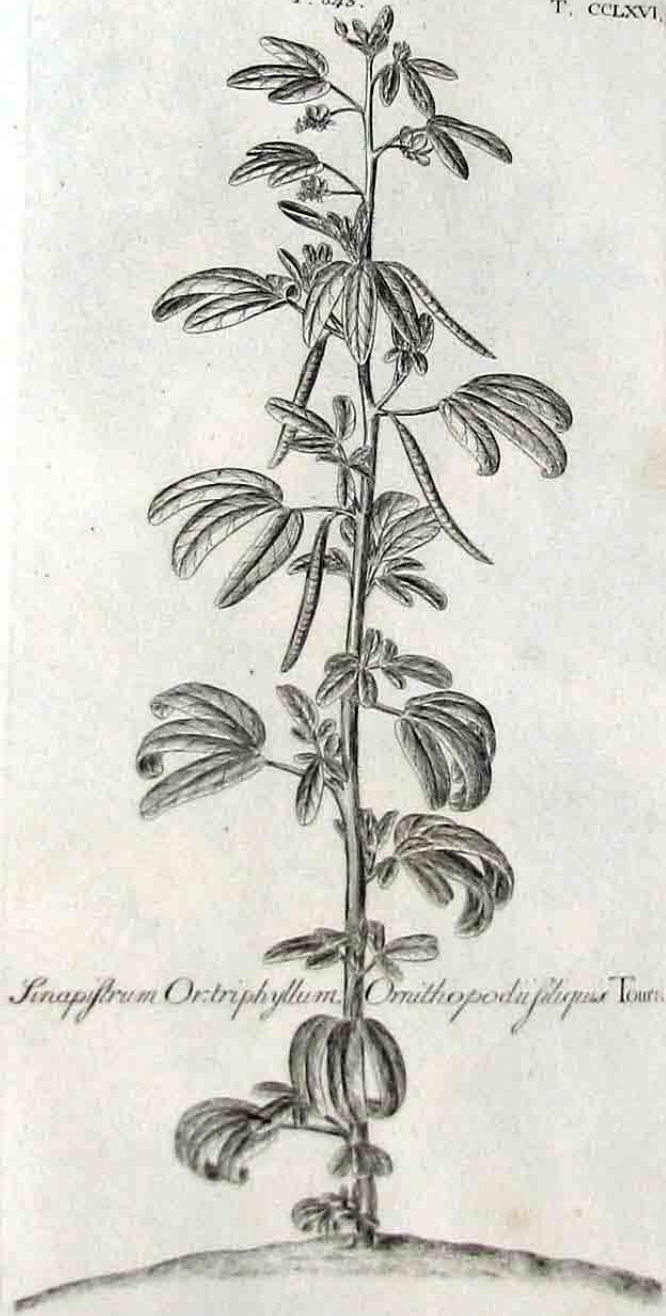

*Sideroxyli primum, de...*

*Conice Incl. nomine data arbor.*

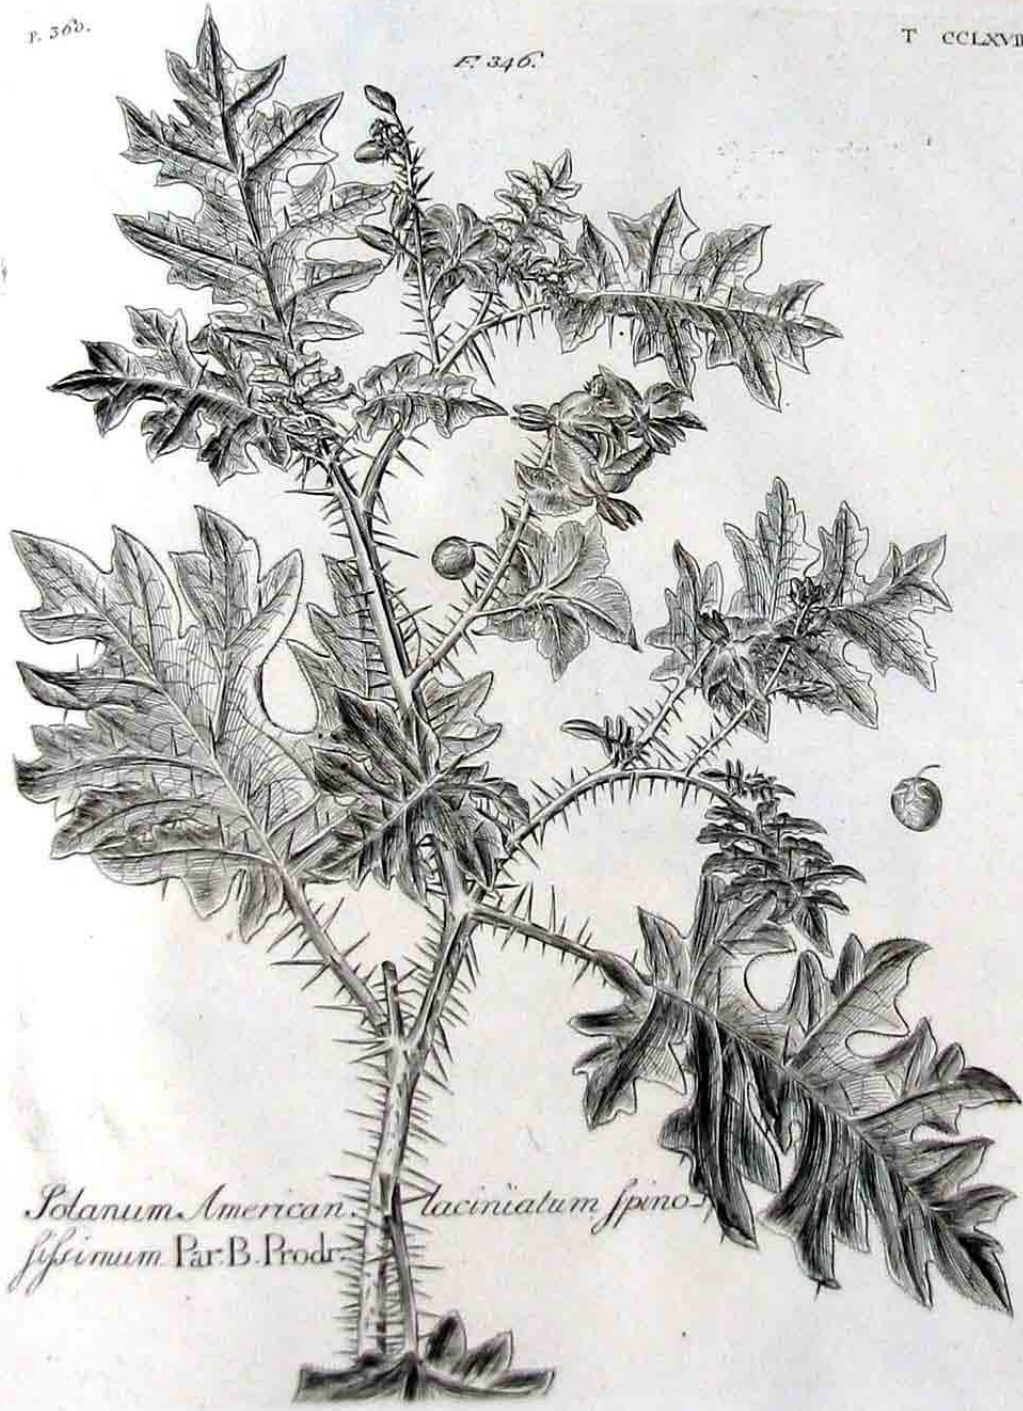

P. 359.

F. 345.

T. CCLXVI.

*Sinapis Or. triphyllum. Ornithopodi siliquis Tournef.*

p. 504.

F. 351.

T. CCLXXII.

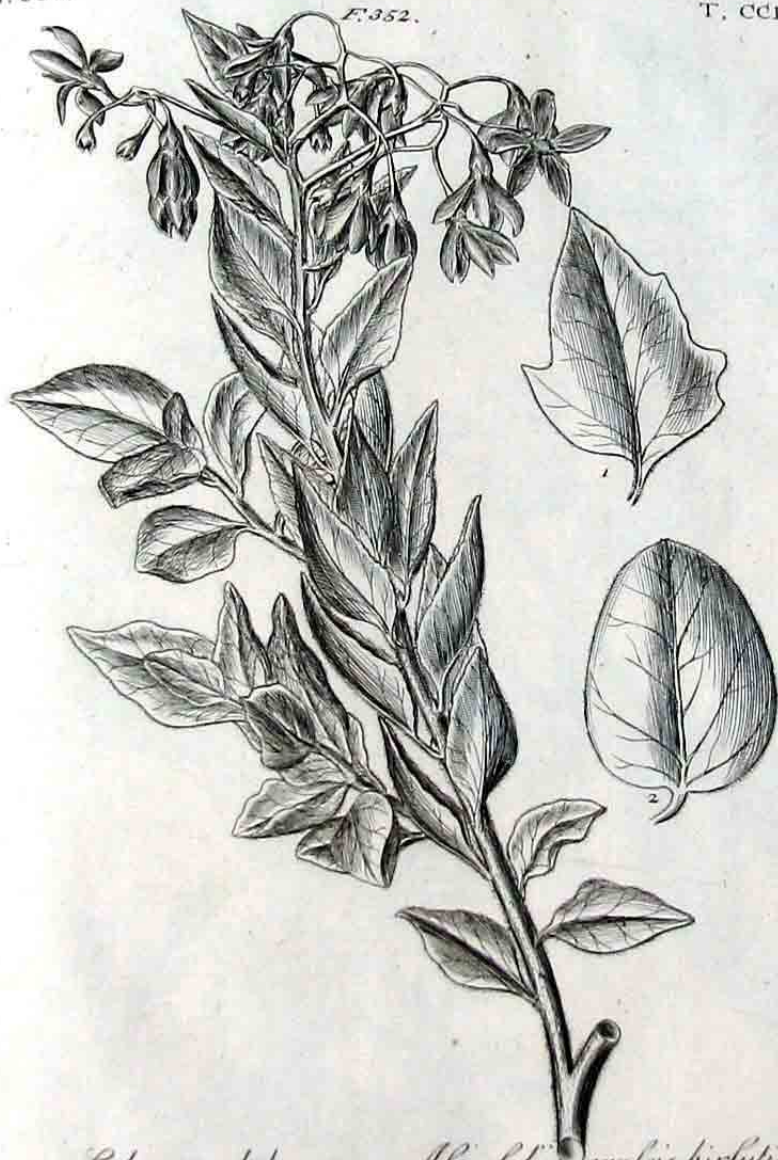

*Solanum Bonariense* arborescens, Papas Floribus.

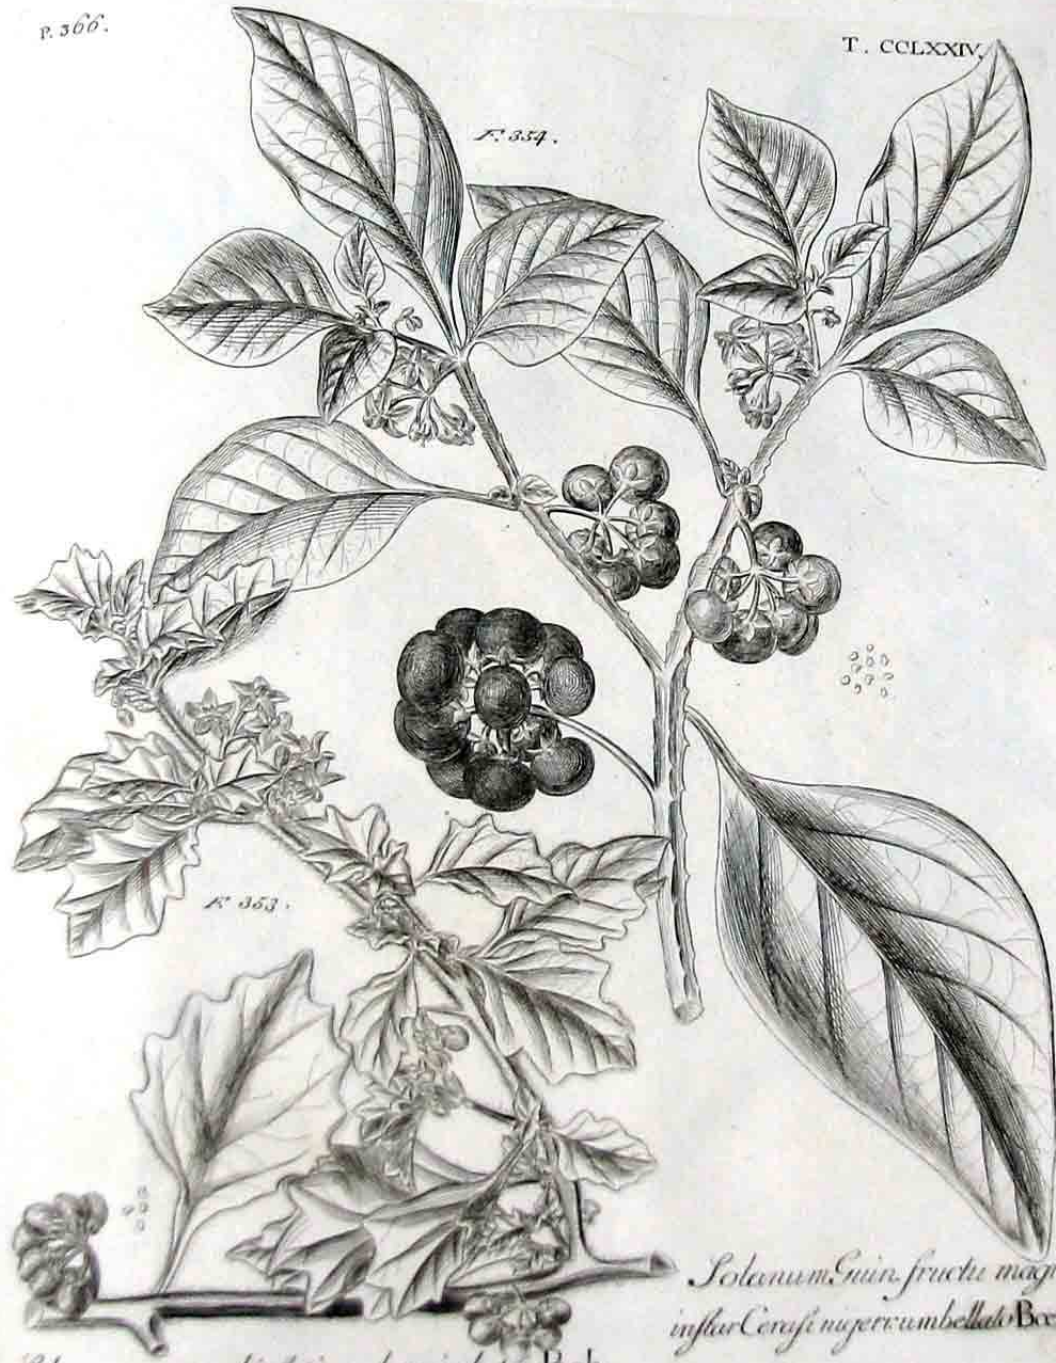

P. 365.

F. 352.

T. CCLXXXIII.

*Solanum dulcamara* Afric. foliis crassis hirsutis.

*Solanum annuum hirsutum, baccis luteis* Bob.

*Solanum Esim. fructu magno  
instar Cerasti nigri umbellato* Boerh.

F. 355.

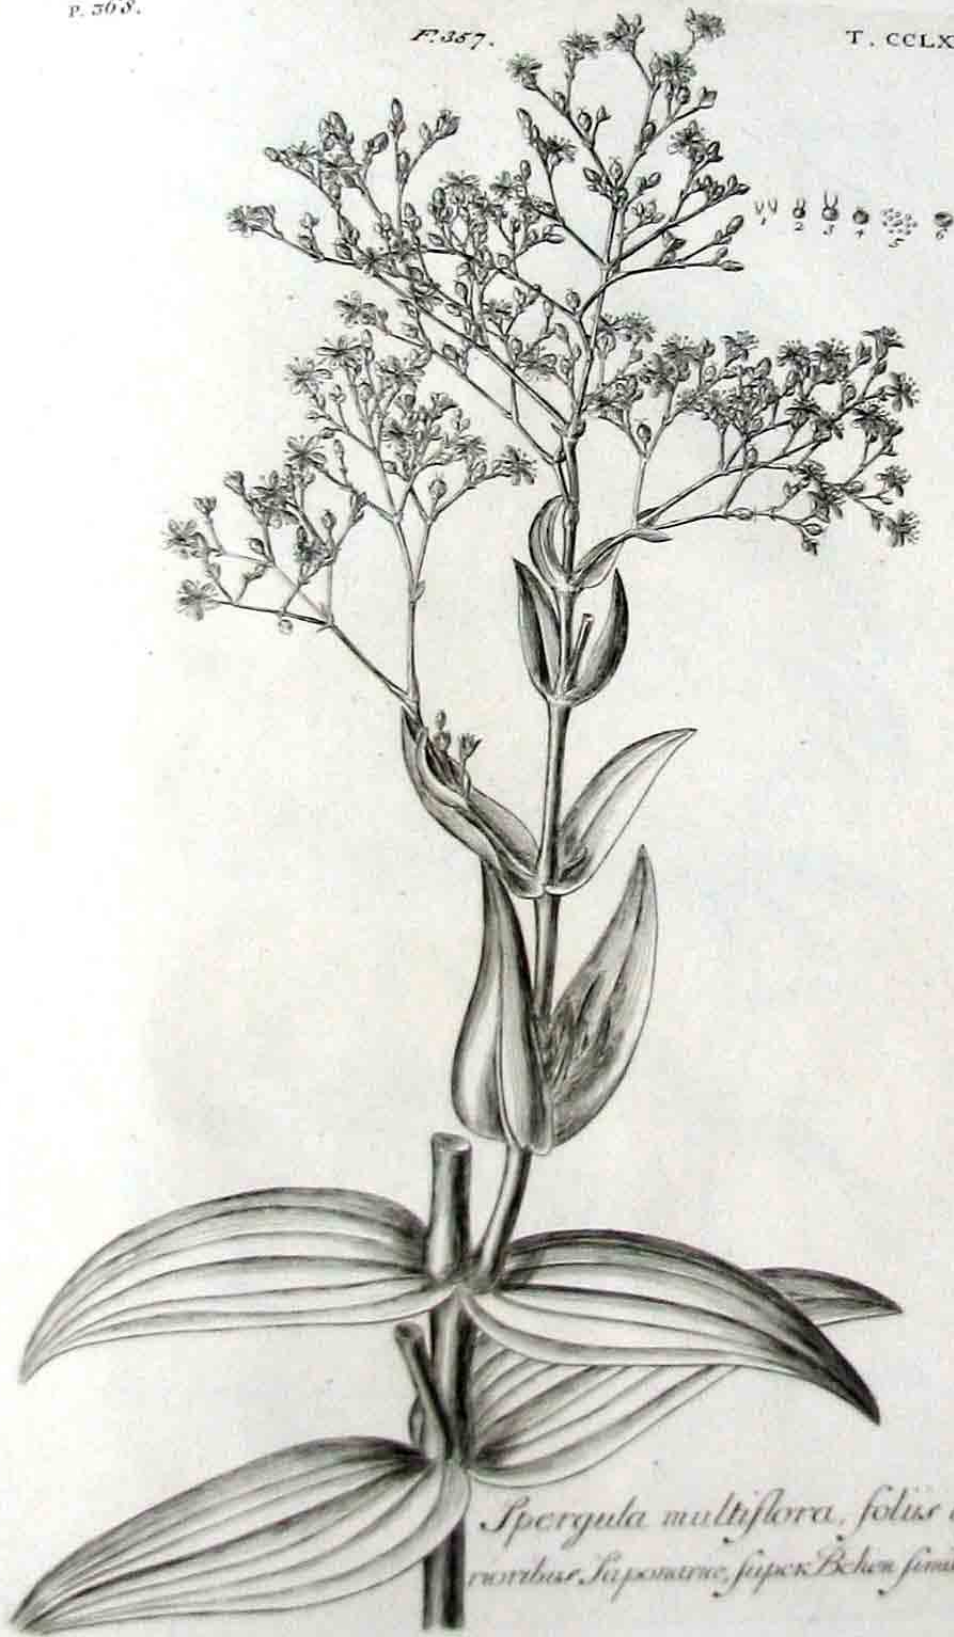

F. 356.

*Solanum procerius patulum,  
vulgaris fructu.*

*Solanum nigrum vulgari simile,  
caulis axillaris.*

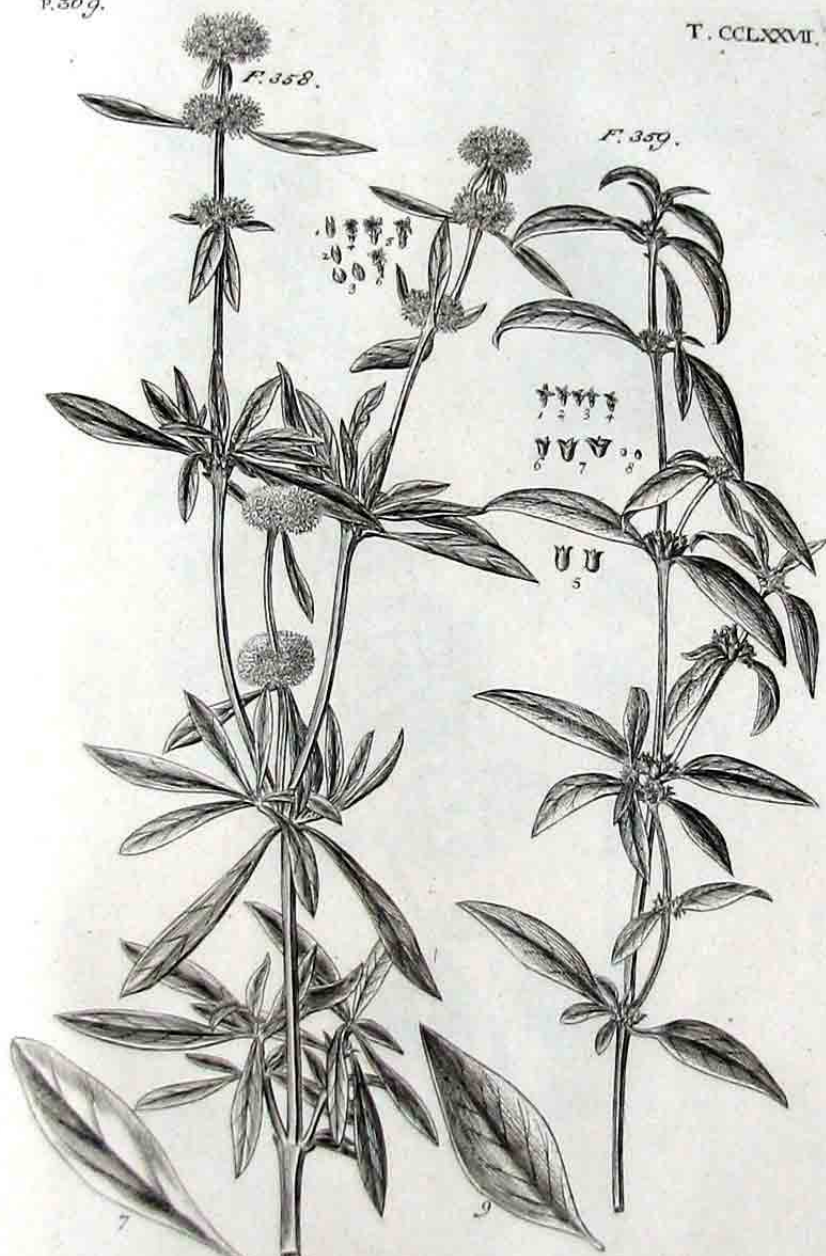

*Spergula multiflora, foliis infe-*  
*rioribus, suppositis, super Behen similibus.*

p. 509.

T. CCLXXVI.

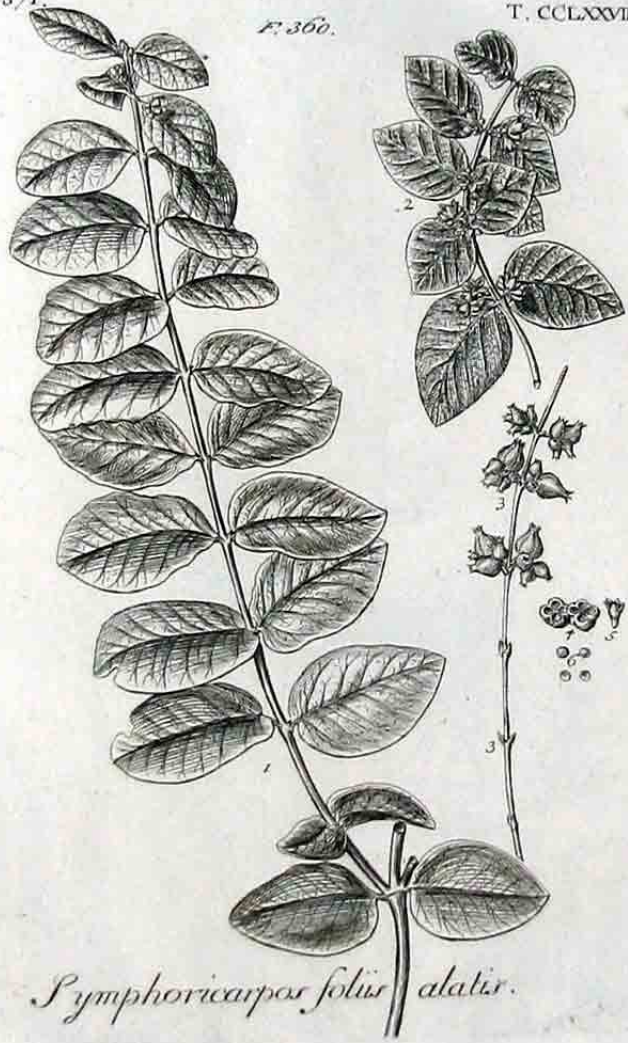

*Spermacoe verticillis globosis.* *Spermacoe verticillis tenuioribus*

P. 371.

P. 360.

T. CCLXXXVIII.

*Symphoricarpos folius alatus.*

*Tagetes minor, flore subvo maculato.*

*Tagetes multiflora,*  
*minuto flore albicante.*

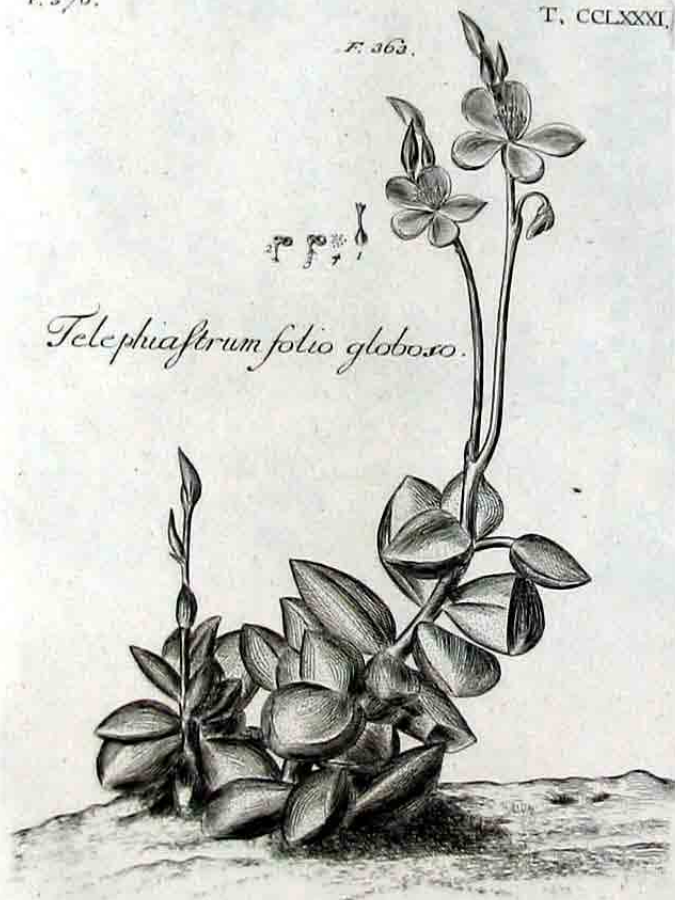

P. 576.

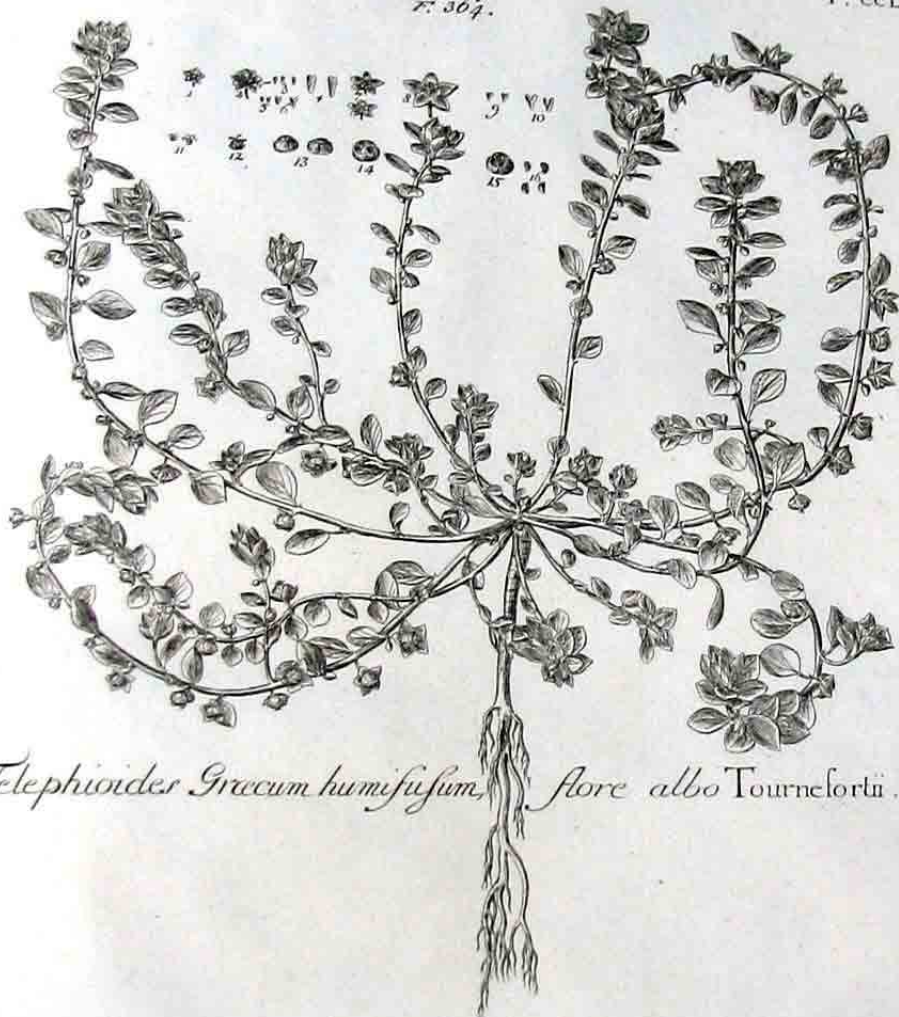

F. 363.

T. CCLXXXI.

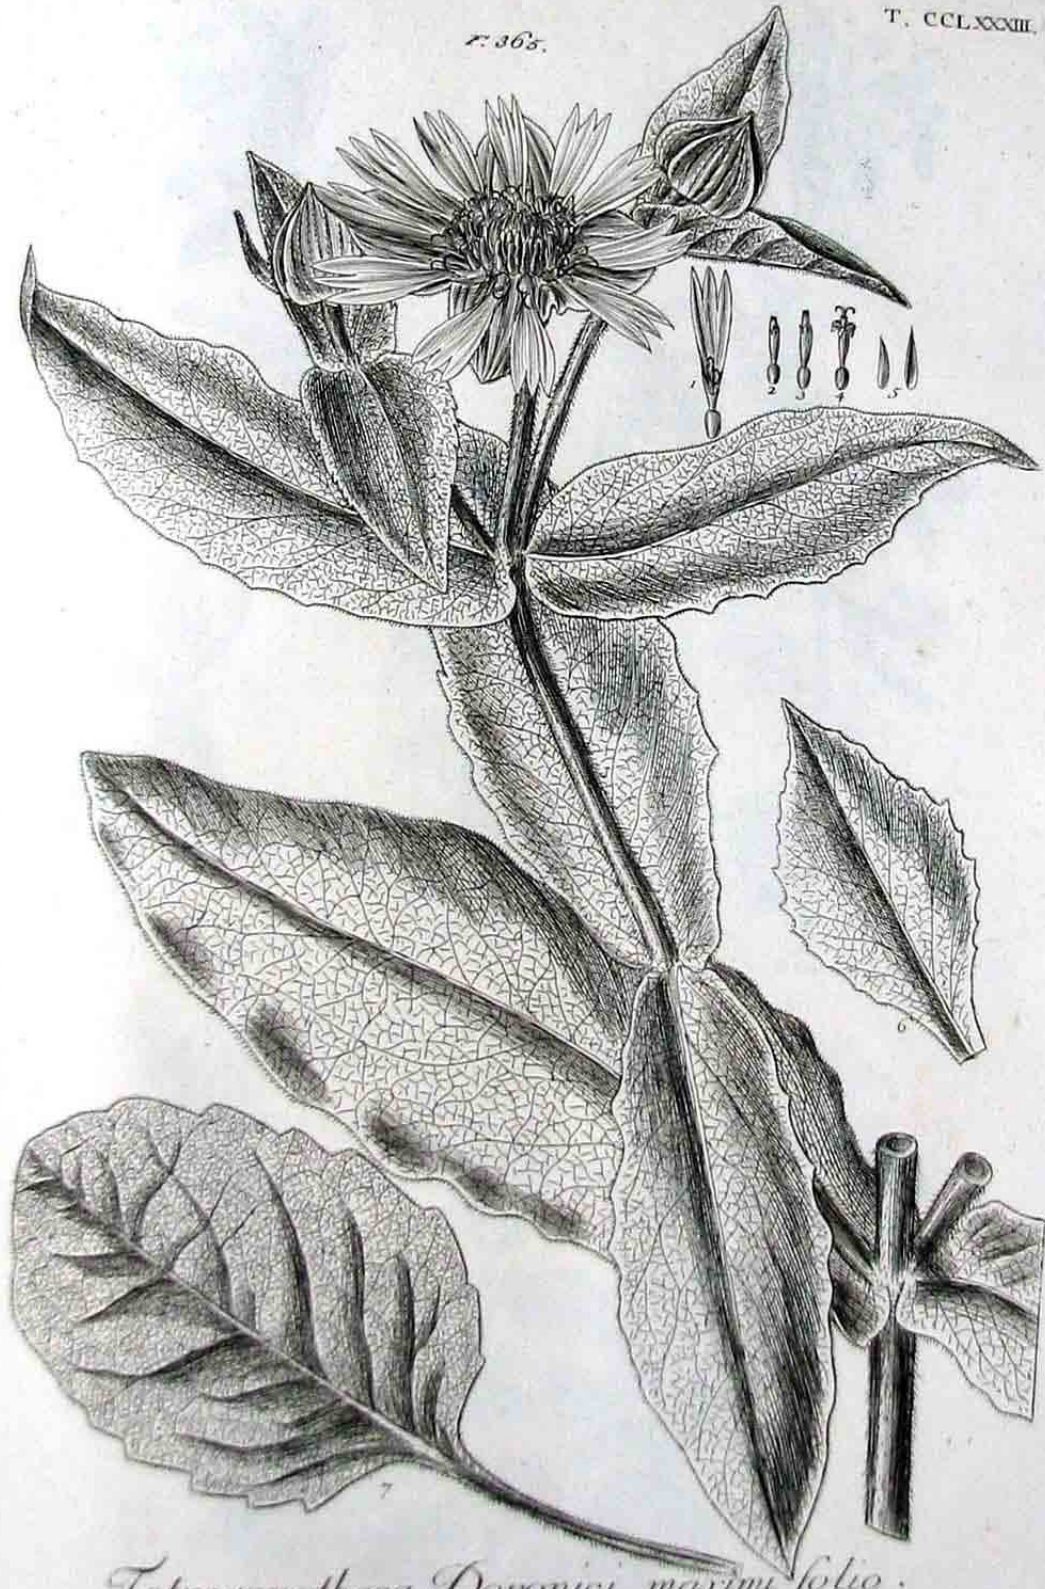

27 27 27

*Telephium folio globoso.*

*Telephoides Grecum humifusum, flore albo* Tournefortii.

*Tetragonotheca Doronici maximi folio.*

F. 366.

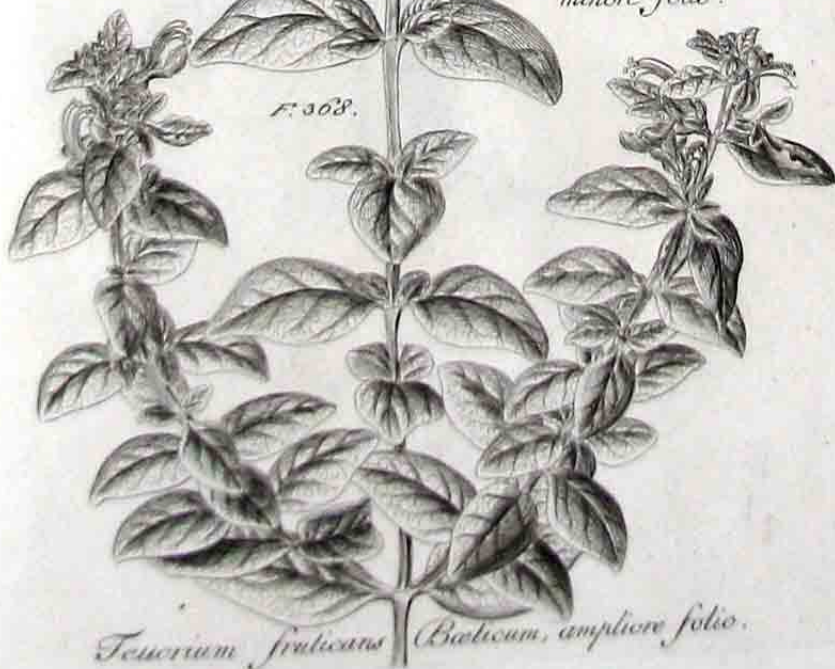

F. 367.

*Teucrium fruticans* Bæticum Clus.

*Teucrium fruticans* Bæticum, minor. folio.

F. 368.

*Teucrium fruticans* Bæticum, ampliore folio.

P. 380.

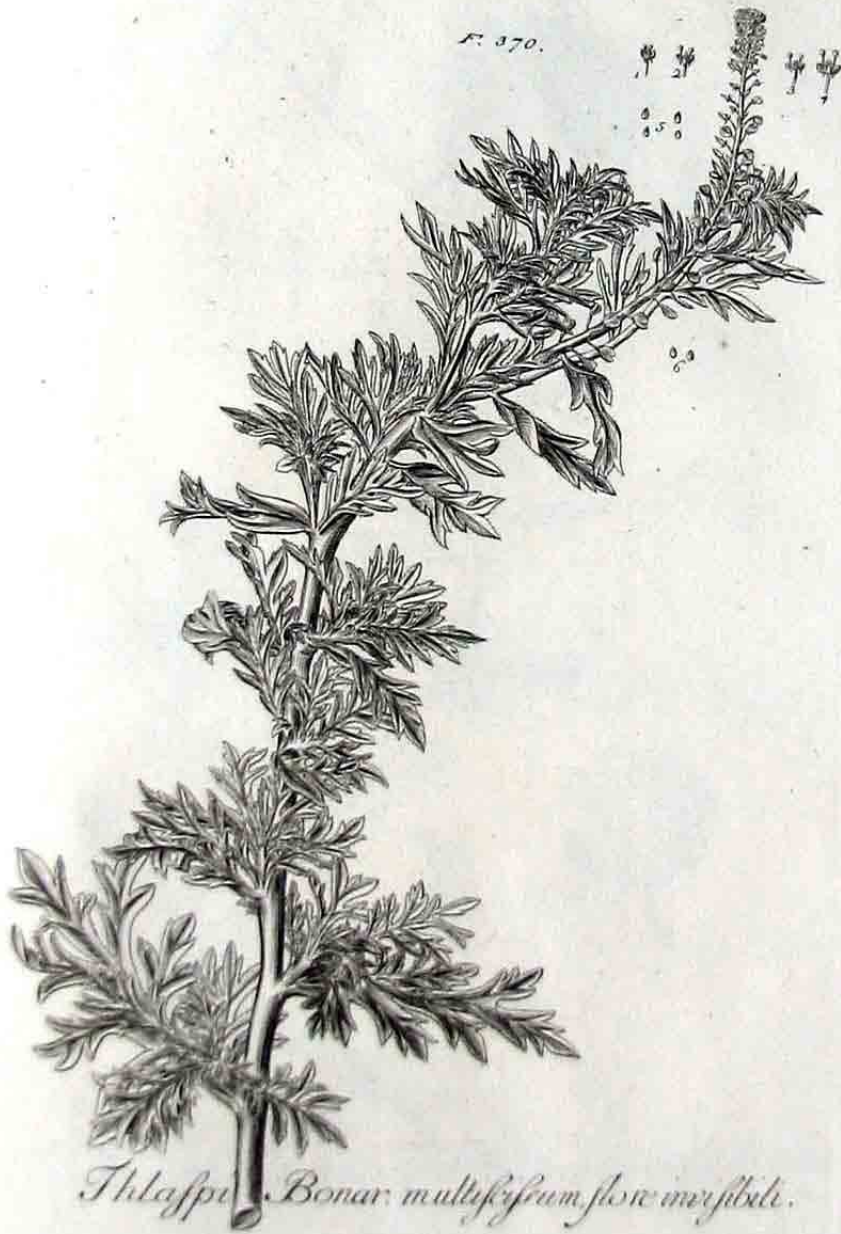

F. 369.

T. CCLXXXV.

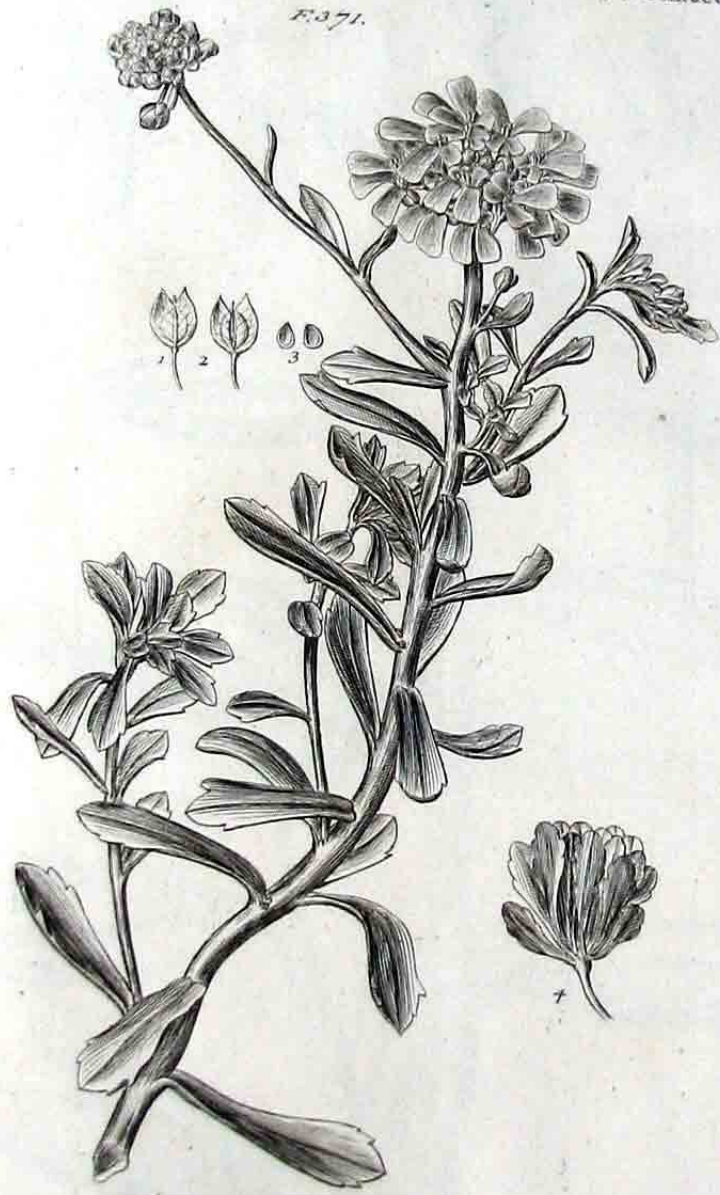

*Teucrium Virginicum, Origani folio.*

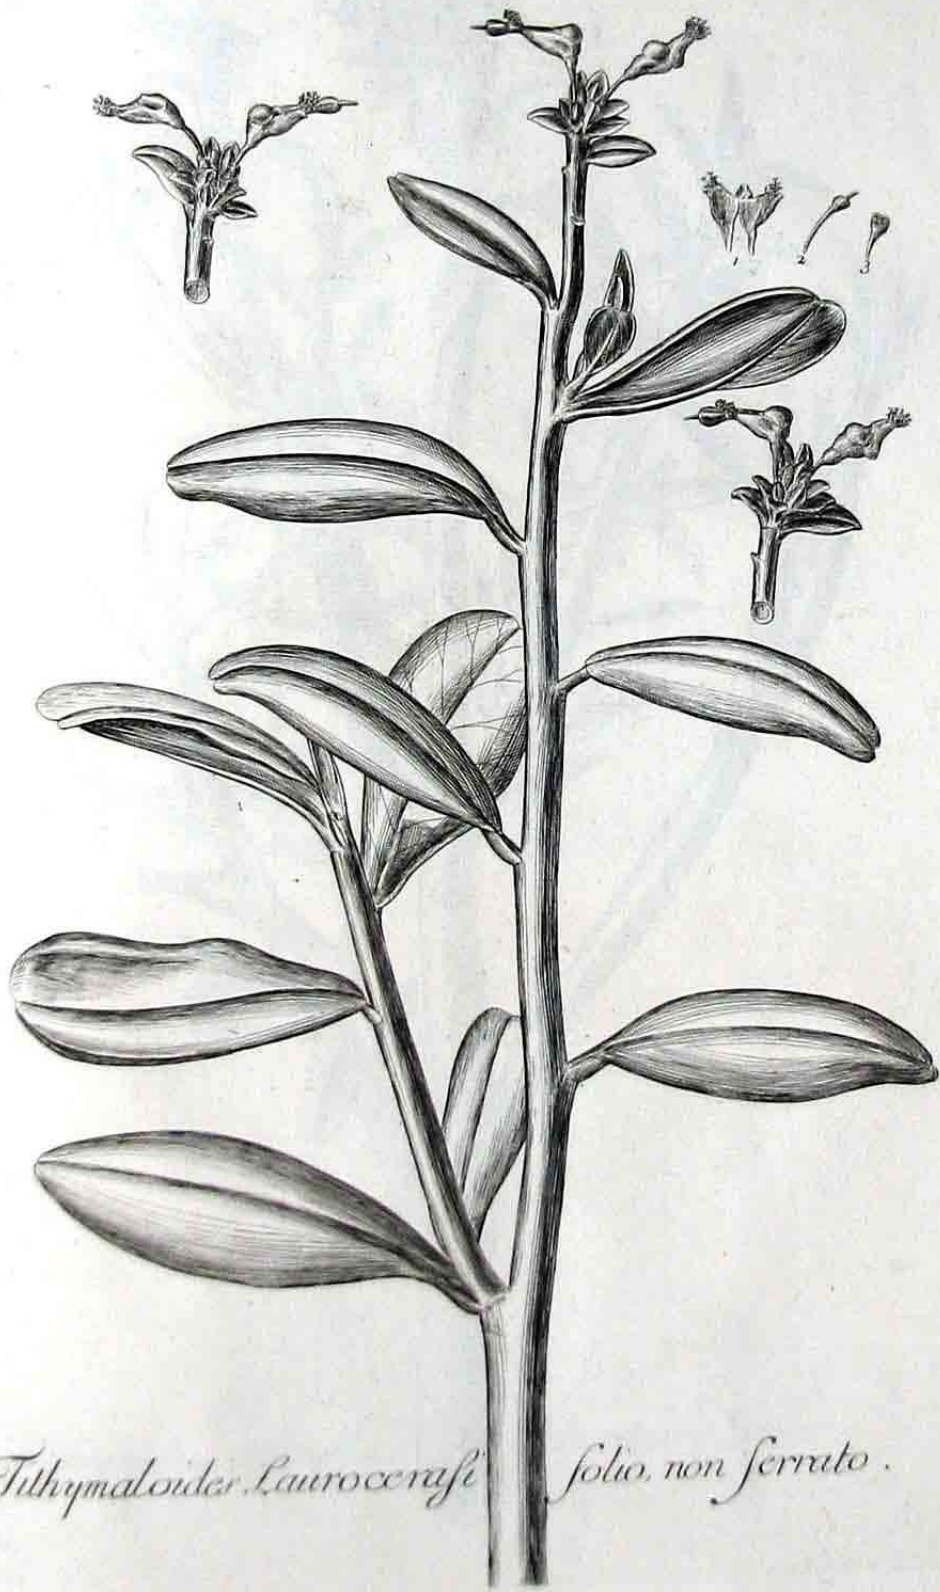

F. 370.

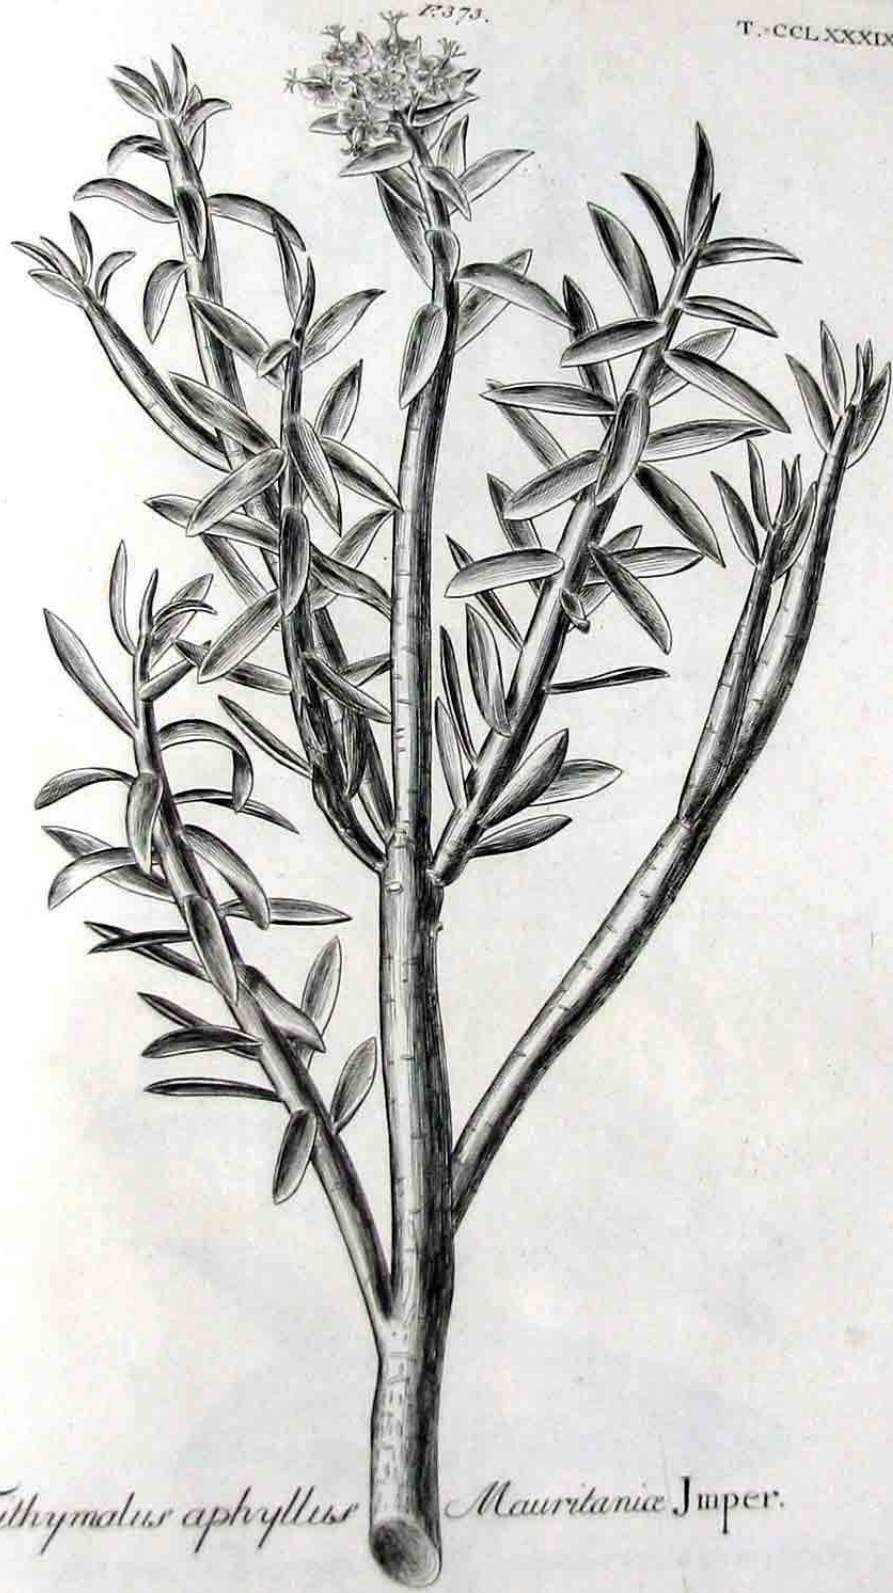

*Thlaspi Bonar. multiflorum flore invisibile.*

*Thlaspidium Hispan. ampliore flore, folio crispedentato.*

*Tithymaloides Laurocerasifolia* folio, non serrato.

*Tithymalus aphyllus* Mauritaniae Imper.

P. 587.

F. 374.

T. CCXC.

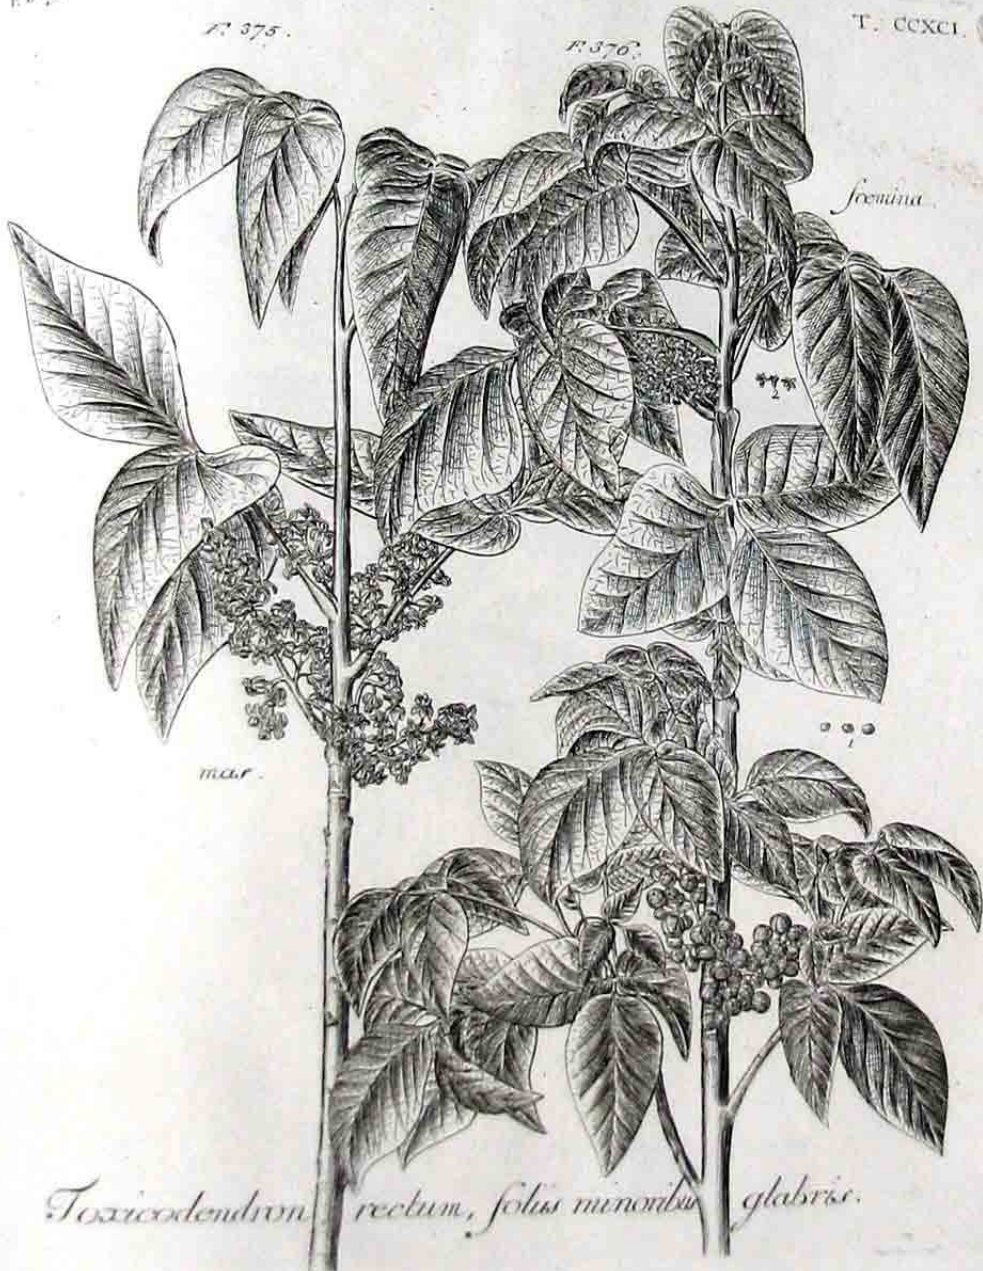

*Tithymalus Iibernicus*, vasculis muricatis erectis.

R. 370.

R. 375.

R. 376.

T. CXCXI.

*Toxicodendron radicans, foliis minoribus glabris.*

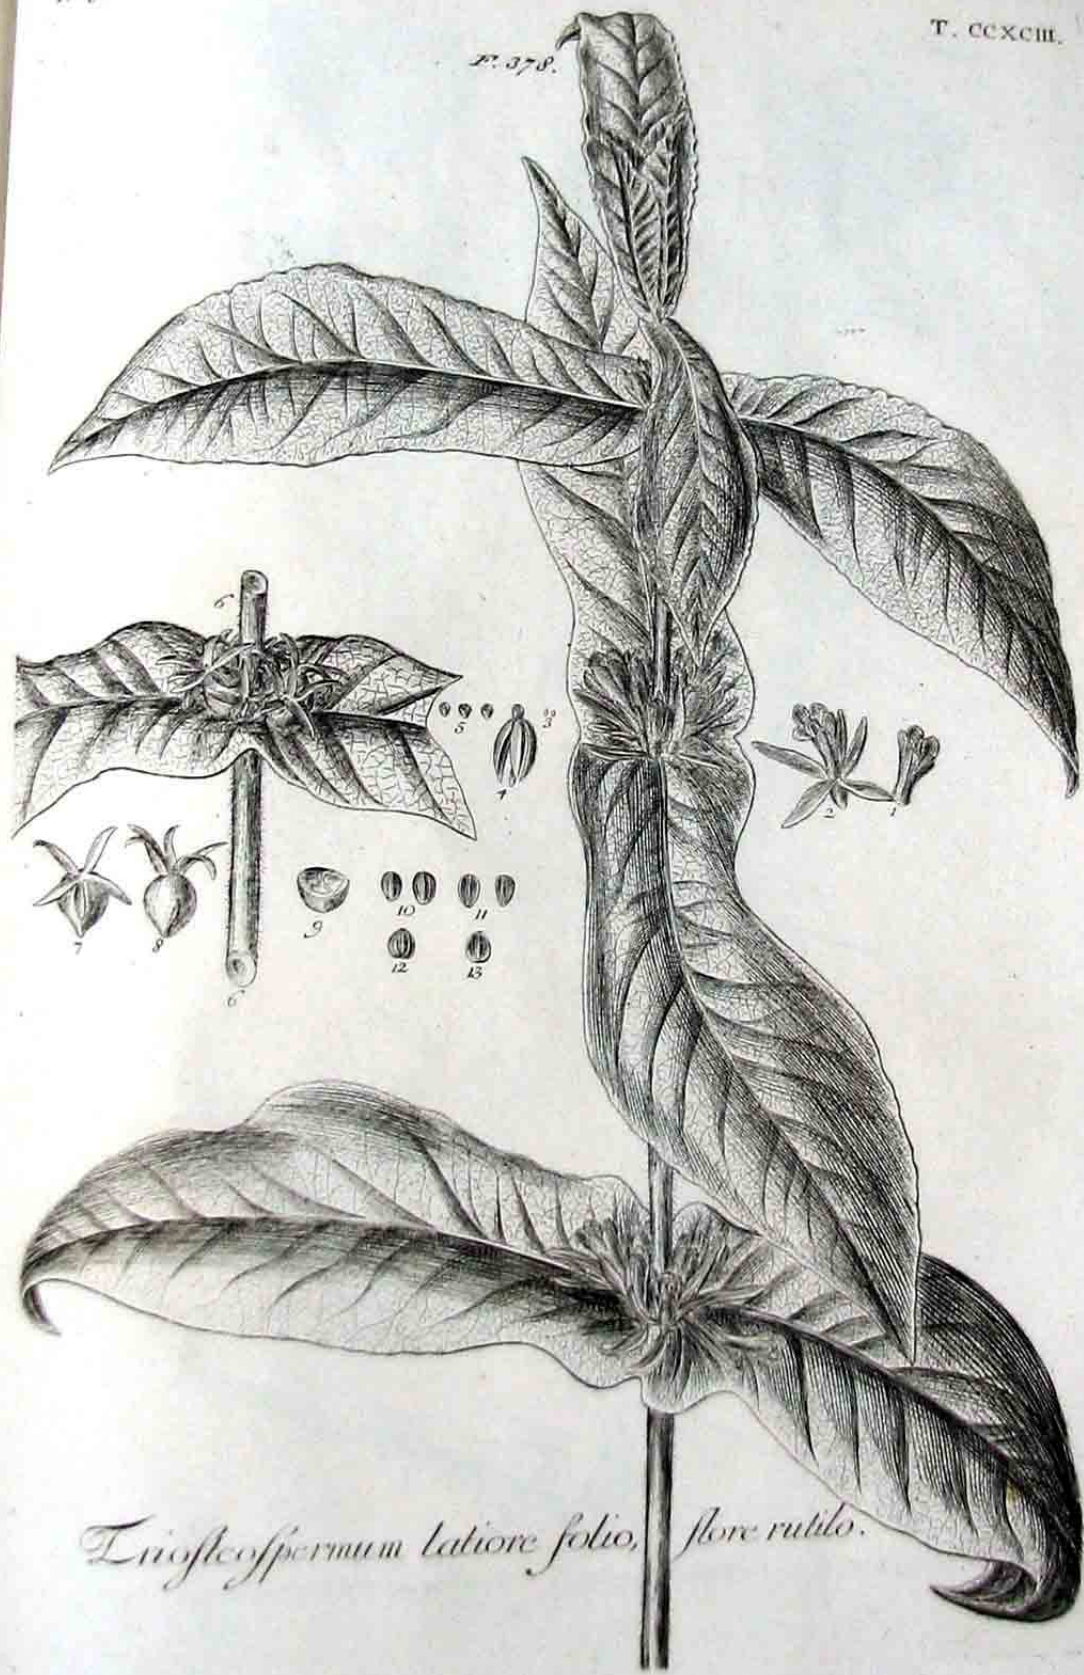

P. 590.

P. 377.

T. CCXCII.

*Toxicodendron foliis ala-  
tis, fructu rhomboide.*

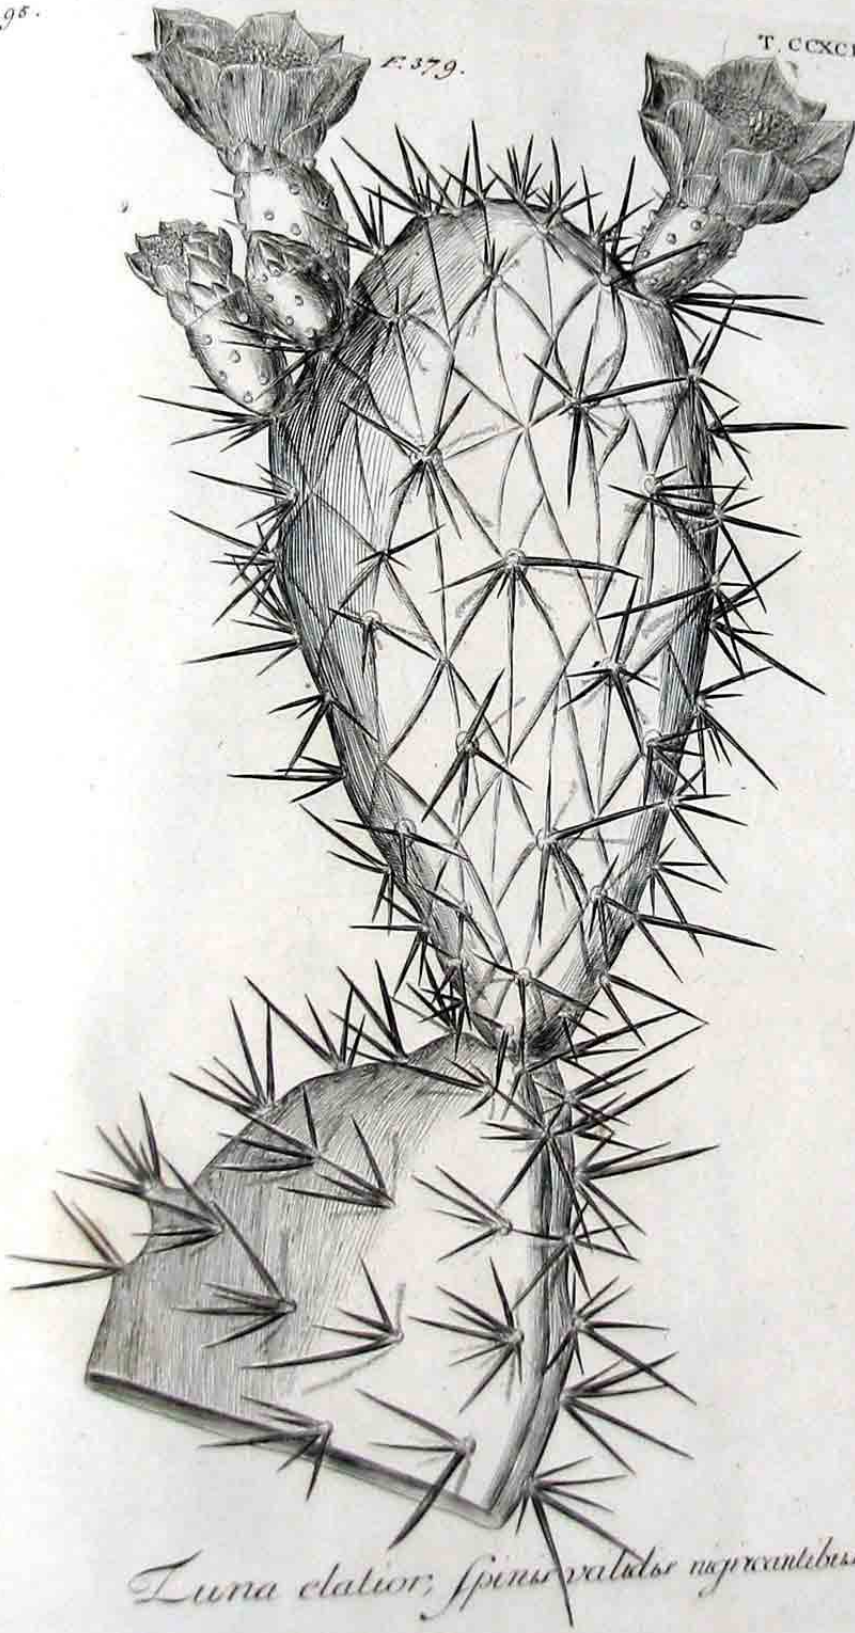

*Triostegium latifolium, flore rubro.*

p. 398.

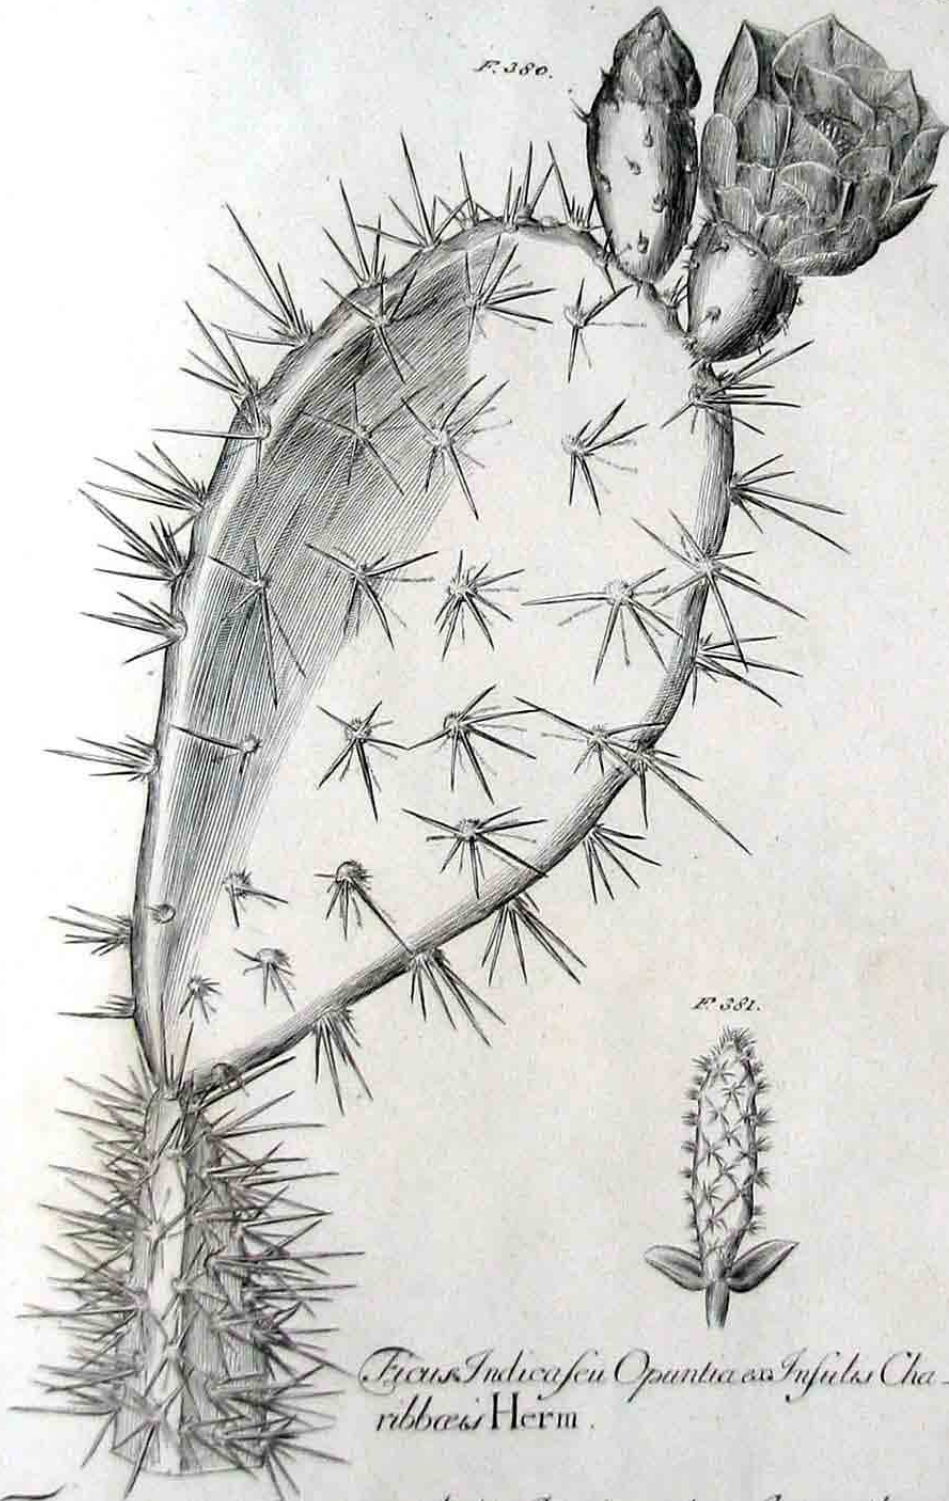

F. 379.

T. CCXCIV.

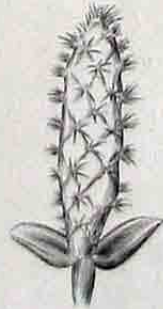

*Luna elatior; spines valde nigricantibus.*

F. 380.

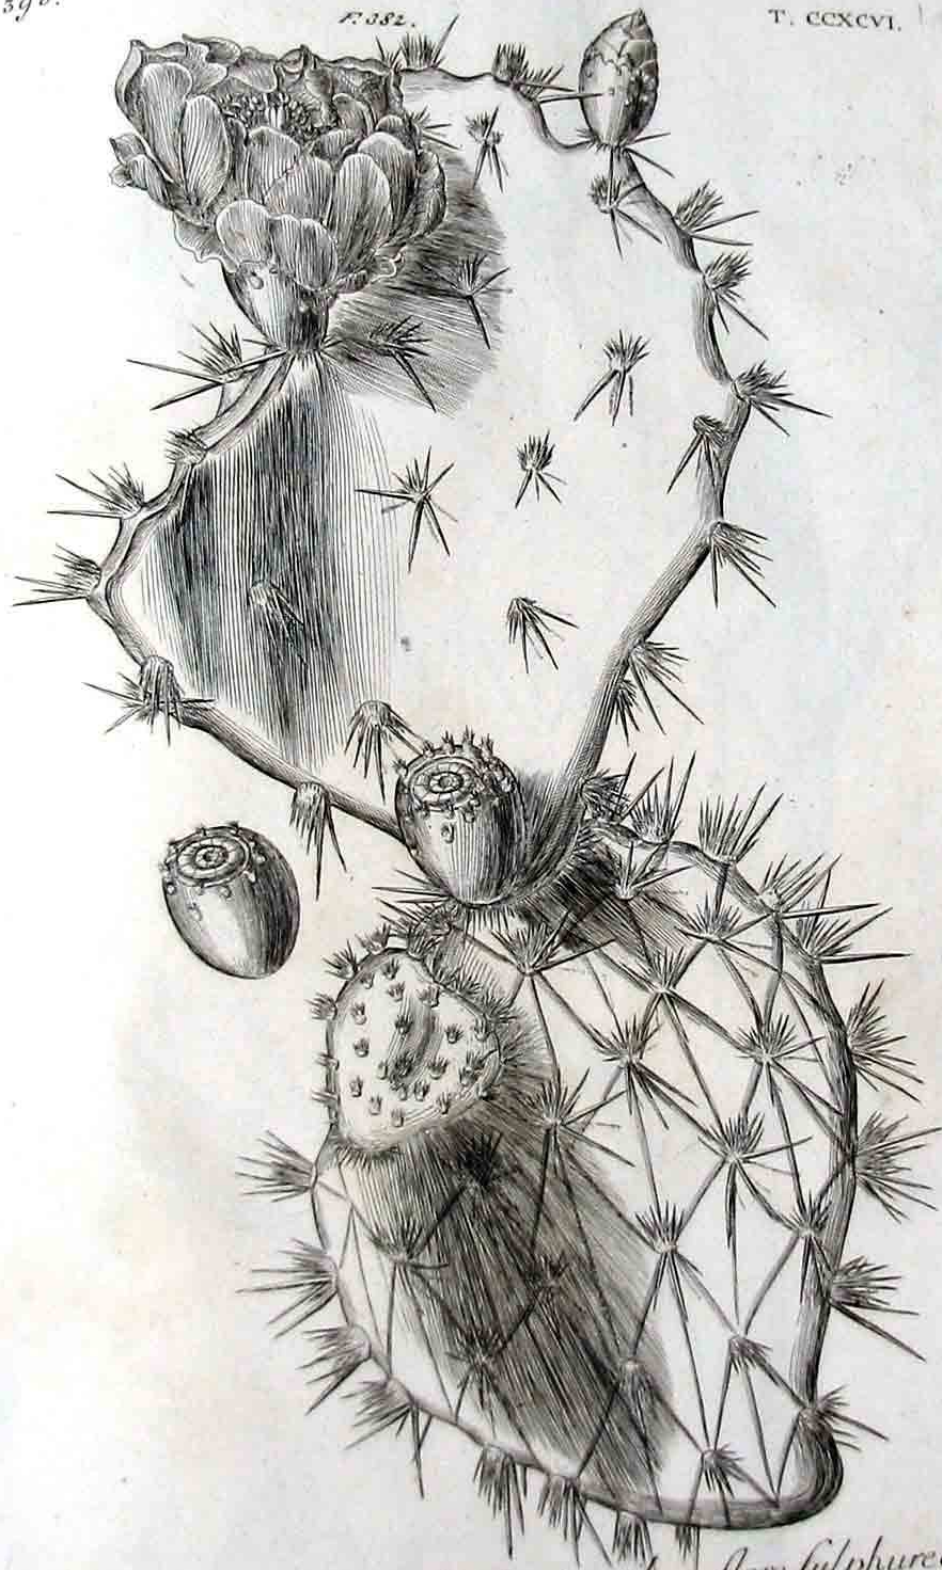

F. 381.

*Ficus Indica* seu *Opuntia* ex *Infulis* *Charibbaei* *Herm.*

*Luna* major, *spinis* validis *flavicantibus*, *stere* gilvo.

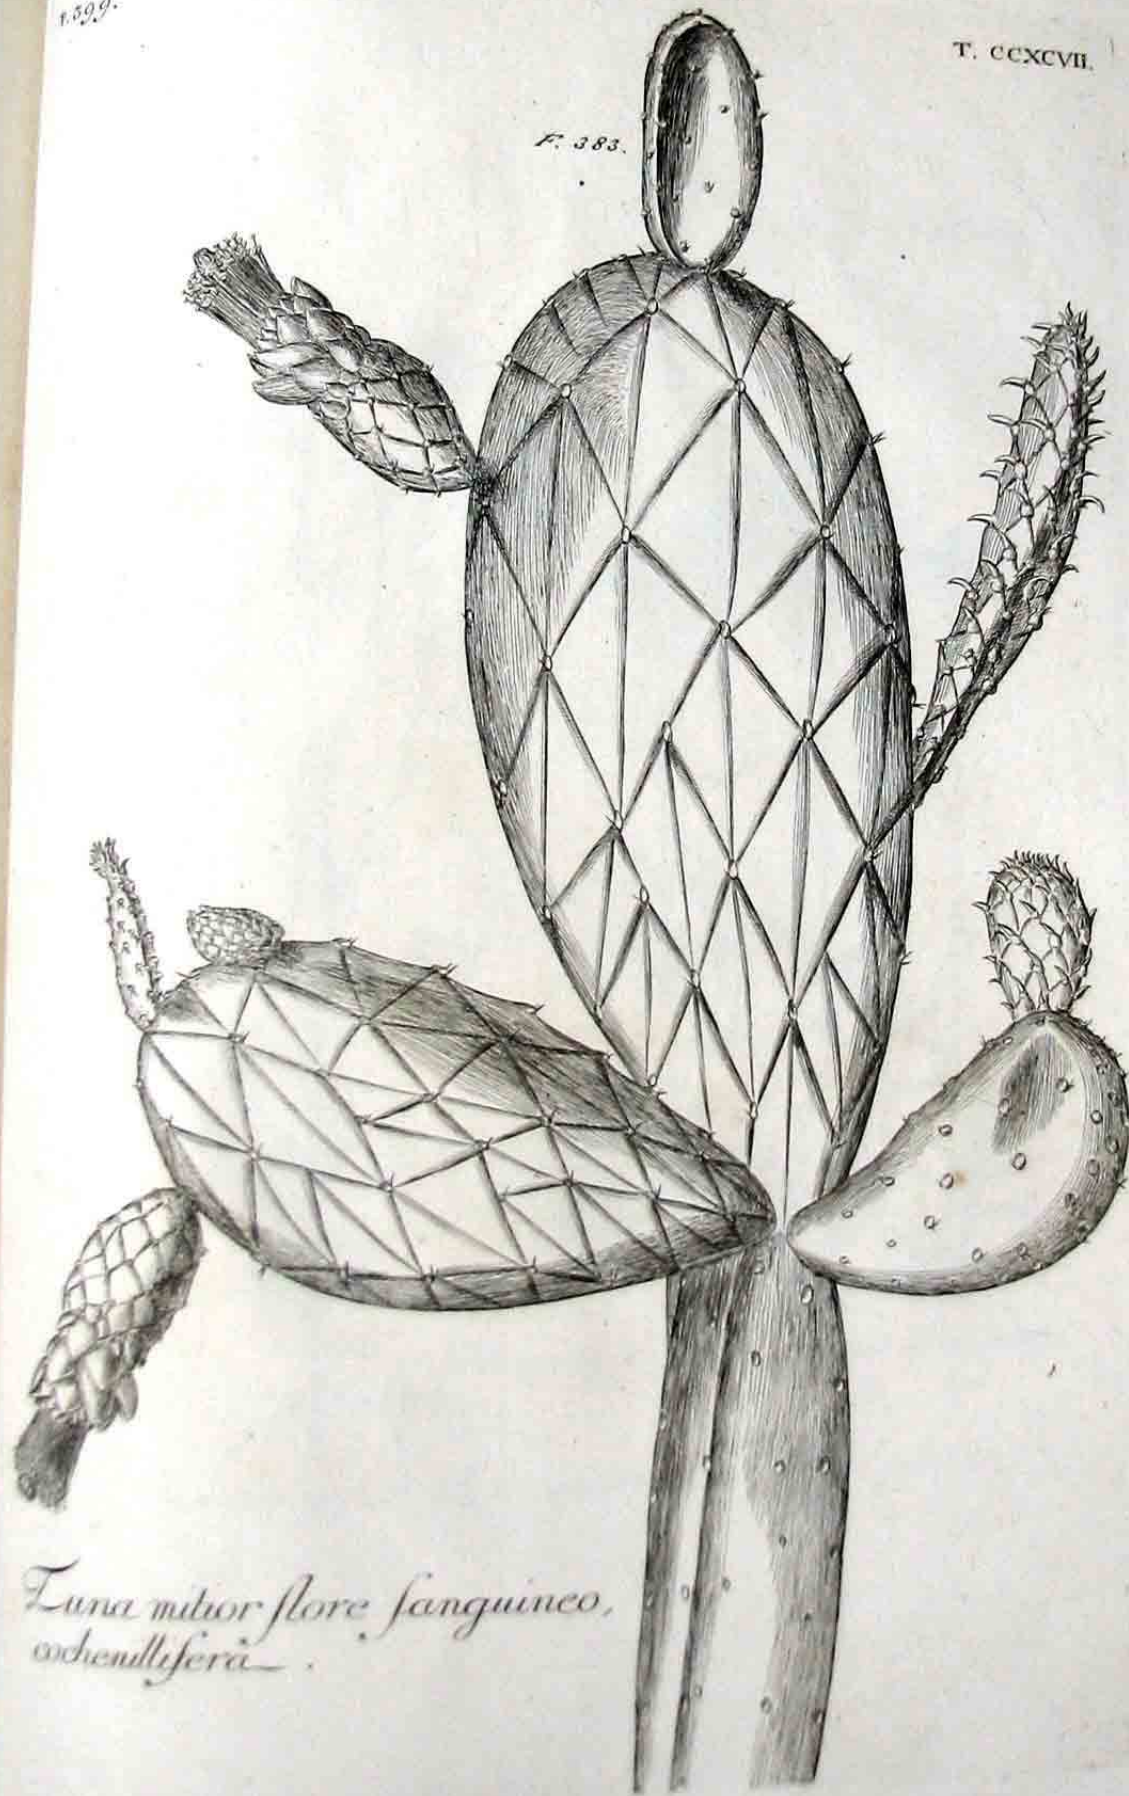

*Tuna major spinis validis flavicantibus flore sulphureo.*

1599.

T. CCXCVII.

F. 383.

*Luna mitior flore sanguineo,  
cochenillifera.*

2400.

T. CCXCVIII.

F. 384.

F. 385.

*Tunica rupestris*, folio casto molli, flore carneo.

*Tunica ramosior*, flore candido, cum corolla purpurea.

P. 405.

F. 380.

T. CCXCIX.

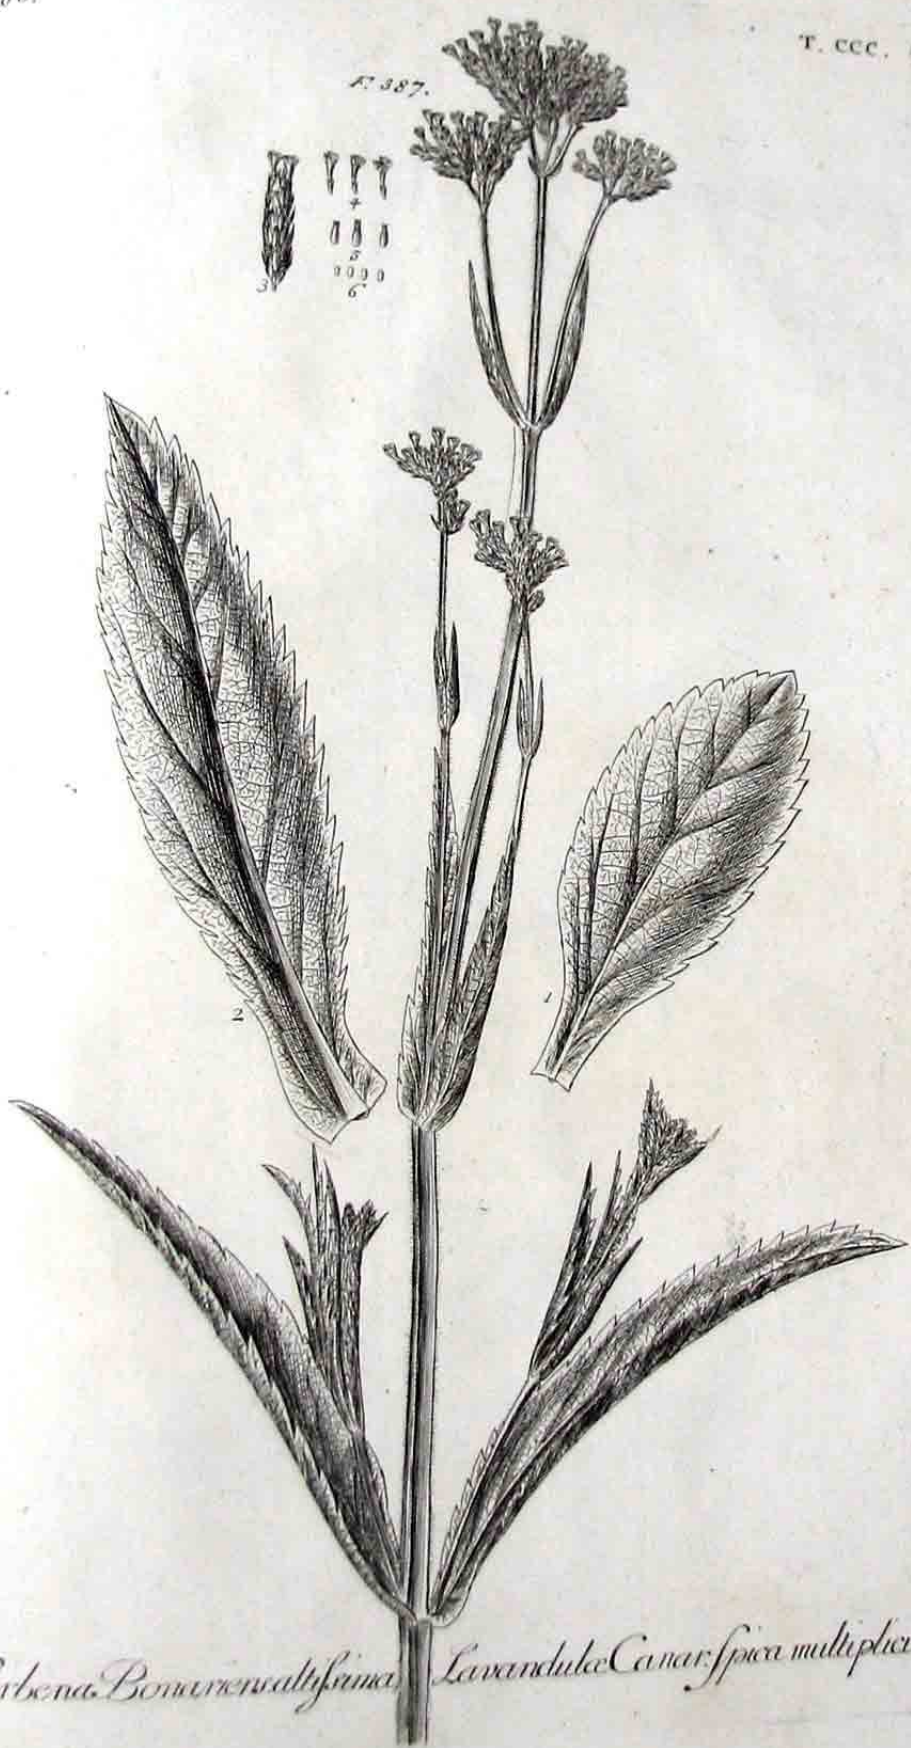

*Valerianella Canariensis frutescens. Simpla nobilis dicta.*

P. 406.

T. CCC.

F. 387.

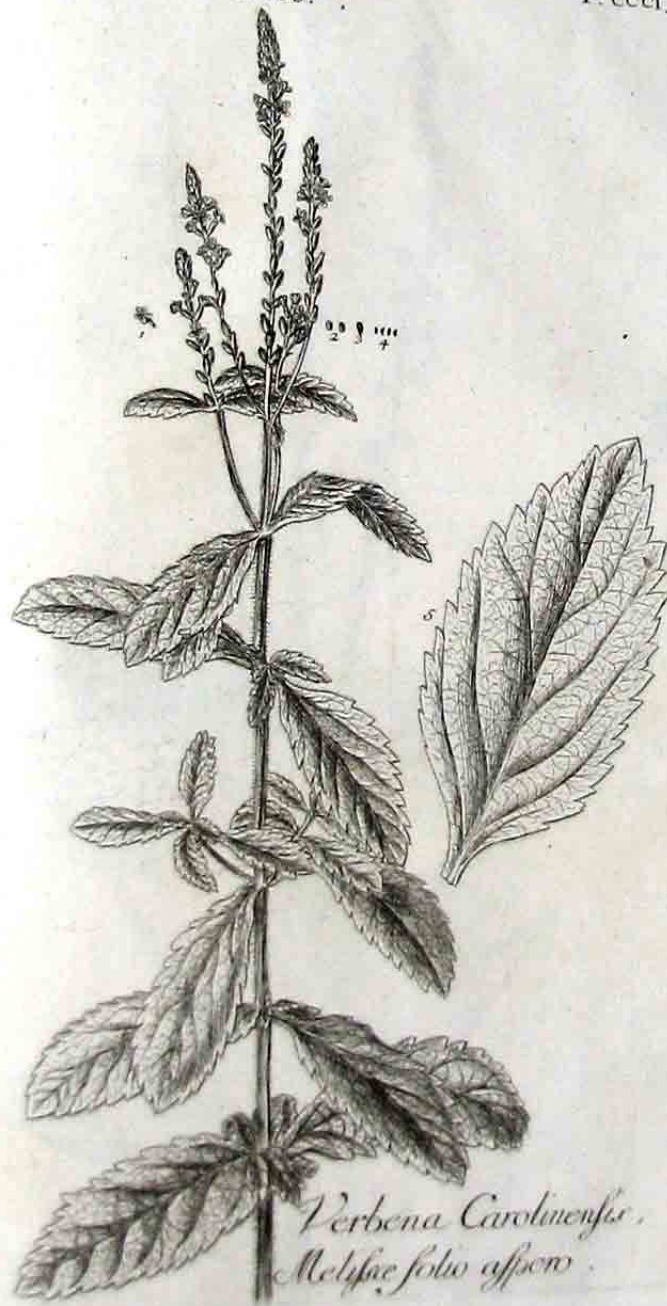

*Verbena Bonariensis altissima* Lavandulae Canar: spicae multiplice.

P. 407.

F. 388.

T. CCCI.

*Verbena Carolinensis.*  
*Melissae folio aspero.*

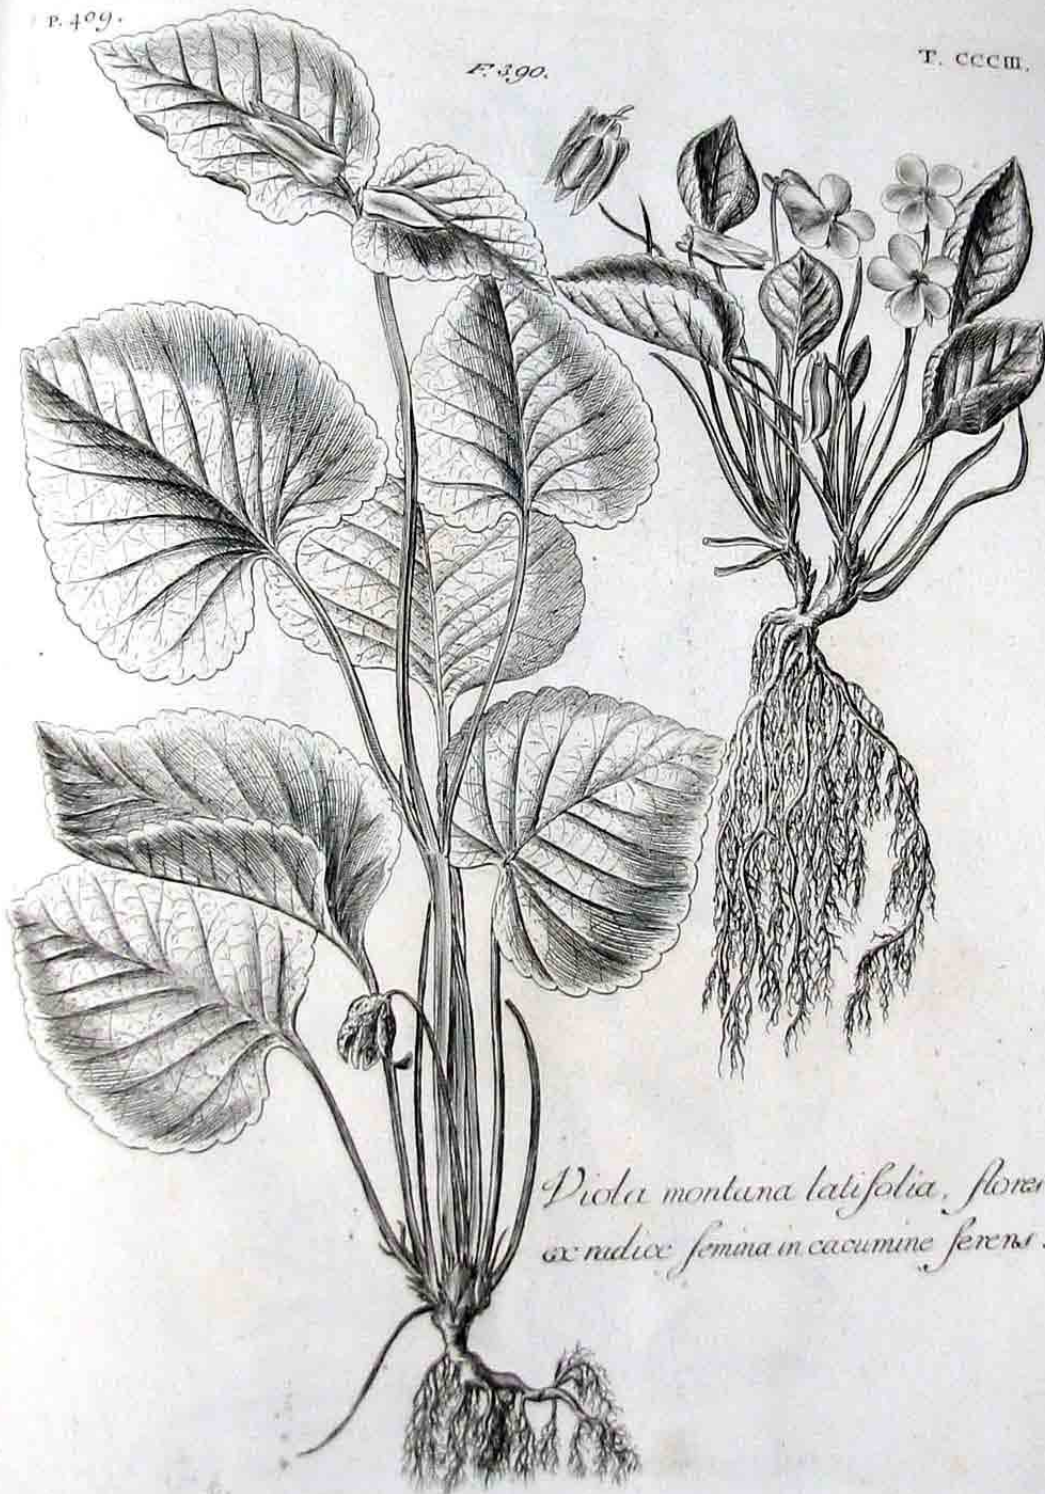

P. 408.

P. 389.

T. CCCII.

*Verbena Mexicana Trachelu folio. fructu Aparinae.*

*Viola montana latifolia, flores  
ex radice femina in cacumine ferens.*

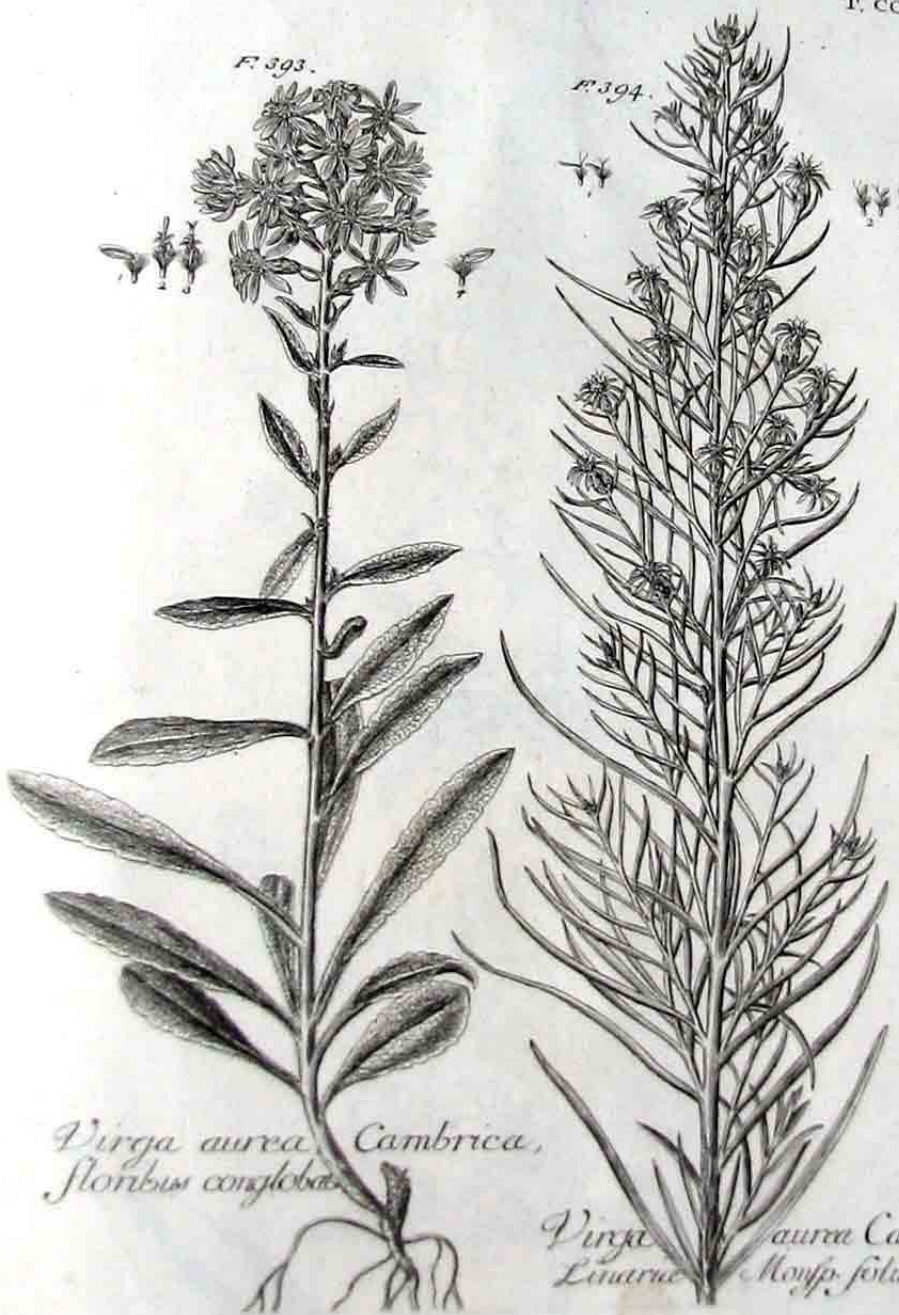

*Virga aurea Amerhufute radice odonita Joncq*

*Virga aurea Am. aspera.*  
*foliis brevioribus serratis.*

F. 393.

F. 394.

*Virga aurea Cambrica,  
floribus conglobatis.*

*Virga aurea Carol.  
Linearis Monsp. foliis.*

F. 395.

*Virga aurea Martandica, caesia, glabra.*

*Virga aurea* N. Angliae. majore folio *crenalis* Herm.

P. 417.

F. 397.

T. CCCIX.

F. 398.

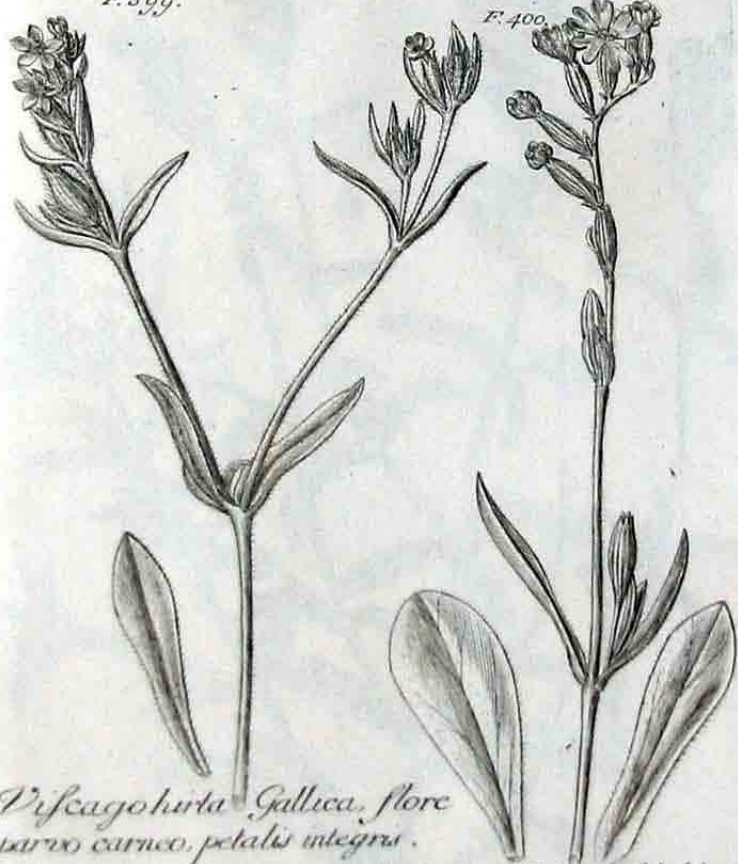

*Dyscago Cerastii folius, Dyscago Cerastii folius,*  
*vasculis erectis sessilibus. vasculis pendulis Anglica.*

P. 419.

F. 399.

T. CCCX.

F. 400.

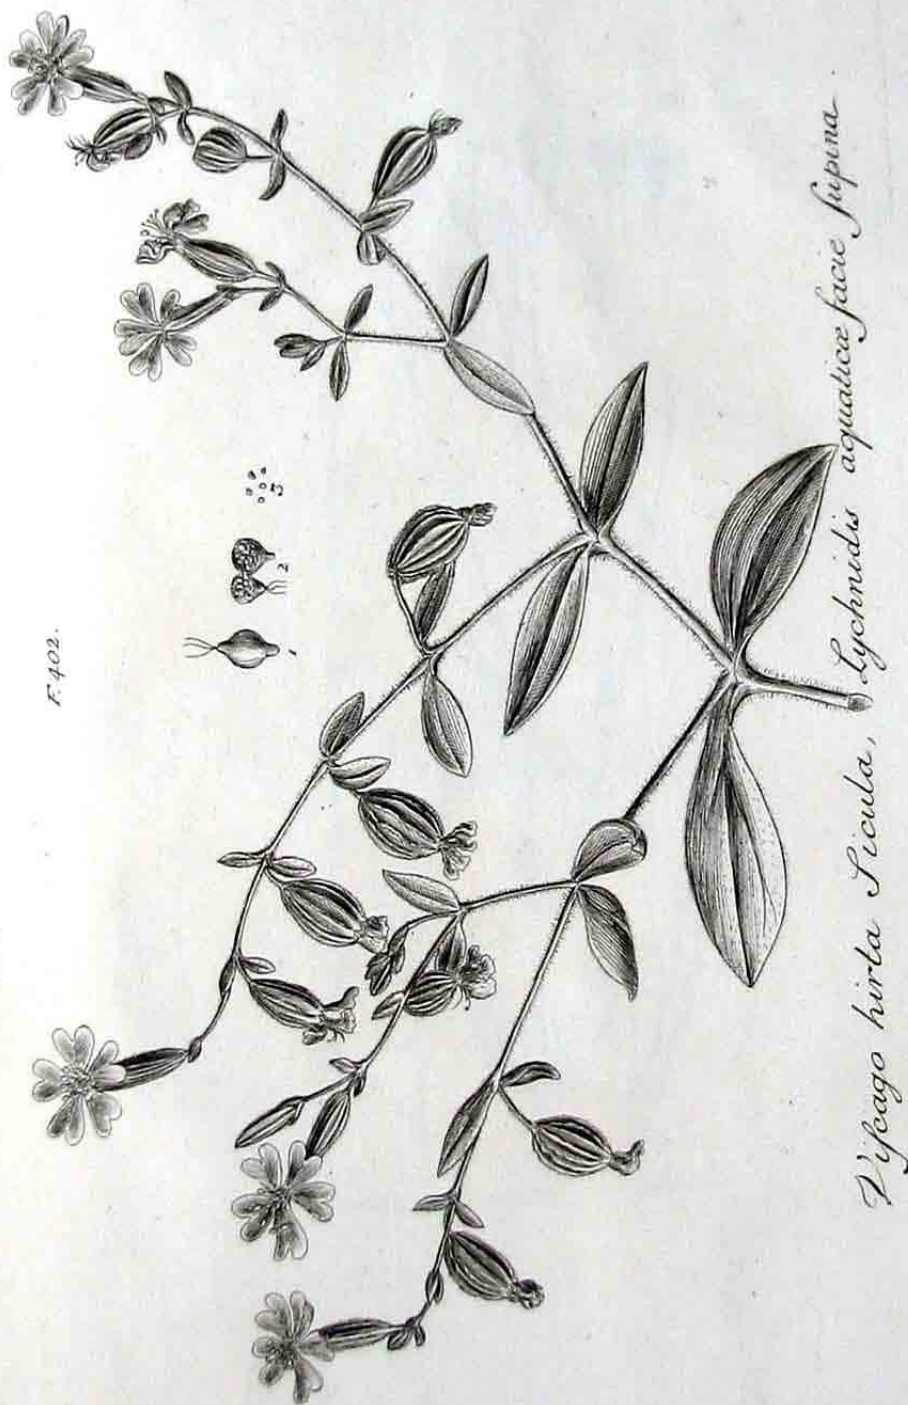

*Viscago hirta* Gallica, flore  
parvo carneo, petalis integris.

*Viscago hirta* noctiflora, flor. obfcl. spicatis.

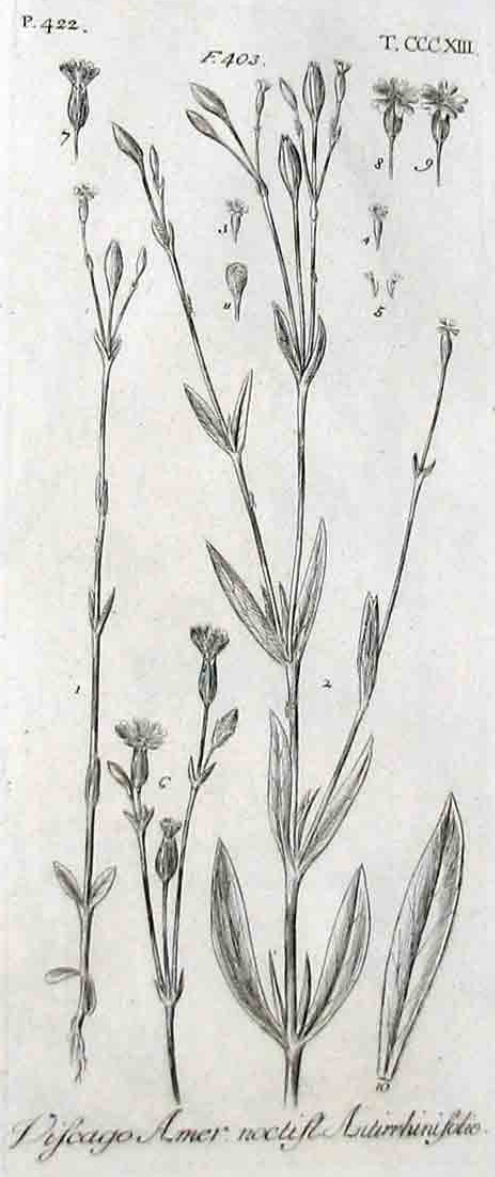

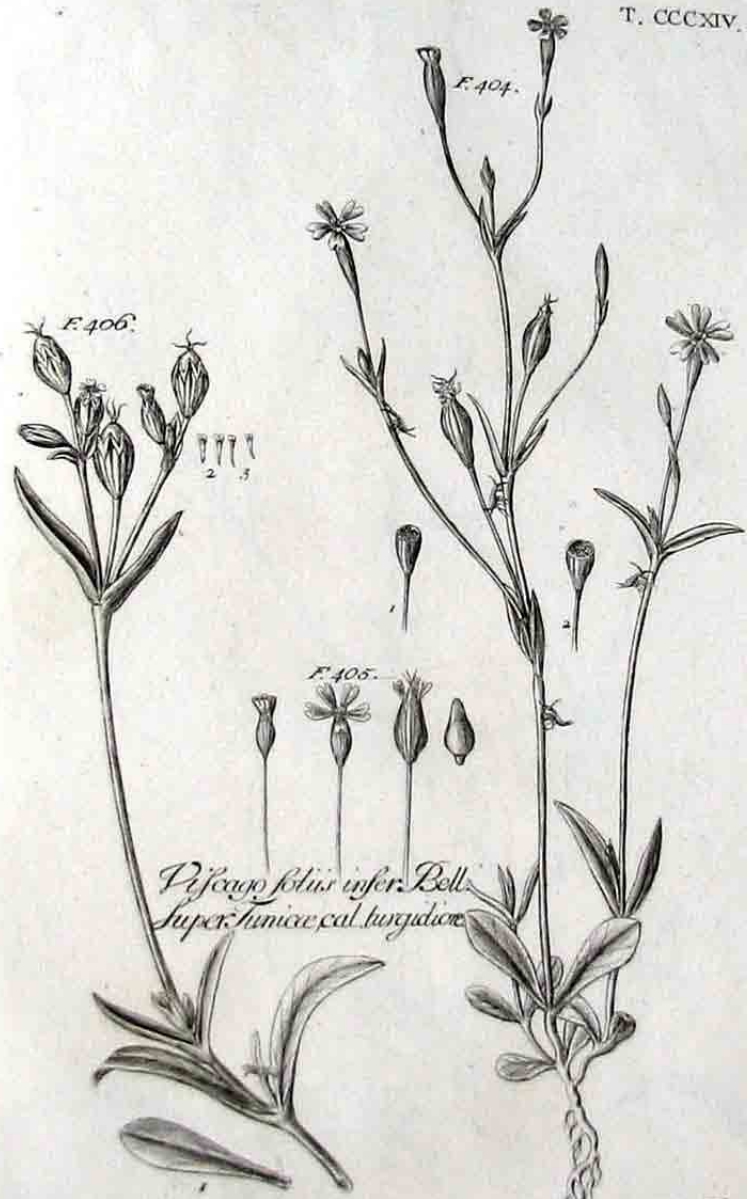

*Viscago hirta* Lusitan. stellato flore.

F. 402.

*Pycnago hirta L.* *Lychnidis aquatica Jacq.*

*Viscago foliis infer. Bell.*  
*Super. tunice cal. luteo-dice*

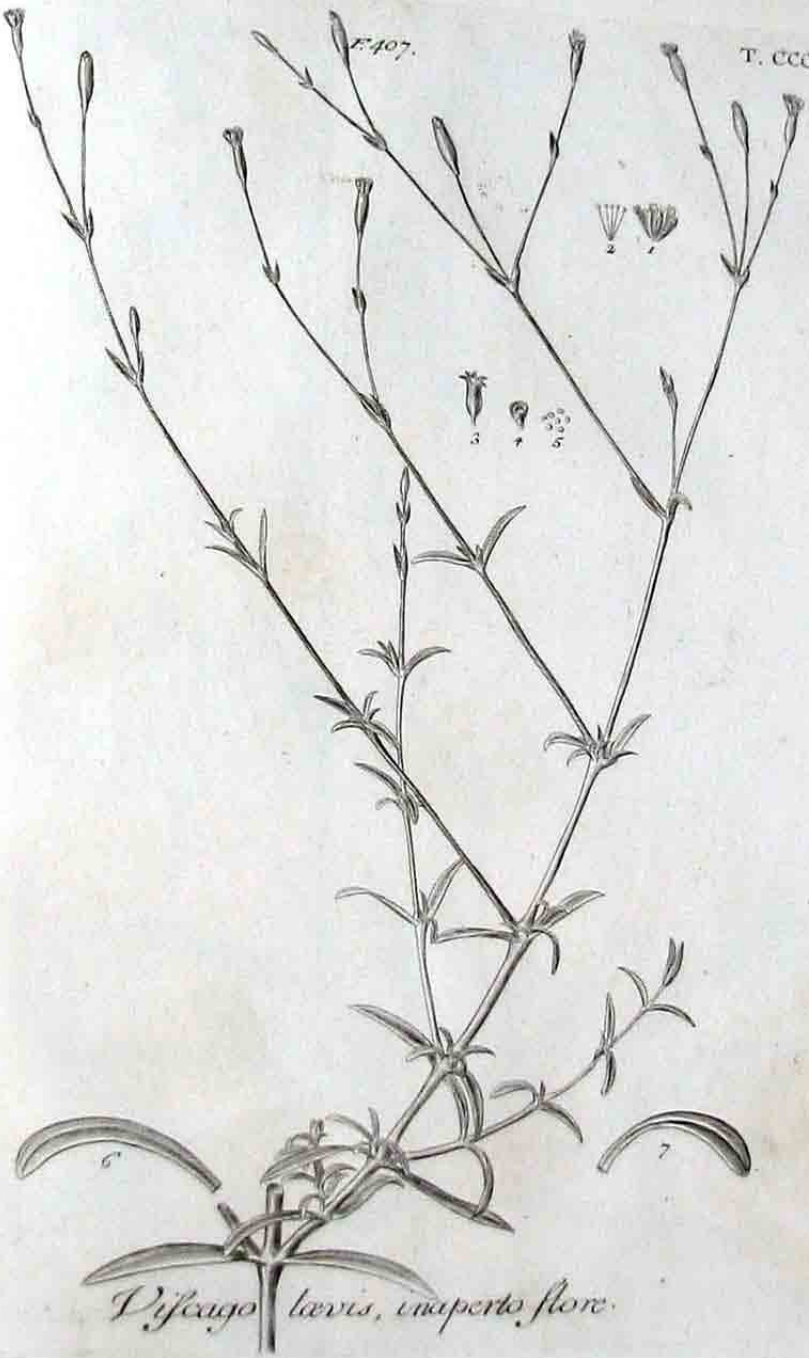

*Viscago Lusitanica,*  
*stare rub. vix conspicuo.*

*Viscago fol. infer. Bell.*  
*Super. Tunice, calice strictione.*

P. 424.

F. 407.

T. CCCXV.

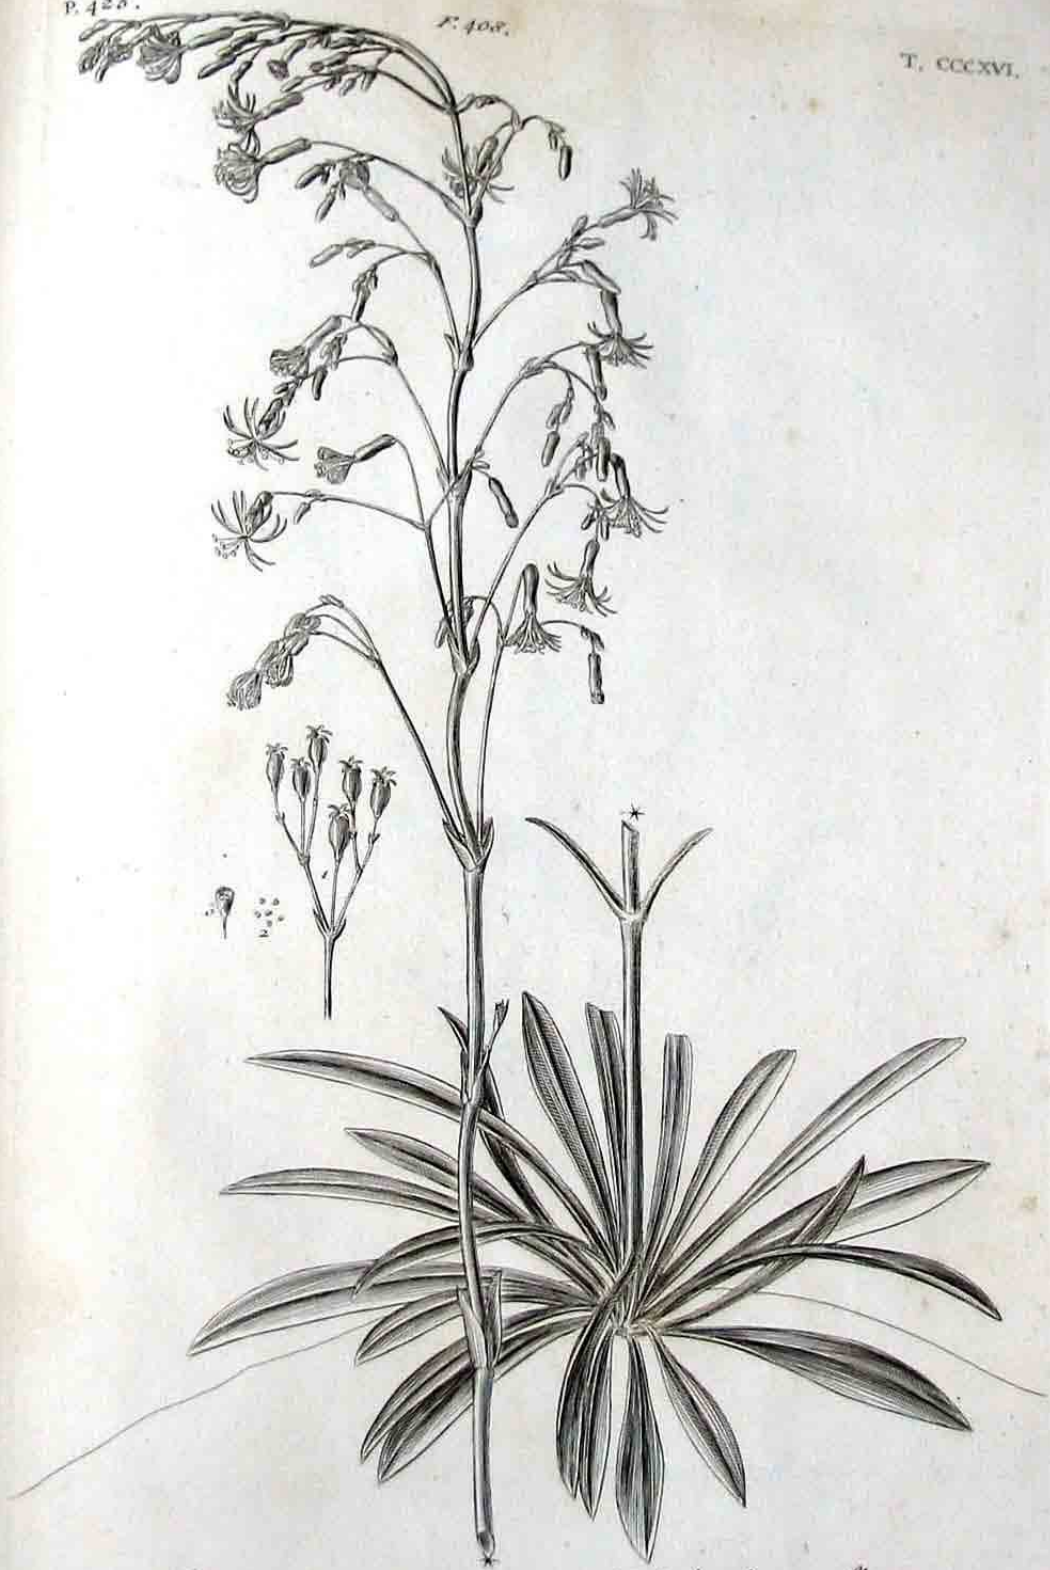

*Ranunculus laevis, unaperta flore.*

P. 428.

F. 408.

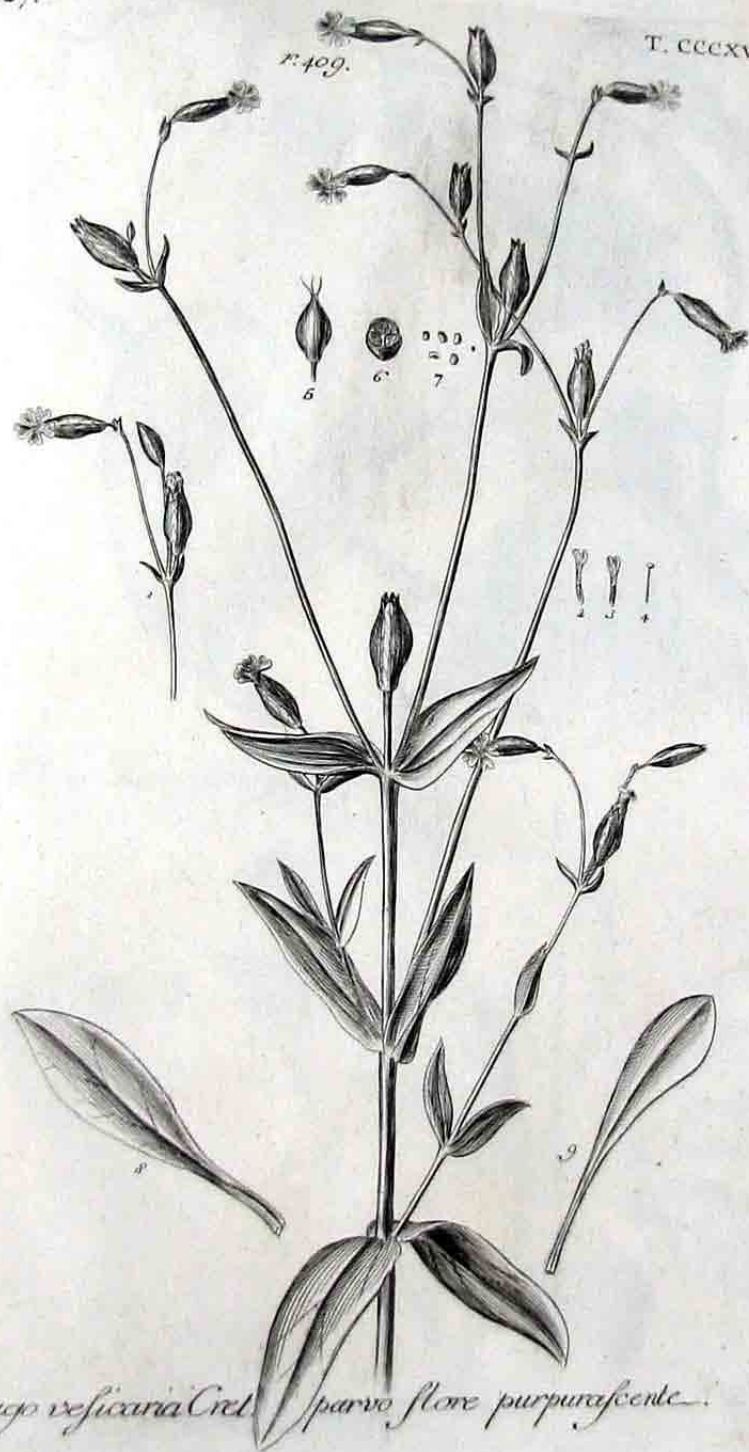

T. CCCXVI.

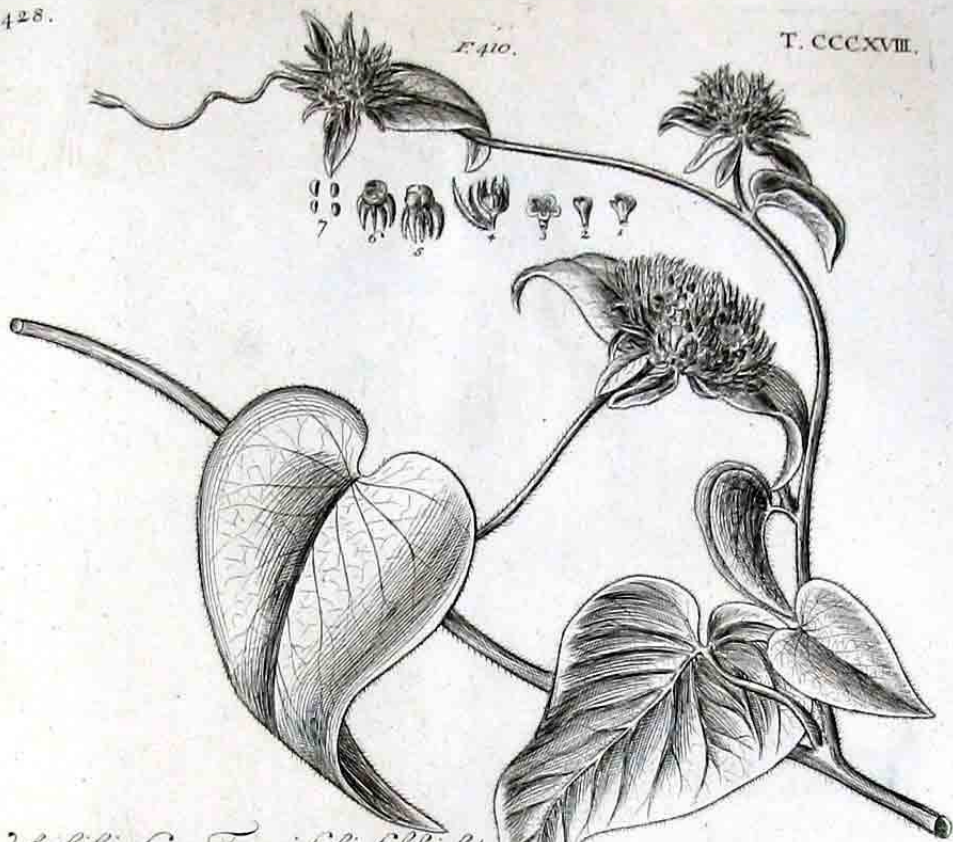

*Discago nocturna non viscosa herbaceo flore.*

T. 409.

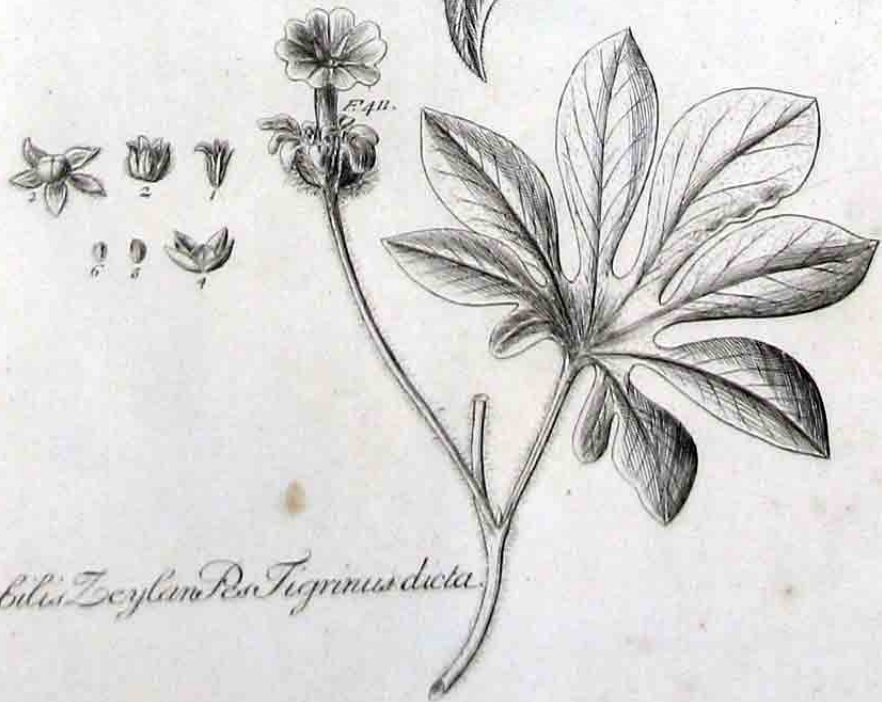

T. CCCXVII.

*Vicia vesicaria* Crd. parvo flore purpurascente.

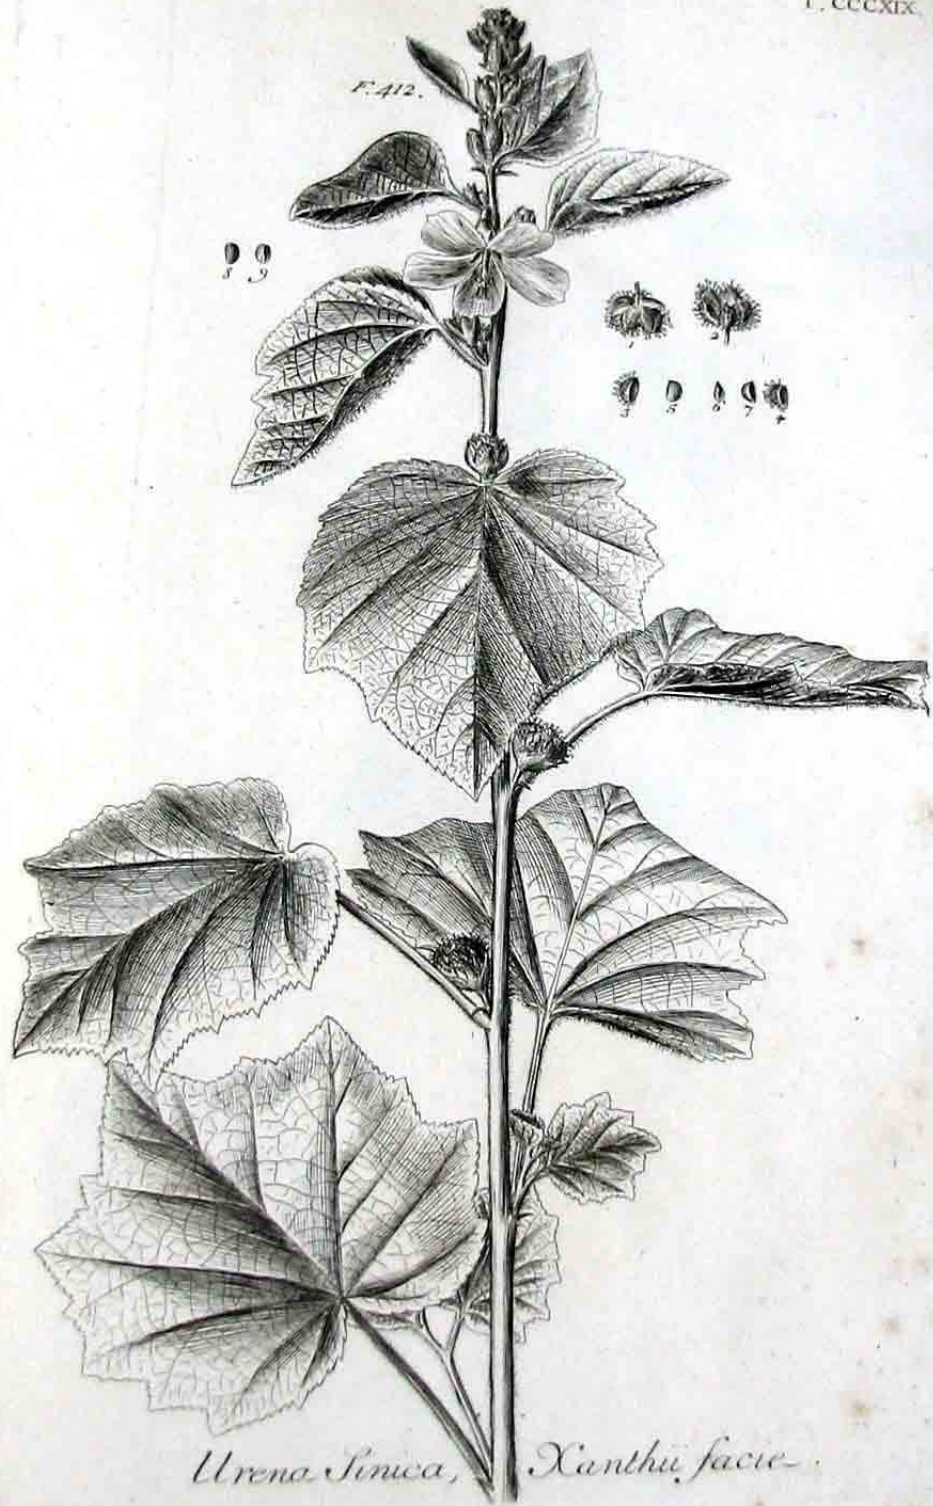

*Volubilis Car. Tamni folio subhirsuto.*

*Volubilis Zeylan. Pa. Tigrinus dicta.*

F. 412.

99

*Urena Sinica, Xanthi facie.*

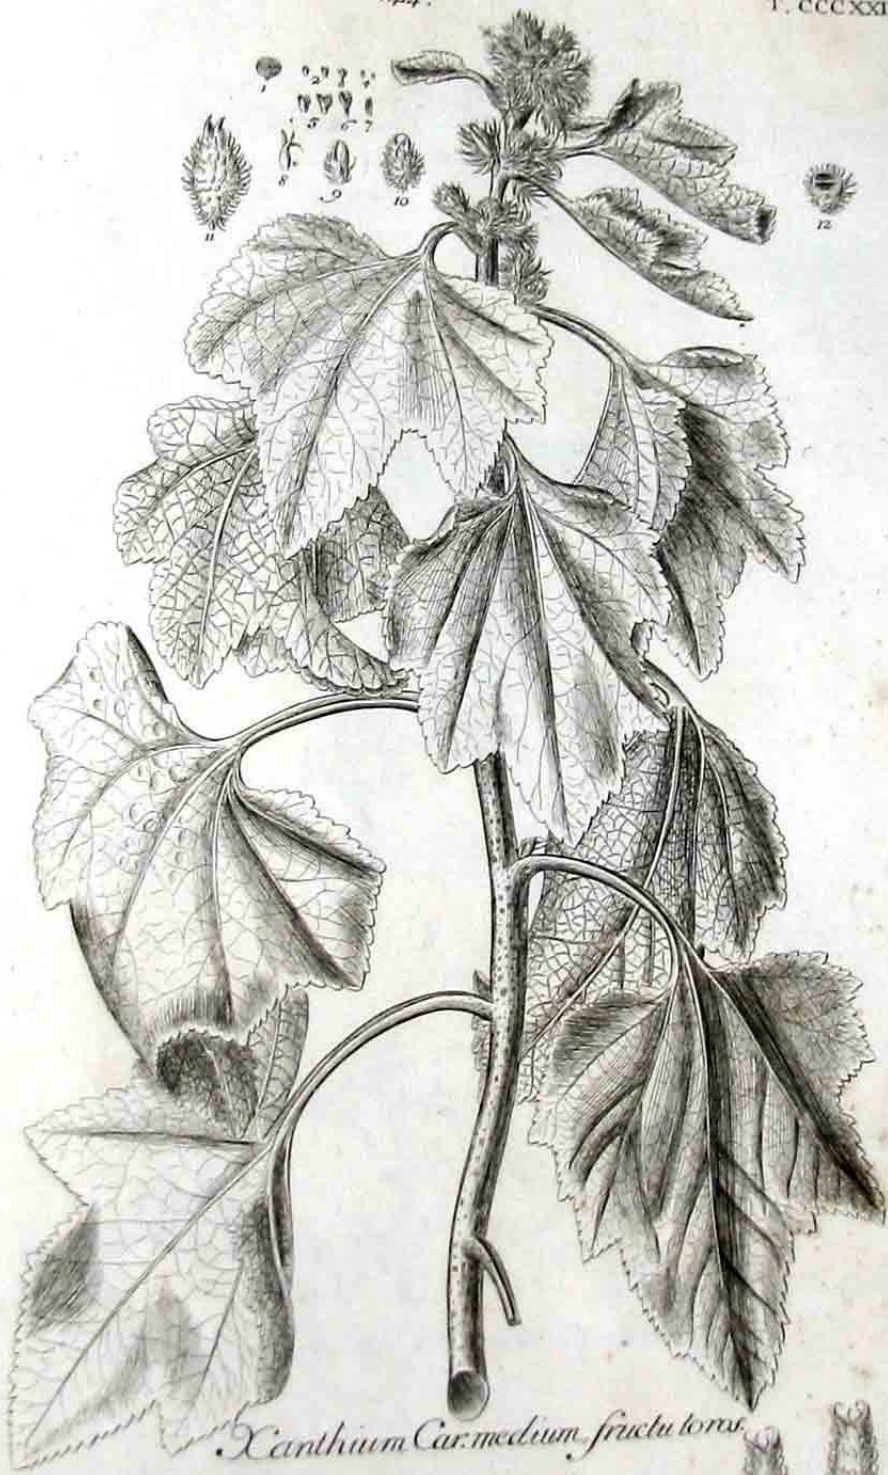

P. 431.

T. CCCXX.

K. 413.

*Vulnaria supina, flore coccinea L'hwyd.*

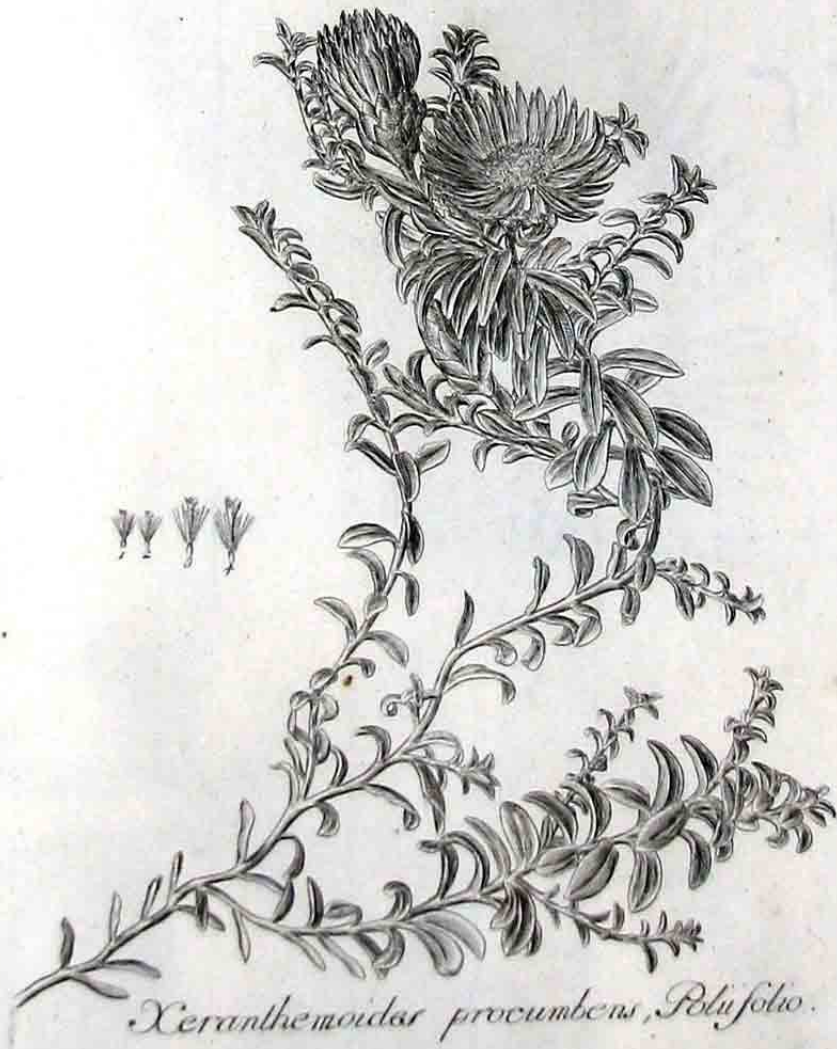

*Xanthium Car. medium fructu toms.*

P. 454.

T. CCCXXII.

F. 415.

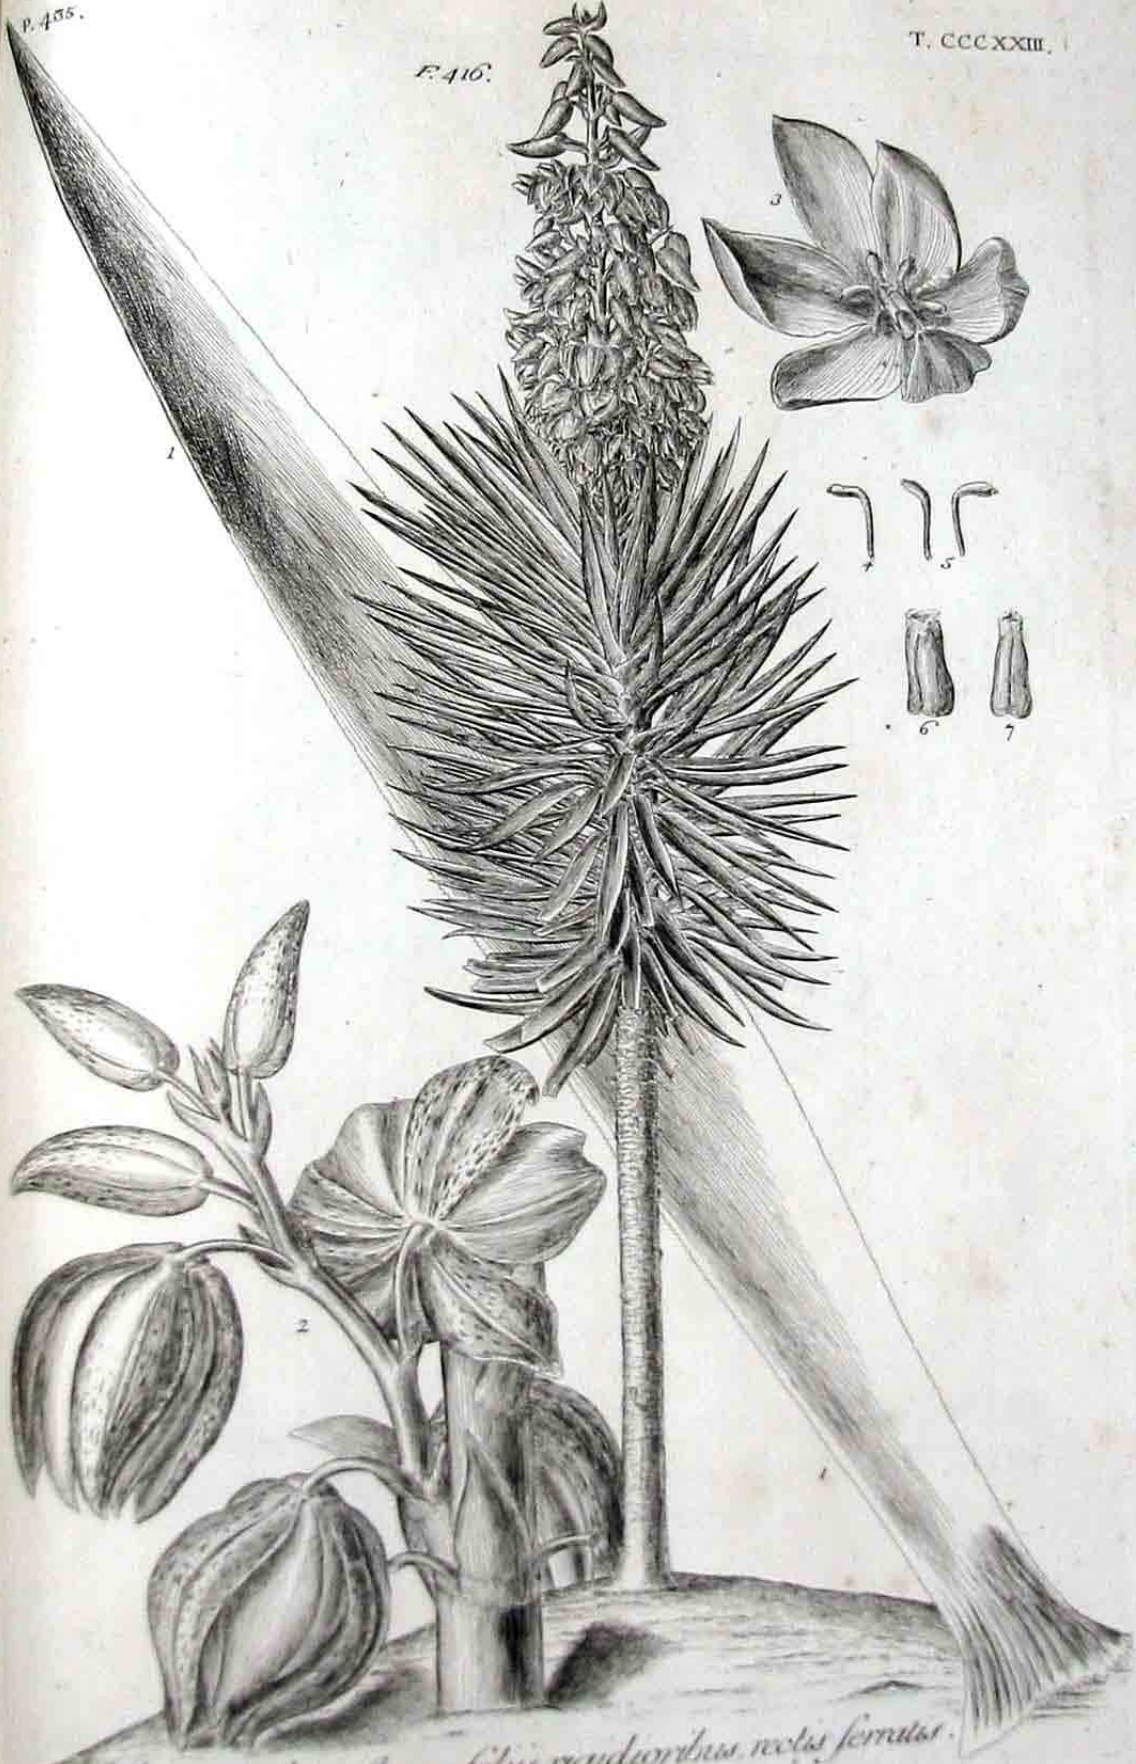

*Xeranthemoides procumbens, Polysolio.*

P. 455.

F. 416.

T. CCCXXIII.

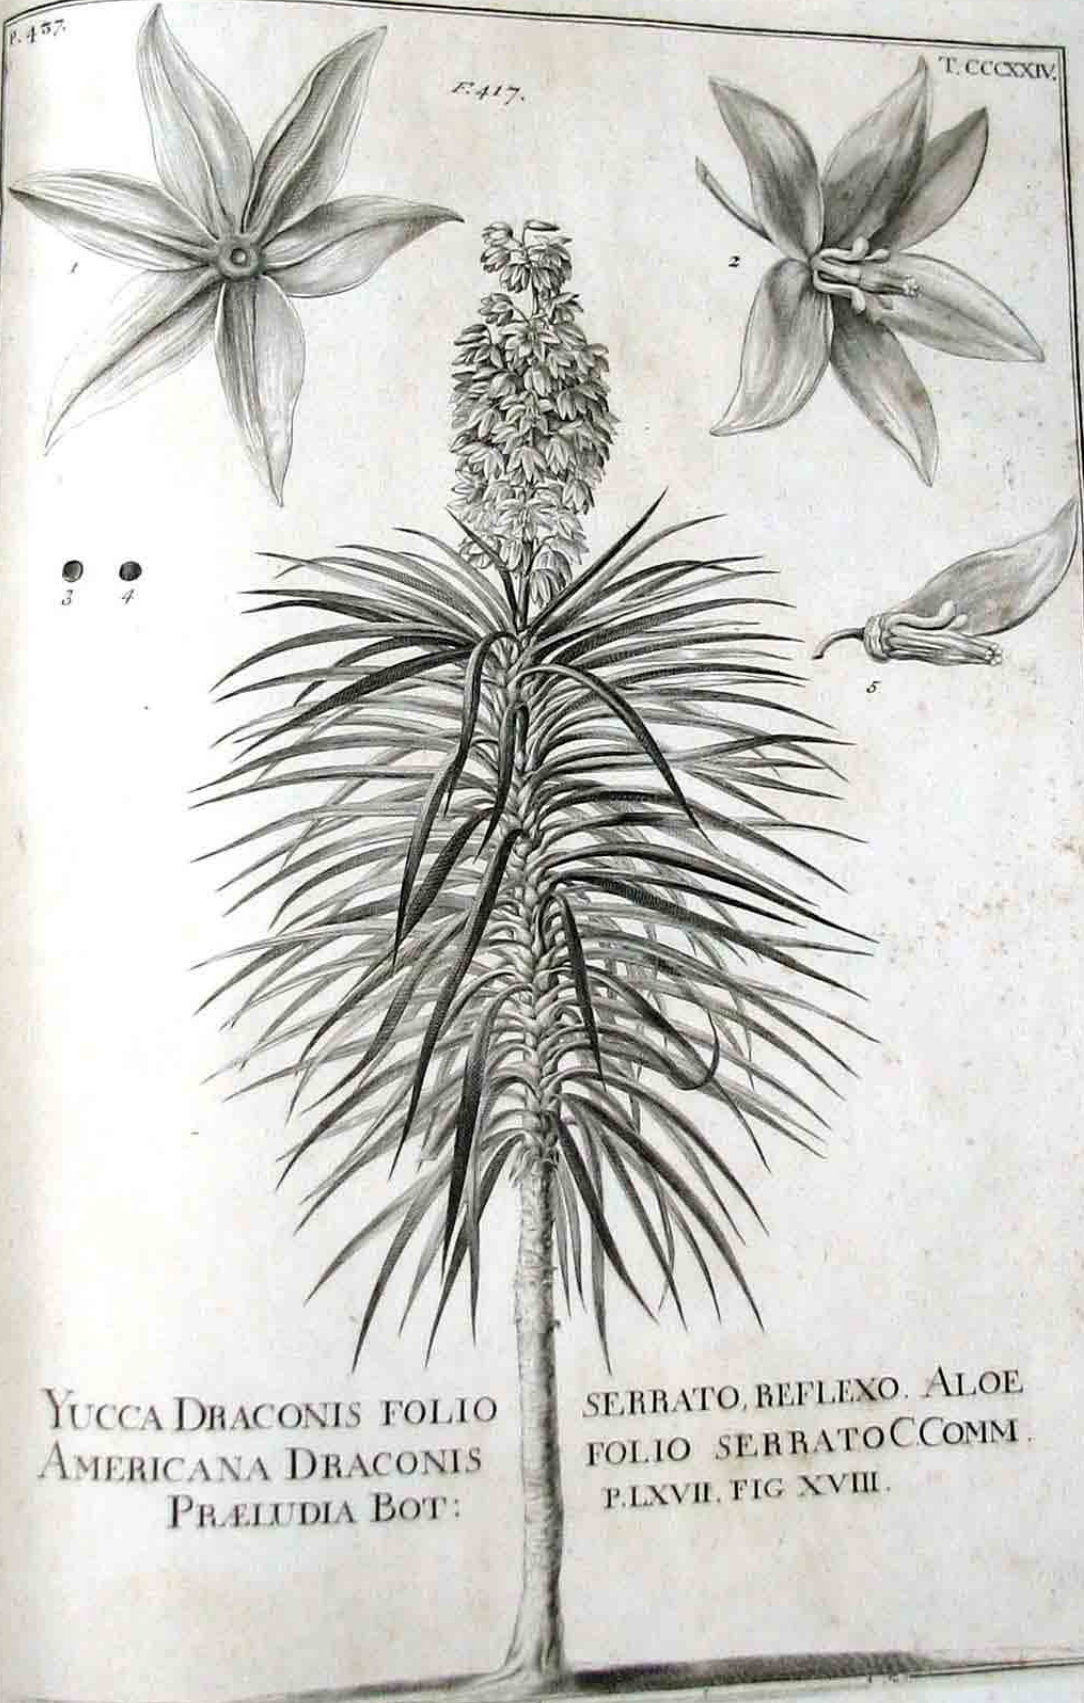

*Yucca arborescens, foliis rigidioribus, rectis semiter.*

P. 457.

F. 417.

T. CCCXXIV.
